there is a war in progress between god and his forces on one side and the devil and his forces on the other side whether you like it or not you are a part of that war if you have received the lord jesus as your lord and saviour god has enroled you in his army and expects you to fight for him and with him if you have not yet received the lord jesus as your lord and saviour then you are on the devil s side fully registered in his army even if you have good intentions if you do not yet belong to the lord jesus then the devil wants to ensure that you never leave his army if you already belong to the lord jesus then the devil aims at making you as ineffective as possible using you as a spy to betray the lord jesus you cannot be neutral by your every thought word and deed you are helping to advance one of the two sides in the conflict with your every second minute hour and day you are either working with god for the advancement of his army and kingdom or helping the devil his rival to build his army and kingdom you do well to choose rightly the lord jesus won the great victory over the devil and his host on the cross we consider it a great privilege to proclaim that victory we are compelled by the very nature of the truth to present jesus as the saviour teacher deliverer healer and victor even though we have only experienced him as our healer to a limited degree the great extent to which we have seen him work as the deliverer gives us hope that we shall soon see him move in a limitless way as the healer i have consulted the books love not the world by watchman nee and war on the saints by jessie penn lewis as i wrote these messages in addition my experience of walking with christ for 18 years has undoubtedly provided the ground work for this book as companion volumes to this book we have also written deliverance from demons and the

overthrow of principalities it will be necessary to read these two books to have a complete picture of spiritual warfare as we see it

ammunition for spiritual warfare is a must have for every child of god that has determined to win battles of life midnight is the time that powers of darkness alter the destiny of many every night activity of satanic kingdom against you this season will come to nothing in jesus name believers must be active participants in the spiritual realm praying at midnight has great effects on the operations of the dark kingdom reduce your sleep as they meet to determine your fate you go on your kneel and determine theirs scatter their meeting and strip them powerless why pray at midnight midnight between 12 00am 3 00am is known to be the most spiritually active period of the day you will notice that dreams revelations attacks visitations from the spirit world both by angels and demonic powers often come at this time especially when you are sleeping and the reason is simple human beings are easily overwhelmed while asleep naturally the body is weak at this time and this makes it

susceptible to spiritual manipulation for one to be powerful in the spirit world the person s human spirit must be guided by a higher spirit which in the case of a christian is the holy spirit midnight is always a period of intense spiritual activities both by the kingdom of god and the kingdom of satan if you must control activities around you and dismantle satanic ordinances in your life then you must learn to wake up at midnight to fight against the powers of darkness

while praying and fasting for the local churches god gave us the answers we had been seeking it was not what we expected have you ever wondered why we do not see the works of the holy spirit in the church have you ever wondered why christians seemed to be so vexed and smitten i know i have before we can see the good fruit jesus told us to bear we have to uproot the bad fruit we have to seek him in spirit and in truth we have to die to self i feel it is impossible for god to dump great authority and anointing in a people when we have been unfaithful to him in the small matters i believe he is looking for people like you and me who will sacrifice and seek when we seek we must then obey this book is an act of obedience to the lord on my part knowing full well there will be persecution and opposition you can fill the sea with the things i do not know or

no more general routine and unfocused praying this book lays the foundation for engaging in spiritual warfare by effective pointed biblically based prayer part i presents in the first chapter a solid theological foundation treating worldview the reality of the spirit world and our resources the next chapters show the place of prayer in warfare and delineate some strategies tactics and cautions part ii suggests some pattern warfare prayers for personal church and world needs believers have used some of these very effectively to see the lord intervene and remove oppression and obstacles winning the war through prayer is like a bucket of cold water thrown onto a largely lukewarm church for those who have already experienced the power of demonic forces and the triumph of christ this book will give them more practical knowledge of how to confront the enemy for those who

have ignored the biblical teaching about our invisible war such readers will be jolted in to reality their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us dr erwin lutzer in my evaluation this book is the best presentation of biblical warfare praying that has been written god has use fred to write an articulate doctrinally sound biblical call to warfare praying that exceeds anything yet written an academic and biblical study a very useable and much needed document dr mark i bubeck
