

# Free pdf What is science olympiad (PDF)

Founded in 1984, the Science Olympiad is the premier team STEM competition in the nation, providing standards-based challenges to 6,300 teams at 425 tournaments in all 50 states. The 2025 rules are available on 9/3/24, followed by fall workshops and national workshop Wednesdays showcasing innovative content. The Science Olympiad is an American team competition in which students compete in 23 events pertaining to various fields of science, including earth science, biology, chemistry, physics, and engineering. Over 7,800 middle school and high school teams from 50 U.S. states compete each year.

The 2023 Science Olympiad National Tournament is held on 12/12-12/13. The Australian Science Olympiads (ASO) is a staged science enrichment program for highly motivated students in Australian high schools. The program covers four separate disciplines: biology, chemistry, physics, and earth science.

The International Science Olympiad (ISO) is a global competition for students aged 11-18. The 2022 Science Olympiad National Tournament was held on 11/11-11/13. The Science Olympiad Student Center has grown to become one of the most important resources to Science Olympiad participants, endeavoring to improve their scientific knowledge over the past two decades. The site has grown to include features such as an image gallery housing thousands of images relating to Science Olympiad.

The Science Olympiad is a national K-12 STEM education non-profit on a mission to inspire students to pursue STEM pathways and to support teachers and coaches. Our team STEM competitions for middle and high school are run in all 50 states, DC, and 2 are usually held on college campuses, and 3 are really, really fun. The International Science Olympiads are a group of worldwide annual competitions in various areas of the formal sciences, natural sciences, and social sciences. The Science Olympiad National Tournament is the pinnacle of achievement for 120 of the country's best Science Olympiad teams and our global ambassador team from Japan, representing more than 2,000 students. The 39th Annual Science Olympiad National Tournament was hosted at Wichita State University on May 19-20, 2023.
