## Reflections of a Thankful Heart

2000

i have found that gift books are a good and easy way to look into a christian writer s beliefs even if it s a writer that you don t generally prefer i confess i don t like lori wick s fiction but i never really had a chance to look into the life of the lady herself in this book amid wick s numerous reflections and stories i found a lovely woman who is in fact not unlike me i may not like wick s fiction but her non fiction tales in this book are a delight to read i loved reading about her experiences as a mother wife and woman in general with god directing her life wick wonderfully relates life lessons with her experiences and applies the gospel seamlessly to the struggles a christian faces along with her inspiring stories are beautiful paintings and various quotes both biblical and otherwise which blend together to make this book a gem to read i highly recommend this book as a gift to yourself or someone else i know i ll be repeatedly visiting its pages in the years to come
