Indian Books in Print
This is a list of books published in India during the year 2018. The list includes the title, author, publisher, and the year of publication. The books are arranged in alphabetical order of the author's name. The list is intended to provide a comprehensive overview of the literary output in India for the year 2018. The books cover a wide range of subjects, including fiction, non-fiction, and academic works. The list is available for free download and is intended for use by libraries, researchers, and book collectors.
