The Lord from Heaven 1984-03-15 the day of the lord on a nation is its just judgment by god a nation s full accountability to the just and loving god for the nation s sins throughout its history in the bible the day of the lord refers to god s just judgment of a nation far more often than to jesus return to earth which also is a good meaning the bible shows many examples of his judgment of ancient nations as whole units national judgments have continued through the centuries after biblical times but have become especially common in the last 80 years as nation after nation has come under atheistic communism or another dominating spiritual darkness as with individuals a nation that has sinned badly can be justly blessed by joining itself to the lord jesus and receiving his sacrifice for sinful mankind this little book is written to show this vital picture in the bible so that believers in jesus will turn to him and hear him accurately

A Nation Accountable Its DAY of the LORD 2015-01-09 that the life story of this servant of Christ should be chronicled for others was inevitable for there is so much in that life equally certain though the author was the only one who knew it then was the fact that it should be written by me for a period of five or more years I had prayed that when the time should come for Dr Ironside's biography to be recorded I might be the one selected for the task there is doubtless much that I have overlooked in chronicling the lifework of Harry Ironside what I have written has been done to the end that Christ in all His power and beauty and faithfulness may be seen in what has been wrought through His servant and that men and women may be encouraged along life's path and incited to fuller yieldedness to the Lord through the record of a faithful steward e s e

The Lord Is Gracious, and Full of Compassion; Slow to Anger, and of Great Mercy 2024-03-15 book 2 in a 4 book series which teaches and explains with exhaustive scripture references the gospel of universal reconciliation that Jesus Christ is the saviour of all men not some men but all men God was in Christ reconciling the world everyone unto Himself not imputing their trespasses unto them and hath committed unto us the word of reconciliation 2 Corinthians 5:19

Days of the Lord: Volume 1 2022-03-12 rev 12/14 and to the woman were given two wings of a great eagle that she might fly into the wilderness into her place where she is nourished for a time and times and half a time from the face of the serpent

concerning nourishing the church for the last time i had an argument with a jehovah witness he saying that jesus christ is not god the father it is true that jesus said that god the father had more honor then he but mother church mainstream know that jesus the father and the holy spirit are one and have equal power and the trinity created the universe i could not argue him into believing that jesus and the father are one and that jesus is the father as isaiah 9 6 says why wont jesus show this jehovah witness who he really is luke 10 22 all things are delivered to me of my father and no man knoweth who the son is but the father and who the father is but the son and he to whom the son will reveal him that means jesus will not reveal to all people who jesus really is or that jesus is really the father that is why some christians believe jesus christ is the father and some dont jesus hasnt revealed himself to the jehovah witnesses so dont try to argue with them have a little faith in jesus christ and the force psalm 98 1 o sing unto the lord a new song for he hath done marvelous things his right hand holy spirit and his holy arm hath gotten him the victory i had always thought that i would inform the church before jesus arrived that the s coming was about to take place but isaiah 30 25 and there shall be upon every high mountain every nation and upon every high hill nation rivers and streams of waters water means gospel in the day of the great slaughter when 1 3 of humans die when the towers nations fall that means my gospel of the intergalactic jesus christ superstar will not hit the streets or media until after the towers fall after the s coming then the gospel will overwhelm the earth it will overwhelm the christian right who believe in the rapture pretrib midtrib and post tribulation isaiah 28 14 wherefore hear the word of the lord ye scornful men the rightwing will scorn the gospel of intergalactic christianity that rule this people which is in jerusalem the right wing rules jerusalem politically 15 because ye have said we have made a covenant with death rapture doctrine and with hell are we at agreement antichrist in temple doctrine and wiii when the overflowing scourge shall pass through death of 1 3 of human race it shall not come unto us because christians believe of being teleported to heaven and miss out on the trouble for we have made lies our refuge and under falsehood have we hid ourselves rapture doctrine 17 judgment also will i lay to the line and righteousness to the plummet and the hail gospel of intergalactic christianity shall sweep away the refuge of lies rapture doctrine and the waters the new gospel shall overflow the hiding place the christian right wont be able to hide from the gospel of 114 books of intergalactic jesus christ superstar 18 and your covenant with death rapture wiii etc shall be disannulled and your agreement with hell shall not stand when the overflowing scourge death of 1 3 shall pass through then ye shall be trodden down by it 19 from the time that it goeth forth it shall take you the gospel will be everywhere for morning by morning shall it pass over by day and by night and it shall be a vexation terror only to understand the report the message of the new gospel is a terror 21 for the lord shall rise up as in mount perazim he shall be wroth as in the valley of gibeon when he made the sun stand still that he may do his work his strange work and bring to pass his act his strange act 1 3 of human race killed

The Life of the Lord Jesus Christ 1917 a book that looks at the whole concept of the very presence of the lord god almighty and how as part of the new covenant through the blood of the lord jesus christ we received a new deal regarding the very presence of god

The Lord of All Good Life 2009-10-07 this book is a series of addresses on the sayings and doings of jesus during the days of a religious retreat held in the neighborhood of caesarea philippi this withdrawal of jesus to the quiet of the hills which cluster round the northern end of the valley of the jordan has been strangely neglected its momentousness as an epoch in his life and the depth and significances of its teaching have been overlooked the purpose of these studies is to set the events of this quiet season and its solemn words in relation to the purpose of christ s life and death and to expound their teaching for faith and righteousness the title of the book has been chosen not for the music of its sound but for the fitness of its meaning to his chosen disciples in those days of seclusion at the summit level of his ministry jesus disclosed the secret of the lord

Lord, I Need Grace to Make It Today 2015-12-03 it s hard to be the only one that single sentence from a teenage congregant sums up the conviction that motivated christian theology for a secular society in these dying days of christendom the reality that most western christians face is living out their faith as a minority in the midst of a culture that is at every level

personal institutional and societal secular in nature while most living in western societies still affirm belief in god and often other vaguely recognizable christian beliefs these affirmations frequently have little to do with how daily life is lived the idea that the god best known to us in jesus christ is actually in charge of life is foreign for most christianity simply does not form an overarching system of meaning that shapes life instead life is lived largely without reference to god and to live any other way is often hard in this volume mark mckim sets out to do theology in this context how does one explain the core historic christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing what does it mean to be the church in this new situation throughout mckim asks the question so what as he relates christian teachings to a secular society and to what is actually happening in the local church mckim's goal is to enable the singing of the lord's song in the new and strange land of a secular society
