Proficiency in Grammar and Language for CXC 2014-11

throughout the caribbean there is concern about the standard of writing among students this concern is verbalized in numerous reports from the caribbean examination council cxc on students performance in english in their certification examinations hard words offers solutions to this problem by exploring the effects of english based creole on students writing and by promoting reading as powerful tool that can assist students and teachers in the classroom existing studies of adolescents leisure reading rarely afford the opportunity to observe them engaging with reading material over an extended period in hard words the author uses observations and in depth interviews to gauge students reaction to different reading material reading related activities and streaming this study is unique in its provision of a programme to promote a culture of leisure reading as well as a mechanism for assessing the relationship between reading for pleasure and writing it also offers insights into students thoughts about reading their preference of reading materials and activities that can be used to encourage them to read more through the use of figures tables samples of students writing and useful references the book provides a valuable source of teaching strategies for caribbean students in classrooms both within and outside the caribbean

Literatures in English for Cape Unit 2 Cxc 2014-01-21

linguists researchers and other practitioners in language education acknowledge that the resolution of language problems associated with breaking down language and cultural barriers that hinder the growth of learners self identities and national identities is ongoing in fact even with decades of research in home language use in the classroom there are still classrooms worldwide where learners are deprived of the opportunity of building their self esteem confidence and autonomy by communicating with their native language the global nature of communication requires speakers to use all the languages in their repertoire effectively thus reinforcing the need to encourage home language use in classrooms transformative pedagogical perspectives on home language use in classrooms is a cutting edge research publication on the effective use of home language in the classroom that emphasizes the significance of this activity to the success of the overall language development of the learner particular attention is given to transformative pedagogy and the provision of valuable insights into how the teacher can guide and assist learners in the development of critical thinking skills in addition the book provides content that enables practitioners in language education and parents to explore their roles in assisting children in breaking down the language and cultural barriers that hinder the growth of their self identity and national identity highlighting topics such as engineering education cultural responsiveness and transformative pedagogy this book is essential for linguists academicians education professionals curriculum designers policymakers administrators instructional designers researchers and students
