The life, voyages, and discoveries, of captain James Cook. [Followed by] Pitcairn's island and the mutineers of the Bounty

1837

cook s great voyages marked the end of an era in world history as he sailed into hawaii in january 1778 he made contact with the last of the human civilizations to grow up independently of the rest of the world but equally for the polynesians and melanesians of the pacific cook s arrival in their midst merely marked a further if disastrous twist in diverse histories already many centuries old master our later preoccupations to let us see what cook and his associates experienced and what the societies he encountered experienced from the beothuks of newfoundland to the tongans of the friendly islands history to explore the drama of cook s expeditions central to the story is cook s curiosity a brilliant map maker even before he entered the pacific cook would journey emotionally and intellectually into unknown waters and meet people on beaches who were used to voyaging themselves tahitians maori and hawaiians would position this enigmatic visitor on their own maps in ways he could neither understand nor control their meetings would be sometimes rewarding sometimes dangerous always strangely rich and unpredictable

The Voyages Of Captain James Cook Round The World

2022-10-27

excerpt from captain cook s voyages distinguished as this country is and ever has been for its able navigators it acquires no inconsiderable accession of fame from boasting of the name of cook whose three principal voyages we are now about to detail in an unbroken series this able and most amiable man was born at marton in cleveland a village about four miles from great ayton in yorkshire on the 27th of october 1728 his father who lived in the humble station of a farmer s servant married a woman in the same sphere of life with himself and both were noted in their neighbourhood for their honesty sobriety good conduct and industry qualities which ever reflect a lustre on the humblest ranks when our navigator was about two years old his father removed to great ayton and was appointed to superintend a considerable farm known by the name of airyholm belonging to thomas scottowe esq as the father long continued in this trust the son naturally followed the same employment as far as his tender years would admit his early education appears to have been slight but at the age of thirteen we find him placed under the tuition of one mr pullen who taught school at ayton where he learned the rudiments of arithmetic and book keeping and is said to have shown a remarkable facility in acquiring the science of numbers about the beginning of the year 1745 when young cook was seventeen years old his father bound him apprentice to william sanderson for four years to learn the grocery and haberdashery business at a place called snaith a populous fishing town about ten miles from whitby and while here according to mr sanderson s account he displayed a maturity of judgment and a quickness in calculations far beyond his years but as he evinced a strong partiality for a maritime life a predilection strengthened by the situation of the place and the company with which perhaps he associated on some trivial disagreement with his master he obtained a release from his engagements after a year and a half s servitude and determined to follow the bent of his own inclination about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The voyages of captain Cook

1965

the first ever illustrated account of the explorer and cartographer s epic eighteenth century pacific voyages complete with excerpts from his journals this is history s greatest adventure story in 1766 the royal society chose prodigal mapmaker and navigator james cook to lead a south pacific voyage his orders were to chart the path of venus across the sun that task completed his ship the hms endeavour continued to comb the southern hemisphere for the imagined continent terra australis the voyage lasted from 1768 to 1771 and upon cook s return to london his journaled accounts of the expedition made him a celebrity after that came two more voyages for cook and his crew followed by cook s murder by natives in hawaii

the voyages of captain james cook reveals cook s fascinating story through journal excerpts illustrations photography and supplementary writings during cook s career he logged more than 200 000 miles nearly the distance to the moon and along the way scientists and artists traveling with him documented exotic flora and fauna untouched landscapes indigenous peoples and much more in addition to the south pacific cook s voyages took him to south america antarctica new zealand the pacific coast from california to alaska the arctic circle siberia the east indies and the indian ocean when he set out in 1768 more than one third of the globe was unmapped by the time cook died in 1779 he had created charts so accurate that some were used into the 1990s the voyages of captain james cook is a handsome illustrated edition of cook s selected writings spanning his pacific voyages ending in 1779 with the delivery of his salted scalp and hands to his surviving crewmembers it s an enthralling read for anyone who appreciates history science art and classic adventure
