

Stapleton's Real Estate Management Practice

2014-06-03

previously known as estate management practice the fourth edition of this work has been renamed to reflect current market practice and to embrace the discipline of corporate real estate this book provides a comprehensive study of the management of urban property and is divided into three parts part one considers the diverse nature of the many types of estates and different aspects and interpretations of the management task part two concentrates on the management of leased property repairs service charges and rent reviews and the statutory framework within which the landlord and tenant relationship has developed part three is concerned with the positive management covering both technical skills such as portfolio performance and the professional practice environment in which they are exercised stapleton s real estate management practice is written both for advanced students and practitioners it provides a firm basis for management affecting the decision making hierarchy from tenant to property to portfolio to proprietary unit while retaining the format of previous editions it has been updated to reflect the many changes in the law practice technology and the market place since the previous edition in addition this new edition highlights factors that influence the enhancement of different types of property and the various strategies involved in managing properties from both owners and occupiers point of view
