financial freedom

his journey would be a test of his endurance of both body and spirit it would force him to throw caution to the wind and to experience life as it was meant to be experienced with a heart wide open and eyes to the horizon with president george w bush s approval ratings at record lows the 2008 election was a contest that democrats were predicted to win and with barack obama s victory over john mccain they did but it was the highly unlikely journey to this likely destination that set this presidential election apart from others award winning book and amazon 1 new release no matter your goals epic begins with 1 step forward offers a practical framework for improving every day all you need to do is master the simple yet transformative habit of taking one step forward this book will reshape the way you think about success and progress it gives you the practical steps you need to take to create epic results whether you want to run a marathon lose weight write a book get promoted start a business or achieve any other goal you have the power to realize your dreams and live an epic life this book will help you clarify your dream set goals develop a plan enjoy your journey no matter your journey epic begins with 1 step forward today is the day to start epic choices epic life follow a little fish on her epic journey downriver as she travels out into the unknown with stunning artwork from hanako clulow a lyrical narrative and a magical swimming fish on every page this is a book to treasure and revisit time and again this step 3 step into reading leveled reader is based on disney frozen 2 which is in theaters november 22 2019 directed by jennifer lee and chris buck and produced by peter del vecho walt disney animation studios feature length follow up to 2013 s oscar winning film frozen is slated for theaters on november 22 2019 kristen bell josh gad idina menzel and jonathan groff are reprising their roles in an all new story girls

and boys ages 5 to 7 will love this step 3 step into reading leveled reader based on disney frozen 2 step 3 readers feature engaging characters in easy to follow plots about popular topics for children who are ready to read on their own from homer to the moon this volume explores the epic journey across space and time in the ancient world to the end of time and back an epic journey transports the reader through many lifetimes including ancient sumer to a setting beyond imagination the journey includes deep passion mystery joy tragedy and horror beyond belief a and z had just consummated their lovemaking on an overlook of the pacific to their surprise and shock a being suddenly stands before them thus begins their voyage to answer long hidden questions that will eventually change their destinies forever the reader will ultimately determine whether the stories that unfold are fiction or not no matter what you determine you will be caught up in the lives of a and z as time unfolds before them do not take on the task of reading this book lightly for many of you will be changed forever though the book is laid out in verse form it will read easily like a traditional novel you will soon be oblivious to the form and become engrossed in the lives of the two passionate lovers one critic wrote at the outset i have to describe epic as a wonderful piece of writing and an extraordinary reflection of broad vision by its creator as a voracious consumer of science fiction and fantasy writing i have never encountered this type of approach to story telling that addresses meaningful questions about existence the obvious historic research involved in unfolding stories across different cultures and eras is extensive and lends an air of credibility to the stories told the interactions between two characters who feel to me as human as me an entity best described as an angel offers a useful vehicle for articulating life lessons illustrated in the life stories another reader

stated captivating written with a uniqueness i have not read in another book bob casey s books and writings foster one major purpose to provide thoughtful comments on life this epic story continues that tradition the thrilling true adventure of a deadly trek to the north pole a one hundred year old mystery and an inspiring tale of polar exploration to the end of the earth explores perhaps the greatest controversy in the history of exploration did u s naval commander robert peary and his team dogsled to the north pole in thirty seven days in 1909 or as has been challenged was this speed impossible and was he a cheat in 2005 polar explorer tom avery and his team set out to re create peary s one hundred year old journey using the same equipment to show that peary s team could have done what they had always claimed and discovered the north pole navigating treacherous pressure ridges deadly channels of open water bitterly cold temperatures and traveling in a similar style to peary and henson with dog teams and replica wooden sledges bound together with cord avery tells the story of how his team covered 413 nautical miles to the north pole in thirty six days and twenty two hours some four hours faster than the original pioneers weaving fascinating polar exploration history with thrilling extreme adventure this is avery s story of how he and his team nearly gave their lives trying to determine if peary and henson were telling the truth on may 14 15 1905 in the tsushima straits near japan an entire russian fleet was annihilated its ships sunk scattered or captured by the japanese in the deciding battle of the russo japanese war the japanese lost only three destroyers but the russians lost twenty two ships and thousands of sailors it was the first modern naval battle employing all the new technology of destruction the old imperial navy was woefully unprepared the defeat at tsushima was the last and greatest of many indignities suffered

