from new york times bestselling authors vi keeland and penelope ward comes a new sexy standalone novel it all started with a bet when my young son inherited half of his great grandfather s historic inn i decided to move us both to the place where i grew up notice i said half of the inn the other half now belonged to levi miller the famous quarterback who had other ideas about what we should do with the property we won t mention that i accidentally injured him during our first meeting causing him to get eight stitches you could say we got off on the wrong foot we bickered a lot as we both moved into the property while we figured things out he wanted to unload the rundown place which admittedly needed a lot of work i wanted to restore the palm inn to its original beauty and re open it as a bed and breakfast we couldn t agree on anything so levi made me a proposal one he thought i would surely lose if i could sell out the place by the time he had to leave for training at the end of summer he would back off and let me run it but in the weeks that followed we got more than we bargained for while we were living under the same roof levi and i got closer and before i knew it my nightly fantasies about the brawny adonis became a reality not to mention he was so great with my son we were in over our heads in more ways than one because not only was he the last man on earth i should be falling for because of our deal but levi was also my ex s older brother and now the inn was the least of my problems

a new grumpy sunshine standalone novel from 1 new york times bestseller vi keeland when life took an unexpected turn i decided to get out of new york for a while what better place to go than the idyllic small town my father spoke about so fondly when i was growing up laurel lake held the title america's friendliest town for seventeen years running and friendly was just what i needed right now unfortunately friendly wasn't the welcome i got when i arrived instead i got fox cassidy my tall dark and burly neighbor who grunted at me instead of saying hello okay so i might've had his mailbox in my hands the first time we met and it might've been a little crushed after removing it from under my tire and i might've needed his help breaking into the place i was staying in after the key broke off in the lock but still he didn't have to be so grumpy as time went on though i started to notice things about fox other than his glares like how he watched me when he thought i wasn't looking or how fire ignited in his eyes whenever we bickered though i was in laurel lake to escape my problems not create new ones and getting involved with a man like fox screamed trouble even if he was gorgeous and unlike any man i'd ever met but alas problem seemed to be my middle name this year so why not have some fun while i was here for the summer it seemed like a good plan at least until it was time to go home

a new sexy standalone from 1 new york times bestseller vi keeland the first time i met max yearwood was on a blind date max was insanely gorgeous funny and our chemistry was off the charts he also had the biggest dimples i'd ever laid eyes on exactly

what i needed after my breakup or so i thought until my real date arrived turned out max wasn't who i was there to meet he only pretended to be until my real date showed up to say i was disappointed would be an understatement before he left he slipped me a ticket to a hockey game a few blocks away in case things didn't work out on my actual date i tossed the ticket into my purse and went about trying to enjoy the man i was supposed to meet but my real blind date and i had no connection so on my way home i decided to take a chance and stop by the game when i arrived the seat next to me was empty disappointed again i decided to leave at the end of the period just before the buzzer one of the teams scored and the entire arena went crazy a player's face flashed up on the jumbotron he was wearing a helmet but i froze when he smiled you guessed it dimples apparently my fake blind date hadn't invited me to watch hockey with him he'd invited me to watch him play and so began my adventure with max yearwood he was everything i needed at the time fun sexy up for anything and only around for a few months since he'd signed with a new team three thousand miles away max proposed we spend the summer helping me forget my ex it sounded like a good plan things couldn't get too serious when we had an expiration date right though you know what they say about the best laid plans

a new sexy standalone from 1 new york times bestseller vi keeland the first time i met merrick crawford was during my job interview well technically i'd met him twenty minutes earlier when he'd barged into a fitting room a few doors down from my appointment i yelled he yelled after an argument while standing in my bra i proceeded to smash the door into the gorgeous jerk trying to yank it shut as you might imagine i was freaked out when i discovered that the rude guy was my potential new boss yet he didn't seem to recognize me or so i thought until we wound up bickering again during my interview and he told me to go sniff my armpit okay so maybe i hadn't exactly been changing when he walked in on me in my defense i'd been stuck on a hot train for two hours and wanted to make sure i didn't smell i obviously didn't expect to get the job but somehow an invitation to a second interview arrived in my inbox before i left i asked to see merrick i needed to know why i was even in consideration after our disastrous start turned out merrick only wanted to hire me because i was the least competent candidate it seemed his board was making him fill the position against his wishes i didn't really want to work in a place where my boss expected me to fail but i figured maybe i'd enjoy proving him wrong it was a little thing i dubbed the boss project what i wasn't prepared for was that there would be other things i'd enjoy doing to merrick crawford getting involved with the boss wasn't the smartest choice but you know what they say about choices some we regret some we are proud of i just had no idea where this one was going to land

my honeymoon was almost everything i dreamed it would be a tropical paradise turquoise water romantic walks on the beach and loads and loads of mind shattering sex the only thing missing was the groom after seven years of coasting through a relationship with michael my senses were numb a week of passion with a stranger was just what i needed to clear my head and take back control of my life but how do you move on when the man that was only supposed to be a fling somehow seeps into your soul and steals your heart

a new grumpy sunshine standalone novel from 1 new york times bestseller vi keeland when life took an unexpected turn i decided to get out of new york for a while what better place to go than the idyllic small town my father spoke about so fondly when i was growing up laurel lake held the title america's friendliest town for seventeen years running and friendly was just what i needed right now unfortunately friendly wasn't the welcome i got when i arrived instead i got fox cassidy my tall dark and burly neighbor who grunted at me instead of saying hello okay so i might've had his mailbox in my hands the first time we met and it might've been a little crushed after removing it from under my tire and i might've needed his help breaking into the place i was staying in after the key broke off in the lock but still he didn't have to be so grumpy as time went on though i started to notice things about fox other than his glares like how he watched me when he thought i wasn't looking or how fire ignited in his eyes whenever we bickered though i was in laurel lake to escape my problems not create new ones and getting involved with a man like fox screamed trouble even if he was gorgeous and unlike any man i'd ever met but alas problem seemed to be my middle name this year so why not have some fun while i was here for the summer it seemed like a good plan at least until it was time to go home they say what happens at the lake stays at the lake but it's not so easy to walk away when

what stays behind is your heart
