Life of Henry David Thoreau

1896

walden yesterday i came here to live that entry from the journal of henry david thoreau and the intellectual journey it began would by themselves be enough to place thoreau in the american pantheon his attempt to live deliberately in a small woods at the edge of his hometown of concord has been a touchstone for individualists and seekers since the publication of walden in 1854 but there was much more to thoreau than his brief experiment in living at walden pond a member of the vibrant intellectual circle centered on his neighbor ralph waldo emerson he was also an ardent naturalist a manual laborer and inventor a radical political activist and more many books have taken up various aspects of thoreau s character and achievements but as laura dassow walls writes thoreau has never been captured between covers he was too quixotic mischievous many sided two hundred years after his birth and two generations after the last full scale biography walls renews henry david thoreau for us in all his profound inspiring complexity drawing on thoreau s copious writings published and unpublished walls presents a thoreau vigorously alive full of quirks and contradictions the young man shattered by the sudden death of his brother the ambitious harvard college student the ecstatic visionary who closed walden with an account of the regenerative power of the cosmos we meet the man whose belief in human freedom and the value of labor made him an uncompromising abolitionist the solitary walker who found society in nature but also found his own nature in the society of which he was a deeply interwoven part and running through it all thoreau the passionate naturalist who long before the age of environmentalism saw tragedy for future generations in the human heedlessness around him the thoreau i sought was not in any book so i wrote this one says walls the result is a thoreau unlike any seen since he walked the streets of concord a thoreau for our time and all time dust jacket

thoreau philosopher essayist hermit tax protester and original thinker led a singular life this biography includes contributions of his relationship with 19th cent authority and concepts of the land

A Historical Guide to Henry David Thoreau

2000

profiles the solitary student of ralph waldo emerson who was well known as a naturalist in his own time but who became posthumously famous for his writings

The Life of Henry David Thoreau

1890

Henry David Thoreau's journal was his life's work: the daily practice of writing that accompanied his daily walks, the workshop where he developed his books and essays, and a project in its own right: one of the most intensive explorations ever made of the everyday environment, the revolving seasons, and the changing self. It is a treasure trove of some of the finest prose in English, and for those acquainted with it, its prismatic pages exercise a hypnotic fascination. Yet at roughly seven thousand pages, or two million words, it remains Thoreau's least known work. This reader's edition, the largest one-volume edition of Thoreau's journal ever published, is the first to capture the scope, rhythms, and variety of the work as a whole, ranging freely over the world at large. The journal is no less devoted to the life within, as Thoreau says: it is in vain to write on the seasons unless you have the seasons in you.

The Writings of Henry David Thoreau

1894

This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Contents: Walden, Life in the Woods, A Week on the Concord and Merrimack Rivers, The Maine Woods, Cape Cod, A Yankee in Canada, Canoeing in the Wilderness, Civil Disobedience, Slavery in Massachusetts, Life without Principle, Excursions, Natural History of Massachusetts, A Walk to Wachusett, The Landlord, A Winter Walk, The Succession of Forest Trees, Walking, Autumnal Tints, Wild Apples, Night and Moonlight, Aulus Persius Flaccus, The Service, Sir Walter Raleigh, Prayers, Paradise to be Regained, Herald of Freedom, Thomas Carlyle and His Works, Wendell Phillips, Before the Concord Lyceum, A Plea for Captain John Brown, The Last Days of John Brown, After the Death of John Brown, Reform and the Reformers, The Highland Light, Dark Ages, Poetry, Poems of Nature, Epitaph on the World, I Am a Parcel of Vain Striving, Tied I Am, The Autumnal Sun, I Knew a Man by Sight, Indeed, Indeed, I Cannot Tell, Low Anchored, Cloud, Mist, Pray to What Earth They Who Prepare My Evening Meal, Below, Within the Circuit of This, Plodding Life, Omnipresence, Inspiration, Quatrain, Mission, Delay, Translations, The Prometheus Bound, of Aeschylus, Translations from Pindar, Collected Letters, Biographies, Henry D. Thoreau by F. B. Sanborn, Thoreau by Ralph Waldo Emerson. Henry David Thoreau (1817-1862) was an American essayist, poet, philosopher, abolitionist, naturalist, surveyor, and historian. A leading transcendentalist, Thoreau is best known for his book *Walden*, a reflection upon simple living in natural surroundings, and his essay *Civil Disobedience*, an argument for disobedience to an unjust state.

