Modern Linguistics

1989

in this fascinating and lively study krishnaswamy and burde examine how the english used by indians has changed and is still changing over the last two centuries evolving into the complex and highly diverse forms which it takes today

The Politics of Indians' English

1998

with globalization english has become an economic necessity and indians have realized that they have the english advantage over many other countries like china and japan india has shed its colonial complexes towards english and has come to terms with the language indians have separated the english language from the english the story of english in india presents historical facts in a socio cultural framework the book is a must for all teachers and students of english it will be useful for all those interested in the politics of language and education in india key issues discussed are we indebted to the british for introducing english in india what was the role of english during india s struggle for freedom has english united india has english divided india into two the english knowing classes who govern and the non english knowing masses who are governed will english ever become an indian tongue spoken in the great indian language bazaar what will be the future of major indian languages in the wake of the english onslaught will it end in linguistic imperialism and cultural colonialism

The Story of English in India

2006

south asia is home to a large number of languages and dialects although linguists working on this region have made significant contributions to our understanding of language society and language in society on a global scale there is as yet no recognized international forum for the exchange of ideas amongst linguists working on south asia the annual review of south asian languages and linguistics is designed to be just that forum it brings together empirical and theoretical research and serves as a testing ground for the articulation of new ideas and approaches which may be grounded in a study of south asian languages but which have universal applicability each volume will have three major sections i invited contributions consisting of state of the art essays on research in south asian languages ii refereed open submissions focusing on relevant issues and providing various viewpoints iii reports from around the world book reviews and abstracts of doctoral theses

Perspectives of Communication and Communicative Competence

2000

The Misiri Legend Explored

2015-03-16

with help from a global cast of scholars kumiko murata explores the remodelling of the discipline of applied linguistics which traditionally regarded anglophone native speaker english as the standard for english as a lingua

franca elf this edited volume probes the dichotomy between the current focus of applied linguistic research and a drastically changed english use in a globalised world this division is approached from diverse perspectives and with the overarching understanding of elf as an indispensable area of applied linguistics research the volume includes theoretical backgrounds to english as a lingua franca the nature of elf interactions language policy and practice from an elf perspective and the relationship between multilingualism and elf a resourceful book not only to elf researchers but also applied linguists in general as well as policy makers administrators practicing teachers and university students from diverse linguacultural backgrounds

The Linguistic Heritage of Colonial Practice

2019-01-14

stylistics is a branch of applied linguistics and deals with the various levels of language graphological phonological lexical syntactic and semantic discourse in this book each level is lucidly explained with relevant theoretical concepts and they are practically applied to two poems as model exercises with the evidences explicitly available and insinuations implicitly conveyed in the text each poem is insightfully examined through a linguistics lens to explore the stylistic nuances embedded in it it can be exciting and interesting to anyone interested in the english language and poetic style in addition to students of literature

The Challenges of English Second Language Teachers and Learners

2024-04-11

how are linguistic wars for global prominence literarily and linguistically inscribed in literature this book focuses on the increasing presence of cosmetic multilingualism in prize winning fiction making a case for an emerging transparent turn in which momentary multilingualism works in the service of long term monolingualism

Computational Linguistics and Intelligent Text Processing

2018-10-09

addressing issues related to the physical cultural ideological and psychological relocation of english this volume provides a critical examination of current sociolinguistic study of english in the world and suggests a new approach which focuses more on ideological and psychological aspects of the phenomenon

ELF and Applied Linguistics

2023-12-22

this concise and well written text provides a deeper insight into the discipline of translation and discusses all the complexities involved in translation the book discusses in detail the process of translation different types of translation and theory and principles of translation it also deals with different interdisciplinary subjects such as semiotics linguistics lexicography and socio linguistics that contribute to effective translation finally it explains the problems of translation and the techniques for evaluating translation the book provides plenty of examples to make the concept clear the book is intended as a text for the undergraduate students of translation studies and postgraduate students of english applied linguistics and english and comparative literature

STYLISTICS OF POETRY

2018-02-28

meaning is a fundamental concept in natural language processing nlp in the tasks of both natural language understanding nlu and natural language generation nlg this is because the aims of these fields are to build systems that understand what people mean when they speak or write and that can produce linguistic strings that successfully express to people the intended content in order for nlp to scale beyond partial task specific solutions researchers in these fields must be informed by what is known about how humans use language to express and understand communicative intents the purpose of this book is to present a selection of useful information about

semantics and pragmatics as understood in linguistics in a way that is accessible to and useful for nlp practitioners with minimal or even no prior training in linguistics

Monolingualism and Linguistic Exhibitionism in Fiction

2016-01-25

Indian Journal of Applied Linguistics

1975

imperialism may be over but the political economic and cultural subjugation of social life through english has only intensified this book demonstrates how english has been newly constituted as a dominant language in post market reform india through the fervent aspirations of non elites and the zealous reforms of english language teaching experts the most recent spread of english in india has been through low fee private schools which are perceived as dubious yet efficient the book is an ethnography of mothering at one such low fee private school and its neighboring state funded school it demonstrates that political economic transitions experienced as radical social mobility fuelled intense desire for english schooling rather than english schooling leading to social mobility new experiences of mobility necessitated english schooling at the same time experts have responded to the unanticipated spread of english by transforming it from a second language to a first language and earlier hierarchies have been produced anew as access to english democratized

Handbook of Linguistic Terms

2006

bloomsbury world englishes offers a comprehensive and rigorous description of the facts implications and contentious issues regarding the forms and functions of english in the world international experts cover a diverse range of varieties and topics offering a more accurate understanding of english across the globe and the various social contexts in which it plays a significant role with volumes dedicated to research paradigms language ideologies and pedagogies the collection pushes the boundaries of the field to go beyond traditional descriptive paradigms and contribute to moving research agendas forward volume 1 paradigms analyzes the ways in which we make sense of english as a global language its many varieties and how these come into contact and interact with other languages it moves the field beyond existing models that are no longer sufficient to describe english in the era of globalization

The Relocation of English

2016-04-30

how do we explain violence what is so significant of modern forms of violence that it has produced such large scale destruction in its wake this volume builds on the political philosophy of wittgenstein his notions of peace and violence to explore how violence in any form is contained in culturally or ideologically formed institutions drawing on wittgenstein's work on language it explores the link between language and violence everydayness and culture it examines everyday instances of micro violence that we sometimes forget to recall this book puts forth the claim that any theory of violence will have to touch on the myriad both micro and macro political social and cultural interactions that make up the human condition the author further comments on the unseen ways violence has been instrumentalized in modern history's many stages to create a spectacle of power to reinforce authority the volume will be of great interest to students and scholars of peace and conflict studies political philosophy linguistics and modern history

Encyclopaedia of the Linguistic Sciences

2008

right from its formal introduction in india in 1835 through thomas b macaulay s minute english has been intrinsically linked with the employment prospects of indians during their regime the british promoted english education to fulfil the requirement of english knowing indians for administrative purposes owing to globalization the last few years have witnessed the opening up of thousands of lucrative job opportunities for graduates proficient in english english has gained importance in india as the language of opportunities in colonial india english education was a passport to government jobs while in the twenty first century proficiency in english is essential for private sector jobs this book examines the development of curricula in english in indian universities vis a vis the needs of second language learners studying in special english programmes of bachelor of arts ba it also reflects on how globalization has strengthened the connection between english and employment
