1917 women won the vote in new york state suffrage and the city explores how activists in new york city were instrumental in achieving this milestone santangelo uncovers the ways in which the demand for women s rights intersected with the history politics and culture of new york city in the gilded age and progressive era the fight for the vote in the nation s largest metropolis demanded that suffragists both mobilize and contest urban etiquette as they worked to gain visibility and underscore their cause s respectability from the polo grounds to the lower east side organizers championed political equality to anyone who would listen in the early twentieth century their fifth avenue parades showcased the various manhattan subcultures including industrial laborers teachers nurses and even socialites that they transformed into a broad coalition by the 1910s films and newspapers broadcasted their tactics to rest of the country just as the national suffrage organization decided to draw on gotham s resources by moving its own headquarters to midtown and thereby turning manhattan into the movement s capital the city s mores rhythms and physical layout helped to shape what was possible for organizers campaigning within it at the same time suffragists helped to redefine the urban experience for white middle class women combining urban studies geography and gender and political history

suffrage and the city demonstrates that the big apple was more than just a stage for suffrage action it was part of the drama as much as enfranchisement was a political victory in new york state it was also a uniquely urban and cultural one these studies show how the british empire used its maritime supremacy to construct and maintain a worldwide defence for its imperial interests they rebut the idea that british defence policy in the late 19th and early 20th centuries was primarily concerned with the balance of power in europe the new edition will provide the sole comprehensive resource available for non linear optics including detailed descriptions of the advances over the last decade from world renowned experts this volume is the first to contain all of rosa luxemburg s eloquent writings on the 1917 russian and 1918 19 german revolutions also contained here are articles essays and manuscripts on the european socialist movement prior to world war i and on her efforts to rebuild the socialist movement on revolutionary foundations in its aftermath much of this material appears in english for the first time luxemburg s contributions on revolutionary strategy and the transition to socialism reveal a profound commitment to radical democracy which becomes evident as she elaborates on her lived experience with razor sharp conceptualizations of the mass strike her democratic commitment is also highlighted in her deepening conflict with the bureaucratic conservatism afflicting the german social democratic party she is horrified yet at the same time grimly analytical while surveying the unfolding violence and brutality of world war i deeply inspired by russia s 1917 upsurge she is nonetheless compelled to analyze and criticize fatal limitations of the russian revolution swept up in the revolutionary chaos sweeping through germany in 1918 19 which results in her own martyrdom she gives voice on the eve of her assassination to the revolution s final testament i was i am i shall be beginning with the 1760s when lynching and vigilantism came into existence in what is now the united states this bibliography fills a void in the history of american collective violence it covers over 4 200 works dealing with vigilante movements and lynchings including books articles government documents and unpublished theses and dissertations following a chapter listing general works the book is arranged into four chronological chapters a chapter on the frontier west a chapter on anti lynching and chapters on literature and art the book opens with a chapter devoted to general works it then includes chapters on the period from the colonial era to the civil war the civil war through 1881 and the periods from 1882 to 1916 and 1917 to 1996 the work then turns to the frontier west and to anti lynching bills laws organizations and leaders finally the book includes chapters on vigilantism in literature and art one of the main motives for british imperialism in africa was economic gain this collection examines the ways in which britain developed africa and in so doing benefited her own economy this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this collection makes available rare sources on the aims functions and effects of british administration in africa topics examined

