this book wishes to demystify the tax code for you. They come from many different areas of tax practice. They will relate experiences with their tax practices and add their advice for dealing with the tax code and the IRS for your information. You will be pleasantly surprised at their detail and you probably will wish to discuss the relevant sections with your CPA, tax accountant, or tax attorney. We are all aware that tax evasion is illegal but seeking to minimize one's income taxes according to the law is totally acceptable. Per the Supreme Court, the celebrity experts within speak to many tax law topics of interest ranging from those that apply to business people, professionals, and divorcees to those that apply to clergy, home-based businesses, and retirement planning. Among many others, you will learn from these professionals and if necessary, you may even want to contact them. All in all, breaking the tax code, second edition, is educational, entertaining, and profitable.
