The Backlash Against Investment Arbitration

2010-01-01

the accession of the people s republic of china to the world trade organization wto in 2001 significantly transformed the global economy both de facto and de jure at the regional level china s wto accession served as an important catalyst for the establishment of regional trade agreements rtas in east asia this was a novel development for the region since east asian states had previously followed a largely informal market driven approach to regional economic integration by contrast rules based economic integration involving east asian states was traditionally limited to multilateral integration under the gatt wto framework this book systematically analyses and explains the development nature and challenges of rules based regional economic integration in east asia with particular attention to the region s first four rtas while also addressing the socio economic historical and political factors influencing the development of rtas in east asia the book focuses on the legal institutions governing economic integration in the association of southeast asian nations asean as well as under the asean china comprehensive economic co operation agreement acfta the japan singapore new age economic partnership agreement jsepa and the mainland china hong kong closer economic partnership arrangement cepa the book provides a systematic comparative account of the scope depth and hard law versus soft law quality of rules based economic integration achieved under these four rtas in the areas of trade in goods and services investment liberalisation and protection labour mobility and dispute settlement

International Commercial Arbitration

2014-10-01

the south china sea arbitration which marks the first time that the philippines and china have been parties to a compulsory dispute settlement procedure is a landmark legal case the tribunal tackled head on critical issues in the interpretation and application of

the un convention on the law of the sea that other international courts have failed to address particularly the compatibility of historic rights with the convention the identification of maritime features as permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime zones and those that are not in addition the tribunal also had to decide on issues as diverse as near collisions at sea illegal fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building the tribunals task was rendered arduous by chinas refusal to appear before it in these circumstances understanding the tribunals decisions is a challenging undertaking chinas public relations campaign targeting the proceedings raised issues that the layperson could readily grasp notably african states support for its non appearance the integrity of the judges and the validity of arbitral awards understanding the awards and debating with china aims to facilitate understanding of the south china sea arbitration by presenting detailed summaries of the two arbitral awards the author rebuts the questionable claims raised by chinas public relations campaign and highlights chinas covert actions during the proceedings

2018-10-04

there has been an exponential rise in the use of ica for resolving international business disputes yet international arbitration is a scarcely regulated specialty industry international commercial arbitration an asia pacific perspective is the first book to explain ica topic by topic with an asia pacific focus written for students and practising lawyers alike this authoritative book covers the principles of ica thoroughly and comparatively for each issue it utilises academic writings from asia europe and elsewhere and draws on examples of legislation arbitration procedural rules and case law from the major asian jurisdictions each principle is explained with a simple statement before proceeding to more technical theoretical or comparative content real world scenarios are employed to demonstrate actual application to practice international commercial arbitration is an invaluable resource that provides unique insight into real arbitral practice specific to the asia pacific region within a global context

Philippines Business

1996

the compendium like an encyclopedia contains entries for most of the foundational principles and concepts underlying arbitration each entry takes a holistic view of international arbitration as they tackle core concepts from both a commercial and an

investment arbitration perspective focusing on the fundamental issues underlying the various topics rather than on the solutions adopted in any particular jurisdiction thus making the compendium a truly cross border transnational resource this innovative approach will allow readers to identify the commonalities as well as the differences between commercial and investment arbitration whether and where cross fertilization has taken place and what consequences it can have this approach allows the compendium to be a tool in promoting the creation of a culture of international arbitration that considers commercial arbitration and investment arbitration as part of a whole but with certain distinct features particular to each
