chronicling the conception and creation of the iconic disneyland theme park as told like never before by popular historian richard snow one day in the early 1950s walt disney stood looking over 240 acres of farmland in anaheim california and imagined building a park where people could live among mickey mouse and snow white in a world still powered by steam and fire for a day or a week or if the visitor is slightly mad forever despite his wealth and fame exactly no one wanted disney to build such a park not his brother roy who ran the company s finances not the bankers and not his wife lillian amusement parks at that time such as coney island were a generally despised business sagging and sordid remnants of bygone days disney was told that he would only be heading toward financial ruin but walt persevered initially financing the park against his own life insurance policy and later with sponsorship from abc and the sale of thousands and thousands of davy crockett coonskin caps disney assembled a talented team of engineers architects artists animators landscapers and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park the catch was that they had only a year and a day in which to build it on july 17 1955 disneyland opened its gates and the first day was a disaster disney was nearly suicidal with grief

that he had failed on a grand scale but the curious masses kept coming and the rest is entertainment history eight hundred million visitors have flocked to the park since then in disney s land snow brings a historian s eye and a child s delight not to mention superb writing to the telling of this fascinating narrative ken burns that will entertain disneyphiles and readers of popular american history publishers weekly a collection of short comics stories expanding on the world of disney frozen brace yourself for mountains of fun as you leap into these comic stories with elsa anna kristoff sven and olaf take part in the arendelle cup and meet new friends from neighboring kingdoms leap back in time to when elsa and anna were kids see what kind of games they played and what records they beat then surprise kristoff with a gift to warm the heart and there is so much more to be found in these adventures of frozen where friendship triumphs collecting over 200 pages of disney frozen comics this volume of disney frozen adventures continues the exploration of arendelle and beyond with heaps of snowy stories you won t forget a collection of disney frozen short comic stories previously published by disney and joe books

read along with disney there s no day quite like a snow day especially when it involves casting snow spells building haunted igloos and riding in

flying sleighs follow along with word for word narration and join vampirina and her friends in this fang tastic story based on a winter themed episode of vampirina in this debut novel peter is a simple man who lives by a simple truth a person gains strength by leaning on his constants to him those constants are the factory where he works the family he loves and the god who sustains him but when news of job cuts comes against the backdrop of an unexpected snowstorm his life becomes filled with far more doubts than certainties with humor and a gift for storytelling billy coffey brings you along as he spends his snow day encountering family friends and strangers of his small virginia town all have had their own battles with life s storms some have found redemption others are still seeking it but each one offers a piece to the puzzle of why we must sometimes suffer loss and each one will help peter find a greater truth our lives are made beautiful not by our big moments but our little ones an icy poetic crime tale set in america s heartland
