2013-06-25 this is the first full length study of the work of gothic novelist v c andrews andrews s ability to create adolescent characters who are caught uncomfortably between childhood and adulthood has won her millions of teenage readers she focuses on the female adolescent experience and connects with her readers by creating characters who reflect adolescent struggles confusion and pain huntley shows that the power of andrews s novels lies in her creation of an enthralling nightmare world like a fairy tale gone berserk in which the young heroine struggles with adolescent fears and frustrations in suddenly dangerous and bizarre domestic settings huntley locates the novels in the tradition of the female gothic which andrews refashioned into her own brand of gothicism a blend of

the gothic with horror fiction and the fairy tale huntley s study of andrews s novels provides close textual analysis the discussion of each novel is subdivided into sections on plot character development and point of view thematic development generic conventions and alternative critical perspectives such as feminist and psychological approaches which offer additional insight and help to explain the attraction of adolescent readers to the andrews novels the novels and series covered in this work include flowers in the attic the dollanganger chronicles petals on the wind if there be thorns seeds of yesterday garden of shadows my sweet audrina and the casteel story heaven dark angel fallen hearts in addition huntley discusses the novels written under the name v c andrews by andrew niederman after v c andrews s death in 1986 this study will open up possibilities for discussion about andrews s work its popularity strange durability and its special appeal to young adult readers a must for secondary school and public library collections

Magyar nemzeti bibliográfia 1996 this book analyses the tendencies in european education the contributions to this work are as varied as europe s countries notwithstanding their variety they all share this they focus on the european education area which is steadily gaining significance in the context of the european unification and integration process die vorliegende publikation thematisiert entwicklungstendenzen im bildungswesen in europa das spektrum der beiträge ist ebenso vielfältig wie die länder europas trotz dieser vielfalt haben alle beiträge auch etwas gemeinsam sie machen auf den europäischen bildungsraum aufmerksam wie er im kontext des europäischen einigungs und integrationsprozesses stetig an bedeutung gewinnt
