100 updated with latest ncert exemplar crisp revision with quick review concept clarity with mind maps concept wise videos latest typologies of questions with mcqs vsa sa la 100 exam readiness with commonly made errors expert advice the solution to the growing problem of stress and burnout in rabbis written by a practicing clinical psychologist who spent 10 years as a congregational rabbi the rabbi as symbolic exemplar by the power vested in me presents positive solutions to the inevitable negative effects of symbolic exemplarhood coaching rabbis through dilemmas of the inner soul being a rabbi means serving as a symbolic exemplar of the best that is in humankind being experienced

and treated and expected to act as a stand in for god and a walking talking symbol of all that jewish tradition represents the burden of being a symbolic exemplar of god is extraordinary and the struggle to live up to its requirements can be one of loneliness frustration and despair alienating rabbis who tire of living in a glass house the rabbi as symbolic exemplar examines how the symbolic role that serves as the source of the rabbi s authority and power can lead to disillusionment and disenchantment author jack h bloom draws on his own experience as a rabbi who watched the successful career he enjoyed turn into one he desperately wanted to forsake and how he was inspired to become an athletic coach for rabbis this unique book details how symbolic exemplarhood is created what its downside is what power it offers how it can be used effectively how rabbis can deal with their inner lives and what can be done to help rabbis stay human while maintaining their leadership the rabbi as symbolic exemplar is equally effective as a complete text or as a source of stand alone chapters on specific topics including special tensions of being a rabbi effects of symbolic exemplarhood on the rabbi s family educating rabbis on their power training suggestions curing and healing and the ten commandments for rabbis the rabbi as symbolic exemplar is essential reading for rabbis rabbinical students congregants christian clergy seminarians and anyone interested in what it is to be a clergy person and how they can support the work clergy do the book educates both clergy and laity on the humanity of clergy visit the author s website at jackhbloom com student unit guides are perfect for revision each guide is written by an examiner and explains the unit requirements summarises the relevant unit content and includes a series of specimen questions and answers there are three sections to each guide introduction includes advice on how to use the guide an explanation of the skills being tested by the assessment objectives an outline of the unit or module and depending on the unit suggestions for how to revise effectively and prepare for the examination questions content guidance provides an examiner s overview of the module s key terms and concepts and identifies opportunities to exhibit the skills required by the unit it is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics question and answers sample questions and with graded answers which have been carefully written to reflect the style of the unit all responses are accompanied by commentaries which highlight their respective strengths and weaknesses giving students an insight into the mind of the examiner an ethnographic study based on decades of field research pilgrimage to broken mountain explores five sacred journeys to the peaks of venerated mountains undertaken by nahua people living in northern veracruz mexico punctuated with elaborate ritual offerings dedicated to the forces responsible for rain seeds crop fertility and the well being of all people these pilgrimages are the highest and most elaborate form of nahua devotion and reveal a sophisticated religious philosophy that places human beings in intimate contact with what westerners call the forces of nature alan and pamela sandstrom document them for the younger nahua generation who live in a world where many are lured away from their communities by wage labor in urban mexico and the united states pilgrimage to broken mountain contains richly detailed descriptions and analyses of ritual procedures as well as translations from the nahuatl of core myths chants performed before decorated altars and statements from participants particular emphasis is placed on analyzing the role of sacred paper figures that are produced by the thousands for each pilgrimage the work contains drawings of these cuttings of spirit entities along with hundreds of color photographs illustrating how they are used throughout the pilgrimages the analysis reveals the monist philosophy that underlies nahua religious practice in which altars dancing chanting and the paper figures themselves provide direct access to the sacred in the context of their pilgrimage traditions the ritual practices of nahua religion show one way that people interact effectively with the forces responsible for not only their own prosperity but also the very survival of humanity a magnum opus with respect to nahua religion and religious practice pilgrimage to broken mountain is a significant contribution to several fields including but not limited to indigenous literatures of mesoamerica nahuatl studies latinx and chicanx studies and religious studies description of the product 100 updated with latest ncert exemplar crisp revision with quick review concept clarity with mind maps concept wise videos latest typologies of questions