The Writings of Henry David Thoreau

1895

To coincide with the bicentennial of Thoreau's birth in 2017, this thrilling, meticulous biography by naturalist and historian Kevin Dann fills a gap in our understanding of one of modern history's most important spiritual visionaries by capturing the full arc of Thoreau's life as a mystic, spiritual seeker, and explorer in transcendental realms. This sweeping epic biography of Henry David Thoreau sees Thoreau's world as the mystic himself saw it, filled with wonder and mystery.

native american myths and lore wood sylphs nature spirits and fairies battles between good and evil and heroic struggles to live as a natural being in an increasingly synthetic world above all expect great things critically and authoritatively captures thoreau s simultaneously wild and intellectually keen sense of the mystical mythical and supernatural other historians have skipped past or undervalued these aspects of thoreau s life in this groundbreaking work historian and naturalist kevin dann restores thoreau s esoteric visions and explorations to their rightful place as keystones of the man himself

The Writings of Henry David Thoreau: Familiar letters. 2023-11-26

it s july 4 1845 a soft spoken young man named henry david thoreau has carefully constructed a small simple cabin in the woods overlooking walden pond for the next two years his closest companions will be the chickadees the woodchucks and the quiet pines of the walden woods henry is twenty eight years old and his life has not been easy his brother john his closest friend and companion has died the only woman he ever loved has rejected him on this day he has come to walden in search of truth not the truth taught in schools or in church but the truth he can feel dwelling deep within him henry opens his journal and begins to write i went to the woods because i wished to live deliberately to front only the essential facts of life and see if i could not learn what it had to teach and not when i came to die discover that i had not lived follow henry into the woods and out again through a courageous american life that has changed our world for the better for ages 12 and up

Expect Great Things

2017-01-03

from 1837 to 1861 thoreau kept a journal that began as a conventional record of ideas grew into a writer s notebook and eventually became the principal imaginative work of his career the source of much of his published writing the journal is also a record of his interior life and of his monumental studies of the natural history of his native concord massachusetts unlike earlier editions the princeton edition reproduces the journal in its original and complete form in a reading text free of editorial interpolations but keyed to a comprehensive scholarly apparatus journal 8 1854 is edited from the 467 page notebook that thoreau kept february 13 september 3 1854 it reveals him as an increasingly confident taxonomist creating lists that distill his observations about plant leafing and seasonal birds two particularly significant public events took place in his life in the summer of 1854 on july 4 at an antislavery rally at framingham massachusetts thoreau appeared for the first time in the company of prominent abolitionists delivering as heated a statement against slavery as he had yet made and on august 9 ticknor and fields published walden the book thoreau had been working on since 1846 in journal 8 thoreau indicates that these public accomplishments though satisfying took a toll on his creative life and did not fully compensate him for the hours spent away from the woods

The Greatest Works of Henry David Thoreau – 92+ Titles in One Illustrated Edition

2017-10-16

walden details thoreau s experiences over the course of two years two months and two days in a cabin he built in the woods near walden pond massachusetts thoreau compresses the time into a single calendar year and uses passages of four seasons to symbolize human development part memoir part personal quest the book is a reflection upon simple living in natural surroundings where thoreau hoped to gain a more objective understanding of society through personal introspection walking is a transcendental essay in which thoreau talks about the importance of nature to mankind and how people cannot survive without nature physically mentally and spiritually yet we seem to be spending more and more time entrenched by society for thoreau walking is a self reflective spiritual act that occurs only when you are away from society that allows you to learn about who you are and find other aspects of yourself that have been chipped away by society civil disobedience or resistance to civil government is an essay by thoreau in which he argues that individuals should not permit governments to overrule or atrophy their consciences and that they have a duty to avoid allowing such acquiescence to enable the government to make them the agents of injustice henry david thoreau 1817 1862 was an american essayist poet philosopher abolitionist naturalist surveyor and historian a leading transcendentalist thoreau is best known for his book walden a reflection upon simple living in natural surroundings and his essay civil disobedience an argument for disobedience to an unjust state

excursions and poems the writings of henry david thoreau volume v of 20 a few of thoreau s poems taken from the week and elsewhere were added by mr emerson to the volume entitled letters to various persons which he brought out in 1865 but it was not till the volume of miscellanies was issued in the riverside edition that xivthe otherwise unpublished verse of his that had appeared in the dial was gathered into a single volume besides the dial contributions the riverside miscellanies contained a few poems that first found publication in mr sanborn s life of thoreau but the collection was not intended to be complete many of thoreau s poems including his translations from the anacreontics are imbedded in the week walden and excursions and it seemed best not to reproduce them in another volume in 1895 shortly after the publication of the riverside thoreau mr henry s salt and mr frank b sanborn brought out a book entitled poems of nature by henry david thoreau in which were collected perhaps two thirds of the poems which thoreau preserved many of them says the introduction to that volume were printed by him in whole or in part among his early contributions to emerson s dial or in his own two volumes the week and walden others were given to mr sanborn for publication by sophia thoreau the year after her brother s death several appeared in the boston commonwealth in 1863 or have been furnished from time to time by mr blake his literary executor this volume contained a number of poems which had not before appeared in any of thoreau s published books such poems are now added to those of the riverside edition the present collection however no more than its predecessors pretends to completeness it includes only those of thoreau s poems which have been previously published and which are not contained in other volumes of this series a list of xvthe poems and scattered bits of verse printed in the other volumes will be found in an appendix the journal also contains especially in the early part a number of heretofore unpublished poems which it seems best to retain in their original setting

A Mind with Wings

2006-04-11

books of natural history make the most cheerful winter reading i read in audubon with a thrill of delight when the snow covers the ground of the magnolia and the florida keys and their warm sea breezes of the fence rail and the cotton tree and the migrations of the rice bird of the breaking up of winter in labrador and the melting of the snow on the forks of the missouri and owe an accession of health to these reminiscences of luxuriant nature