by the russian fleet which had traveled halfway around the world to reach the battle dogged every mile by bad luck and misadventure their legendary admiral dubbed mad dog led them on an extraordinary eighteen thousand mile journey from the baltic sea around europe africa and asia to the sea of japan they were burdened by the tsar s incompetent leadership and the old slow ships that he insisted be included to bulk up the fleet moreover they were under constant fear of attack and there were no friendly ports to supply coal food and fresh water the level of self sufficiency attained by this navy was not seen again until the second world war the battle of tsushima is among the top five naval battles in history equal in scope and drama to those of lepanto trafilgar jutland and midway yet despite its importance it has been long neglected in the west with a novelist s eye and a historian s authority constantine pleshakov tells of the russian squadron s long difficult journey and fast horrible defeat the ghosts of anatolia is an epic tale of three families one armenian and two turkish inescapably entwined in a saga of tragedy hope and reconciliation beginning in 1914 at the start of the the great war confident ottoman forces suffered a devastating defeat at the hands of the russians pursuing russian forces drove deep into eastern anatolia and the ensuing conflagration fanned by fear mistrust and sedition engulfed the ottoman empire what happened there is contentiously debated and to this day remains a festering sore of division this compelling adventure novel brings these events poignantly to life while in college a group of four young men establish a tradition every year they take a week long adventure trip together they go hiking biking or kayaking traveling all around the world they call it their man mission an annual ritual that they keep for fifteen years in the course of their travels they hitch a ride with drug dealers

in new zealand down kava shots on fijian beaches come face to face with a roaring lion in south africa luxuriate in a resort intended only for vietnamese communist officials trek to machu picchu and go ice climbing in iceland over the years they get married start families establish careers and do all the stuff upright men are supposed to do but when the challenges of real life come into conflict with the perfect lives they are supposed to be living the yearly man mission becomes more than an annual getaway it s a source of stability and a place to find redemption part travel narrative and part roman à clef this novel follows four regular guys as they find adventure together and seek meaning and purpose in a world where the traditional rules of being a man are no longer clear 5 out of 5 stars foreword clarion reviews a fast moving fresh multi faceted story of exploration louise herron am ceo sydney opera house a candid account of a man s viewpoint 4 out of 4 stars online book club lively and well told blue ink review a boy s voyage round the world is the fascinating memoir of an unnamed son of samuel smiles who at the age of sixteen embarked on a two year journey to australia to recover from inflammation of the lungs the voyage took him across the treacherous channel through the tropics and past cape otway to the bustling city of melbourne where he lived and worked for eighteen months before returning home via honolulu and san francisco with fresh observant eyes he kept a detailed log of his journey which provided a rare and intimate glimpse into life at sea and in the colonies in 1994 16 year old emmanuel taban walked out of war torn sudan with nothing and nowhere to go after he had been tortured at the hands of government forces who falsely accused him of spying for the rebels when he finally managed to escape he literally took a wrong turn and instead of being reunited with his family ended up in

neighbouring eritrea as a refugee over the months that followed young emmanuel went on a harrowing journey often spending weeks on the streets and facing many dangers relying on the generosity of strangers he made the long journey south to south africa via ethiopia kenya tanzania mozambique and zimbabwe travelling mostly by bus and on foot when he reached johannesburg 18 months after fleeing sudan he was determined to resume his education he managed to complete his schooling with the help of catholic missionaries and entered medical school qualifying as a doctor and eventually specialising in pulmonology emmanuel s skills and dedication as a physician and his stubborn refusal to be discouraged by setbacks led to an important discovery in the treatment of hypoxaemic covid 19 patients by never giving up this son of south sudan has risen above extreme poverty racism and xenophobia to become a south african and african legend this is his story going on an epic journey from russia to australia vassilieff s newly published book follows the amazing story of struggle survival and migration of his ancestors alexander vassilieff is a descendent of the colonists who are personified in his first epic novel a biography of his family alex was born in shanghai china at the age of three he was taken to harbin and at nine in 1951 to sydney australia after an active career as a professional engineer and a long record of civic and community involvement he retired and lives with his wife alexandra they have two children and four grandchildren in nov 2008 he was awarded as laureate grand finalists in a sydney book festival a unique look at the successful Ñ though nearly disastrous Ñ apollo 11 moon landing in a riveting narrative told from the astronautsÕ points of view readers get to relive every step of apollo 11Õs 1969 mission Ñ from ignition to moon walk to splashdown Ñ including the nail biting and

