college research college of education university
of missouri columbia cohen and brawer s classic
work is the touchstone for a comprehensive
overview of the american community college this is
a seminal book for graduate students as well as
seasoned professionals for understanding this
uniquely american institution charles r dassance
president central florida community college
originally published in 1954 this is the first
full length account of the history of the working
men s college in st pancras london one hundred and
fifty years on from its foundation in 1854 it is
the oldest adult educational institute in the
country self governing and self financing it is a
rich part of london s social history the college
stands out as a distinctive monument of the
voluntary social service founded by the victorians
unchanged in all its essentials yet adapting
itself to the demands of each generation of
students and finding voluntary and unpaid teachers
to continue its tradition this pamphlet provides a
concise history of the owens college of manchester
founded in 1851 the text briefly describes the
various departments of the college including
chemistry mathematics and classics this book is an
interesting artifact of educational history and
provides insights into the development of higher
education in england this work has been selected
by scholars as being culturally important and is
part of the knowledge base of civilization as we
know it this work is in the public domain in the
