The Electronic Church in the Digital Age 2015-11-10

this two volume set investigates the evangelical presence in america as experienced through digital media examining current evangelical ideologies regarding education politics family and government evangelical broadcasting has greatly expanded its footprint in the digital age this informative text acquaints readers with how the electronic church of today spreads its message through internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps christian based video games and online worship become the norm the work split into two volumes reveals the ways that the christian broadcast community affects evangelical traditions and influences american society in general volume 1 explores how electronic media shapes today s christian subculture while the second volume describes how the electronic church impacts the wider american culture analyzing what key figures in evangelical mass media are saying about today s religious political economic and social issues the set concludes by addressing criticism about religious media and the prospects of american public discourse to accomodate both secular and religious voices

Broadcasting & Cable 2008

have you ever wondered why life sometimes is like a roller coaster why sometimes the bad always seems to be getting an edge in the world over the good as i share my personal life experiences with you the words in this book shall guide and locate you to the right answers it is not an easy journey but i promise you it is worth trying every one of us will go through moments of life in search of answers like what is my career what should i be doing with my life whom should i get married to how many children will i have what i need to have achieved by a certain age what if it does not happen as i thought this book brings the element of faith in god that transcends beyond human thinking when you willingly accept the help of god and realize that you need him in your life more than anything else then your life transforms you start soaring up to greater heights that you can only attribute it to god s grace as long as you understand who you are in this world what you are meant to be doing then this world becomes a better place to live in while everyone else is complaining about the world this is true as you read about the lessons god revealed to me by his love to me i promise you god s truth is abstract it never changes so wear your jogging shoes and let us run the race

The Day-Star 1847

the growth of spirit empowered christianity has been nothing short of phenomenal from a handful of believers in the early twentieth century to a global movement today numbering over 600 million people in almost every culture and denomination those who embrace the holy spirit and his gifts are now the fastest growing religious group in the world this book is an authoritative collection from more than two dozen leaders in and scholars of

the spirit empowered movement in asia and oceania focusing on the future of the movement these world renowned scholars address the theological and cultural challenges of the new century and share emerging insights on how the next generation will face them

The Day-star of American Freedom 1855

lorenza shows how god can use a child of little faith to show his strength lorenza s book asks what will you do will you repent of your sins and turn or return to god or will you remain in your sin and serve satan

The Day-star of American Freedom, Or, The Birth and Early Growth of Toleration, in the Province of Maryland 1855

hard work and sacrifice do lead to success but it comes with a price living in excess and three defining moments rocked michael s world success could not fill the void in his life not money not homes cars food alcohol nor drugs the first defining moment is a startling revelation of how living out of control is a path to destruction this epiphany changed him spiritually from the inside out the second defining moment was his impetus to change physically his last defining moment came in november of 2021 during a propane grill explosion burning both legs this is a message of hope no matter what you have done you can overcome he wrote this book for you

Coates's Herd Book 1888

this is a journal created from recordings transcribed of the journey tina went through to find healing from a lifetime of abuse tina started seeing a therapist immediately after leaving an abusive relationship to gain an understanding to why she kept picking bad men into her life she knew something was wrong originally tina started recording her journey in hopes it would help someone else coming out of an abusive relationship she didn t know early memories of her childhood would surface and she would be faced with an even greater pain and sadness in her life her entire world changed from what she knew as a successful business woman and socialite to losing everything and everyone in her life this is a story of pain great sadness the agony of the healing process and seeking god into the final healing she would receive in the desert

Exceeding Abundantly 2014-03-31

and yet we still stand is the second book in the move mountain african american single parent series book two takes you on a political social and economic journey from washington dc to walmart from the top of the heap to the bottom of the pit and from a strategic agenda of disenfranchisement to its execution in the political economic and social arenas we move from impersonal to the personal and from the macro to the micro aspects of the

impact on families and children as the reader travels through the pages we examine the shadow side of human nature from a political perspective the descending and ascending order of events that impact the lives of african americans is exacerbated among single parents hypotheses reasons and justifications are put forth with relation to the why and how target groups are treated we move back in time before the days of the mayflower to answer the why inquiry and move forward stopping to visit the infamous communication of willie lynch to answer the how because education is vital to african americans we take a critical look at public education on all levels and ask are the strategies and techniques used to educate our children by design or are those who develop educational materials using a system of miss education and or selective education in our journey we stop to revisit the workplace experiences of fifteen african american female single parents from the later 20th century and ask when is a change a change the third section proposes the ultimate recommendation one that is not popular in many circles yet is extremely powerful this is a must read for all

Global Renewal Christianity 2016

bits and pieces to help smooth out the lumps on your life s journey is a book about finding help as you navigate your path through life and tackle the various issues and situations that arise at times the mistakes we make due to trusting ourselves when we lack wisdom will compound our efforts and our problems worsen no matter how old we are or how much we think we can handle we can use a faithful trustworthy gentle kind loving stable wise confident forgiving loyal and understanding god to help us along the way family friends and counselors may be available but sometimes they don t have the real life experience behind them to provide the connection we need after reading the bible and not studying it i still had unanswered questions is there more than one baptism what is the trinity what is salvation and what does that mean for me who and what are angels what is prayer about and how do we get results who is wise counsel how does confessing the word of god affect our spiritual path who is satan and so much more through the years i have found these answers through his word by studying it from pastors teachers bible studies and getting results i now have more peace joy love strength faith and confidence in my choices through bits and pieces my personal journey has become remarkably easy and worry free as i have found the savior who supplies my need graciously as i become stronger in him bits and pieces is written from my heart and soul and by god s grace with the simple desire to help others here you can find the support to grow strong prosper and free yourself from most havoc failures illnesses and unhealthy relationships lighten your sorrows grief loss and enjoy a smoother journey once you are strengthened strengthen your brother or sister

Lorenza to His Brothers and Sisters of Little Faith 2019-07-16

there have been many opinions about what happened during the eighteen missing years of jesus life alan jacobs presents and evaluates all the material rendering it accessible for a modern readership and weaving it into a

compelling narrative

TP3 Joy 2024-01-02

everyone loves to receive a gift the more elaborate the wrapping and package the greater the anticipation and excitement to unwrap the package and see what s inside this year readers can experience the same anticipation for the holidays as they learn how to unwrap their own christ centered joy in time for christmas in her new release unwrapping martha s joy author brenda poinsett helps readers unwrap the best present of all a renewed sense of worship in their heart and home using luke 10 and the beloved sisters mary and martha as the scriptural basis for the book poinsett gives readers a fun and lighthearted look at martha s personality and how her homemaking skills were an actual benefit through 25 brief chapters readers will unwrap the secrets of martha s joy readers will be encouraged to embrace and adapt their own martha like characteristics as they create a mary inspired christmas a season where christ is the center of the holiday season

I Am Tina 2014-09-29

an explanation about the nature of material reality and motion how solids liquids and gases come to be the nature of the sun and planets the importance and nature of shapes and dimensional values human evolution the nature of religions and god problems upon earth and possible solutions the history of islam the history of christianity the history of the bible the history of the knight s templar the history of the freemasons notes about wave lengths and frequencies i will prove to you that the earth has never made a circle nor an ellipse around the sun and never will i will prove to you that something does go much faster than light and that it does indeed curve space the stuff that goes faster than light is the sub atomic stuff that presents to us the stuff we call matter how about that and that s just the beginning of surprises