relatively unknown crucial moments when it came close to failure and setting this book apart each step is linked to the innovations and discoveries from the past four centuries that made it possible it's a fascinating new perspective on an epic journey Ñ and how stem set it in motion readers better fasten their seat belts they're in for the ride of a lifetime the personal tale of an australian adventurer s tragedy and triumph that is packed with historical insights on the trail of genghis khan is at once a celebration of and an elegy for an ancient way of life supported by an epic australian and new zealand tour see steve glassman retraces john lloyd stephens 1839 route visiting the same archaeological sites towns markets and churches and meeting along the way the descendants of those people stephens described from mestizo en route to the cornfields to town elders welcoming the norte americanos glassman s work interlaces discussion of the history natural environment and architecture of the region with descriptions of the people who live and work there glassman compares his 20th century experience with stephens s 19th century exploration gazing in awe at the same monumental pyramids eating similar foods and avoiding the political clashes that disrupt the governments and economies of the area this book and the associated movie started with my 2007 visit to the maya forest from there i took off to the north pole this extreme journey was necessary to test my hypothesis that climatic changes that led to the decline of many ancient maya cities have much in common with the climatic changes we face today to support this theory i interviewed geographers archeologists anthropologists as well as many equally renowned scientists humbly i have written these lines wishing to share my research through this book i expect my readers to sense my heartfelt beliefs this is really my voice the book is not just focusing on reality or

adventure but on hope as well even if everything looks gloomy and we find ourselves in the darkest spot we can be sure that the sunrays are still there even if a cloud is momentarily covering them this is what i learned from my guide mary baker eddy and her teachings have helped me discern the right panorama we know that problems begin in our minds and once the mind is corrected the true light appears in our lives follow a little fish on her epic journey downriver as she travels out into the unknown with stunning artwork from hanako clulow a lyrical narrative and a magical swimming fish on every page this is a book to treasure and revisit time and again have you ever wondered just how big our world actually is humble beginnings lead to huge adventures in the zoom series where young readers are lifted out of everyday life to see the world in a brand new way one story begins with a boy and an ice cream cone and each turn of the page takes the reader one step back to show an entirely new perspective each spread has a die cut shape circle square or triangle showing a hint of the next page s bright geometric illustrations allowing readers to follow the shapes from a scoop of ice cream all the way to the spiral of the galaxy itself with new details revealed every step of the way what circles squares and triangles will you spot in the world around you after taking an epic journey outward with zoom this is the story of tran van tuan a vietnamese man struggling to survive through wars six decades of hardship and the ever present threat of death so he could realise his dreams born in north vietnam during world war ii tuan is abandoned in infancy by his father the family is forced to flee the post war fighting between the returned french colonialists and the viet minh nationalists a harrowing period as refugees ends with the defeat of the french and the family exodus to saigon journey with tuan through the

desperate years of what the vietnamese call the american war the death of his beloved mother his fight to educate himself and rise above poverty his eventual marriage and the chaos and drama of the fall of saigon to the communists tuan clings to the dream of freedom as he faces the threat of execution forced labour camps the collapse of his marriage and a final daring escape by boat that almost ends in death repatriated to australia from a malaysian refugee camp he strives against the odds once again to fulfil his destiny as an artist committed to portraying the sufferings of his generation through his visionary canvases compelling courageous and immensely touching the drifting clouds speaks simply yet eloquently of the indomitable nature of the human spirit that sustains hope even in the darkest hours pam spurned conventional rewards entrusted her dream to eight powerful huskies and set out alone to cross the arctic a most extraordinary journey sir ranulph fiennes renowned adventurer eight sled dogs and one woman set out from barrow alaska to mush 2 500 miles alone across the arctic chronicles this astounding expedition for an entire year pam flowers and her dogs made this epic journey across north america arctic coast the first woman to make this trip solo pam endures and deals with intense blizzards melting pack ice and a polar bear yet in the midst of such danger pam also relishes the time alone with her beloved team their survival her survival hinges on that mutual trust and love from a bancroft prize winning historian the gripping tale of a shipwrecked spaniard who walked across america in the sixteenth century financial times in 1528 a mission set out from spain to colonize florida but the expedition went horribly wrong delayed by a hurricane knocked off course by a colossal error of navigation and ultimately doomed by a disastrous decision to separate the men from their ships the

mission quickly became a desperate journey of survival of the four hundred men who had embarked on the voyage only four survived three spaniards and an african slave this tiny band endured a horrific march through florida a harrowing raft passage across the louisiana coast and years of enslavement in the american southwest they journeyed for almost ten years in search of the pacific ocean that would guide them home and they were forever changed by their experience the men lived with a variety of nomadic indians and learned several indigenous languages they saw lands peoples plants and animals that no outsider had ever before seen in this enthralling tale of four castaways wandering in an unknown land andrés reséndez brings to life the vast dynamic world of north america just a few years before european settlers would transform it forever happy hiker the epic journey of an unlikely appalachian trail thru hiker is an uplifting epic story with 200 beautiful photographs depicting the grueling daily experience of a 2000 mile hiking journey greenland a remote mysterious ice covered rock with a population of just 56 000 has evolved from one of earth s last physical frontiers to its largest scientific laboratory locked within that vast white desert are some of our planet s most profound secrets as the arctic climate warms and greenland s ice melts at an accelerating rate the island is evolving into an economic and climatological hub on which the future of the world turns journalist and historian jon gertner reconstructs in vivid thrilling detail the heroic efforts of the scientists and explorers who have visited greenland over the past 150 years on skis sleds and now with planes and satellites utilising every tool available to uncover the pressing secrets revealed by the ice before thanks to climate change it s too late this is a story of epic adventures populated by a colourful cast of scientists racing to get a handle

