denied credit applications approved in response to the student loans crisis looming in america and as a community college student himself danny advocates going to a community or state college and doing the maximum number of classes is the best financial decision that can be made versus getting into 100 000 of debt without needing bogus and expensive credit repair agencies danny will emphasize the most effective debt repayment plans and methods to save money on everyday purchases allowing for consumers to be debt free in months instead of years besides student loan debt danny expresses credit unions are the solution for consumers to effectively pay off any type of debt such as credit cards auto loans and mortgages being free of debt will cause their insurance premiums to decrease and increase their chances of better employment in addition consumers will be able to enjoy lives free of bankruptcy saving for retirement and other financial goals will be a breeze despite the financial conditions of a consumer or the economy perfect credit is never impossible and danny proves this in finance 101 the whiz kids perfect credit guide if the knowledge in this book does not
