the pony express has a hold on the american imagination wildly out of proportion to its actual role in the history of the west the system of transporting mail to california by a relay of lone riders on swift horses ran less than eighteen months in 1860 1861 and failed by every measure of success nevertheless it has become the most iconic symbol of the west scott alumbaugh was so taken

with the pony express that at age 62 he bikepacked 1400 miles of the trail from st joseph missouri to salt lake city utah alumbaugh s journey took five weeks on a route that was mostly off road sometimes through remote territory along the way he came to see the celebrated pony express as a collection of fables based on a few historical facts and reshaped into a symbol of the spirit that won the west on the pony express trail one man s bikepacking journey to discover history from a different kind of saddle recounts scott alumbaugh s experience bikepacking the pony express trail during the summer of 2021 the narrative follows his day to day experiences and impressions the challenges the sites he visited the country he rode through and the interactions with the people he met while taking a fresh look at the real pony express in the context of mid 1800s historical events along the trail the mexican american utah and paiute wars the california and pike s peak gold rushes the overland emigration of hundreds of thousands to oregon and california the exodus of tens of thousands of mormons to utah and the increasingly contentious fight over slavery along with the looming threat of civil war

The Red Pony

1893

camp pony completes the becca trilogy ride em is the first book in the series in its pages the reader first learns about brian rider and the

financial empire he has built by turning his family island estate into a facility where beautiful young women are housed, trained, and sold into sexual slavery as human ponies. You learn why Brian has undertaken this way of building his wealth and power. You meet each of the current group of ponies and how they have been acquired. You meet the people who help them in his enterprise and the hidden reasons why they are willing to do so. The final character you meet is Becca O'Rourke, who is to become his prized pony. Becca is the second book in the series. Here you read how Becca has been led to visit Brian's island in hopes of landing a job after her planned career as a lawyer is effectively killed when she refuses to perform certain additional services for clients of her supervising partner in the law firm she joined after law school. She undergoes two transformations leading her to become a one-of-a-kind human pony and must fight for her very life before achieving freedom. She decides to remain a pony but on her own terms and finds the man wanting to share this life with her. Together they face the future and vow to make a difference in helping those who have helped them or been victims of Brian Rider's enterprise. Camp Pony continues the story of the transformation of the estate into a welcoming sanctuary for prior victims of the international sex slave trade. Becca meets old friends and makes new ones as she and her mate move to convert and expand the estate into its new phase. As Camp Pony more adventures are in store for them, they face tragedy and possible death while struggling to make a difference in the lives

of those they come in contact with they are joined in their efforts by some readily recognizable people active in the alternate lifestyle society who have graciously agreed to be part of becca s story

this beautifully photographed and comprehensive volume covers all the most important aspects of equestrianism from a first encounter with a horse to how to take one into a competition including a

although john steinbeck s novellas of mice and men the red pony and the pearl are works of fiction they provide a window on the history of the times and places they portray studying the historical social economic and regional background of each novella is important to fully understanding each work this interdisciplinary collection of rich collateral materials features a variety of primary documents that shed light on the background of each of these novellas the pioneer days and life on the western frontier the early history of california the gold rush the plight of the migrant worker during the great depression the problems of the homeless and the hopeless and oppression in mexico in the early 20th century documents include memoirs of mountain men and pioneers books of travel sociological studies a political treatise a journal reports of u s commissions a comic memoir and an interview with a salvation army general who worked with the downtrodden during the 1930s most of these materials are not available in printed form anywhere else the purpose of this volume is to explore through analysis and collateral readings the pervasive theme in these novellas the universality of humankind s often futile struggle for a better existence steinbeck shows that the american vision is shaped by the dream of a better life represented in the myth of the west a social and political commentator he dramatizes in all three novellas the social issues of the time the first chapter of this study a literary analysis examines key themes common to all three novellas the remaining chapters place the works in historical context old california and the west

includes accounts of 18th and 19th century travelers to california who dreamed of a better life land ownership examines the meaning of land ownership in the west and its corruption the vagrant farm worker homeless in paradise features memoirs and journals of itinerant workers as well as mark twain s roughing it and a study of the hobo losers of the american dream deals with the homeless and hopeless during the early years of this century and the great depression the american dream in a mexican setting illuminates the lives of the oppressed in mexico which provoked a century of revolutions each chapter concludes with study questions ideas for class discussion and student projects and papers and a list of books for further reading this is an ideal companion for teacher use and student research in english and american history classes
