Over 15 million people have read the #1 New York Times bestseller *Wonder*. Now *Wonder* returns with a companion book of life lessons and inspiration from Auggie's favorite teacher, perfect for back to school. Based on the book that inspired the Choose Kind movement and a major motion picture, readers will fall in love all over again with Auggie Pullman, an ordinary boy with an extraordinary face. Don't miss R.J. Palacio's highly anticipated new novel *Pony*, available now. In *Wonder*, readers were introduced to memorable English teacher Mr. Browne and his love of precepts. This companion book features conversations between Mr. Browne and Auggie, Julian, Summer, Jack, Will, and others, giving readers a special peek at their lives after *Wonder* ends. Mr. Browne's essays and correspondence are rounded out by a precept for each day of the year, drawn from popular songs to children's books to inscriptions on Egyptian tombstones to fortune cookies. His selections celebrate the goodness of human beings, the strength of people's hearts, and the power of people's wills. There's something for everyone here, with words of wisdom from such noteworthy people as Anne Frank, Martin Luther King Jr., Confucius, Goethe, Sappho, and over 100 readers of *Wonder* who sent R.J. Palacio their own precepts.

Seven Days of Wonder

2016-12

A story of life, love, and hope, the perfect antidote to today's world. Phenomenal Clare Mackintosh's *The Incredible Life Affirming New Novel* by the author of the Richard Judy Book Club bestseller *A Boy Made of Blocks*. Tom, devoted single father to Hannah, is the manager of a tiny local theatre. On each of her birthdays, its colourful cast of part-time actors have staged a fantastical production just for her: *A Day of Wonder*. But there is a reason for these shows: Hannah has a heart condition, and Tom wants to make every moment magical for her. Now, as she approaches adulthood and begins to spread her wings, and with the theatre under threat of closure, Hannah and Tom have to learn a new way of living. But maybe, just maybe, one final day of magic might just save them both. A story about finding joy in everyday life, *Days of Wonder* is the most beautiful and uplifting novel you'll read all year. *Days of Wonder* is a heartwarming and magical story, a wonderful read. Libby Page, author of *The Lido*, so powerful yet incredibly gentle and poignant, utterly and completely beautiful. Joanna Cannon, utterly enchanting, a truly beautiful story. Ruth Hogan, this is the most emotionally powerful book we've read all year. Heat Tugs at your heart. Daily Mail fans of Jojo Moyes, before you will love *Days of Wonder*. Made me laugh and cry in turn. Good Housekeeping, a lovely, funny, and very moving novel. Sun It's a long time since a book made me laugh out loud and cry so much. Tracy Rees, a beautiful read. Closer, the publishing sensation of the year. Mail on Sunday on a boy made of blocks, an uplifting read full of humour and heart. Sunday Mirror, readers love *Days of Wonder*. Beautiful, powerful, emotional, heartwarming, bold, touching, heartbreaking, wonderful, outstanding, brave. A must buy, a must read. Between the Pages Book Club, I didn't think Keith's novel *A Boy Made of Blocks* could be topped, but he's done it. Goodreads reviewer, this is a truly wonderful story, and I recommend it to anyone with a heart broken or otherwise. Goodreads reviewer, I can't stress how amazing this book is. I truly believe that 2018's must-read novel has arrived. Whispering Stories catapulted itself into my top five reads of all time. Goodreads reviewer, brilliantly done and backed up with a cast of lovely characters. I adore this book. Goodreads reviewer, just wonderful. A delicately finished story full of joy, loyalty, heartache, and love. Goodreads reviewer, Keith Stuart is fast emerging as one of the UK's great emotive writers when it comes to finding the beauty in everyday life. Ben Veal writes.