include land and urban administration law and jurisprudence taxation and administration of natural resources ever since the courtroom doors closed in 1919 the tragic charlotte streetcar strike has haunted the collective memory of the carolina piedmont region during a season of labor unrest it briefly made national headlines five men were killed and at least twelve others were wounded by gunfire during a demonstration against southern public utilities a subsidiary of james b duke s southern power for many who lived afterward in north carolina s queen city the strike and riot were events better left forgotten while for later generations the battle of the barn has become an item of curiosity as the centennial approaches this book represents the result of over ten years worth of primary research about the charlotte streetcar strike a story that rightfully belongs to a larger narrative about the afl s campaign to organize transportation workers among the textile mill towns of north and south carolina prior to the 1919 charlotte strike the national streetcar union had overcome fierce anti labor sentiment from south carolina s state capital of columbia to the upcountry citadel of spartanburg to afl organizers charlotte represented the last link in the piedmont chain Spain and the great powers in the twentieth century examines the international context to and influences on spanish history and politics from 1898 to the present day spanish history is necessarily international with the significance of Spain s neutrality in the first world war and the global influences on the outcome of the spanish civil war taking the defeat in the spanish american war of 1898 as a starting point the book includes surveys on the crisis of neutrality during the first world war foreign policy under the dictatorship of primo de rivera the allies and the spanish civil war nazi germany and franco s Spain and the cold war relations with the united states this book traces the important topic of modern spanish diplomacy up to the present day the first study of a neglected tradition of participatory democracy in modern india excerpt from san francisco chamber of commerce activities vol 4 january 4th 1917 steamer grace dollar has been purchased by the pacific steamship company and her name changed to that of admiral wainwright vessel will continue in the coast trade of the admiral line of vessels about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works the british empire played a crucial part in the first world war supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions in turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops this collection offers a comprehensive selection of essays illuminating the extent of the empire s war contribution and experience and the richness of scholarly research on the subject whether supporting british military operations aiding the british imperial economy or experiencing significant wartime effects on the home fronts of the empire the war had a profound impact on the colonies and their people the chapters in this volume were originally published in *Australian Historical Studies* the *Journal of Imperial and Commonwealth History* *First World War Studies* or the *Round Table* the *Commonwealth Journal of International Affairs* *Boys Life* is the official youth magazine for the Boy Scouts of America published since 1911 it contains a proven mix of news nature sports history fiction science comics and scouting in the *Geometrid Moths of Europe* volume 2 on *Sterrhinae* a number of difficult genera such as

cyclophora scopula and idaea are covered especially idaea with more than 100 species occurring in europe has caused a lot of problems to identify but based on the many specimens illustrated on the 24 colour plates the species of this genus can be identified much easier now apart from its largest species the genus idaea is illustrated in 1 5 times natural size the remaining sterrhinae are in natural size on the colour plates on additional black and white photos for species which are difficult to identify their differential characters are pointed out with arrows three new species and three new subspecies are described a map with the european distribution is given and with dots for verified specimens finally there are line drawings of male and female genitalia of all species and also this volume contains a systematic catalogue of the european species and including those of the neighbouring regions such as north africa macaronesia turkey and the middle east excerpt from direct advertising 1917 vol 4 with sample book of mill brand papers the mailing folder is not of the kid glove type but is to be compared to the hardy rough and ready substantial individual and usually brings quick action it has strength and power behind it about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works first published in 1996 the first world war was the single most important event of the twentieth century this volume concentrates on non u s aspects of the conflict organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace some 350 biographies provide information on the roles played in the conflict by generals admirals and civilian leaders there are also biographies of individuals who were shaped by the war such as charles de gaulle adolf hitler benito mussolini and joseph stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war each entry has references for additional reading and a subject index provides easy access the volume is an excellent reference source for scholar and neophyte alike recipient of the banff mountain book festival s canadian rockies award a book to be read and digested then sampled then read and dipped into often a fine achievement for this dedicated author bruce fairley canadian alpine journal holy shit waaaaaaaat a fabbbbulous tome tami knight illustrator mountaineer this important new book tells the story of canada s 200 year mountaineering history through the use of stories and pictures chic scott documents the evolution of climbing in canada he introduces us to the early mountain pioneers and the modern day climbing athletes he takes us to the crags and the gyms from the west coast to quebec and from the yukon to the rockies but most importantly scott showcases canadian climbers the routes that challenged them the peaks that inspired them their insatiable desire to climber harder to push the limits begin the trek through canada s climbing history learn about swiss guides hired by cpr hotels who ushered in the glory years of first ascents continue through to the turn of the twentieth century when british and american climbers of leisure found themselves hampered by the difficulties of travel through the canadian wilderness learn about the european immigrants of the 1950s who pushed the limits on the rock walls and the american superstars who led the search for frightening new routes on the big north faces be there when

british expatriates pioneer an exciting new trend in world mountaineering waterfall ice climbing witness the popular growth of sport climbing both on the crags and in the gyms finally enjoy the story of home grown climbers initially slow to take up the challenge both at home and overseas they are now leaders in the climbing world vols 30 54 1932 46 issued in 2 separately paged sections general editorial section and a transactions section beginning in 1947 the transactions section is continued as sae quarterly transactions this work examines the role of language in forging the modern subject focusing on the idea of the new man that has animated all revolutionaries the present volume asks what it meant to define oneself in terms of one s class origins gender national belonging or racial origins