on what will become of greenland s ice and ultimately the world this book started with wondering as i sought to grasp the essence of discipleship i wondered about the very human aspects of the disciples journey with jesus for three and a half years were they ever discouraged did they think of quitting what bonds were developed between the twelve how did they grow and change i set out to examine their journey and found a very real connection to our journeys with jesus and reasons to reflect deeply on this journey this book will not only motivate you to reflect on gods goodness as you think of your past it will gently lead you to think about where you are today while parading the promises of endless tomorrows spent in his presence my prayer is that you will take this opportunity to reflect on your journey with jesus see his handprint in your life deepen your commitment to your walk with him and find a wellspring of contentment in your own epic journey in her mid twenties danielle rondeau was the picture of perfection she had a legal career on the fast track to success a stable loving relationship more devoted friends and family than anyone could hope for a schedule filled with glamorous events and the body of a model no one suspected a thing she also had a dark side this is a powerful and timely story about one boy s epic journey across africa to europe a graphic novel for all children with glorious colour artwork throughout from eoin colfer previously irish children s laureate and the team behind his bestselling artemis fowl graphic novels ebo alone his sister left months ago now his brother has disappeared too and ebo knows it can only be to make the hazardous journey to europe ebo s epic journey takes him across the sahara desert to the dangerous streets of tripoli and finally out to the merciless sea but with every step he holds on to his hope for a new life and a reunion with his sister winner of the judges

special award at the children s books ireland book of the year awards beautifully realised and punchily told alex o connell the times children s book of the week a powerful compelling work evocatively illustrated it would take a hard heart not to be moved by this book financial times after a long long time and a lot of big mistakes one of bob s distant relatives who as it happened was also named bob did something amazing bob the bacterium was bored everyone looked the same every day was the same until something astonishing happened children will love learning about how life has evolved on earth and beyond in the company of bob and his relatives a charming adventure which will delight the young and old alike

The RiverThe River 2018-02-08

greenland a remote mysterious ice covered rock with a population of just 56 000 has evolved from one of earth s last physical frontiers to its largest scientific laboratory locked within that vast white desert are some of our planet s most profound secrets as the arctic climate warms and greenland s ice melts at an accelerating rate the island is evolving into an economic and climatological hub on which the future of the world turns journalist and historian jon gertner reconstructs in vivid thrilling detail the heroic efforts of the scientists and explorers who have visited greenland over the past 150 years on skis sleds and now with planes and satellites utilising every tool available to uncover the pressing secrets revealed by the ice before thanks to climate change it s too late this is a story of epic adventures populated by a colourful cast of scientists racing to get a handle on what will become of greenland s ice and ultimately the world

Zoom - An Epic Journey Through Circles 2018-06

this book started with wondering as i sought to grasp the essence of discipleship i wondered about the very human aspects of the disciples journey with jesus for three and a half years were they ever discouraged did they think of quitting what bonds were developed between the twelve how did they grow and change i set out to examine their journey and found a very real connection to our journeys with jesus and reasons to reflect deeply on this journey this book will not only motivate you to reflect on gods goodness as you think of your past it will gently lead you to think about where you are today while parading the promises of endless tomorrows spent in his presence my prayer is that you will take this opportunity to reflect on your journey with jesus see his handprint in your life deepen your commitment to your walk with him and find a wellspring of contentment in your own epic journey

The Drifting Clouds 2018-02-26

in her mid twenties danielle rondeau was the picture of perfection she had a legal career on the fast track to success a stable loving relationship more devoted friends and family than anyone could hope for a schedule filled with glamorous events and the body of a model no one suspected a thing she also had a dark side

Alone Across the Arctic 2011-03-15

this is a powerful and timely story about one boy s epic journey across africa to europe a graphic novel for all children with glorious colour artwork throughout from eoin colfer previously irish children s laureate and the team behind his bestselling artemis fowl graphic novels ebo alone his sister left months ago now his brother has disappeared too and ebo knows it can only be to make the hazardous journey to europe ebo s epic journey takes him across the sahara desert to the dangerous streets of tripoli and finally out to the merciless sea but with every step he holds on to his hope for a new life and a reunion with his sister winner of the judges special award at the children s books ireland book of the year awards beautifully realised and punchily told alex o connell the times children s book of the week a powerful compelling work evocatively illustrated it would take a hard heart not to be moved by this book financial times
