emmeline pankhurst fu l ispiratrice della più dura battaglia per i diritti delle donne nella storia dell occidente nel 1903 fondò la women s social and political union un organizzazione militante che ricorse a metodi di lotta estremi incendi di chiese o edifici abbandonati irruzioni nelle sedi istituzionali sabotaggi di linee telefoniche aggressioni a politici e poliziotti molte suffragette tra cui la stessa pankhurst subirono arresti e violenze quest autobiografia fu completata agli inizi della prima guerra mondiale quando nell interesse nazionale la battaglia suffragista fu temporaneamente sospesa nella prefazione la pankhurst avverte la lotta per la

piena emancipazione delle donne non è stata abbandonata essa è stata per il momento semplicemente sospesa quando il fragore delle armi cesserà la richiesta verrà fatta di nuovo se non sarà accordata rapidamente allora ancora una volta le donne prenderanno le armi che oggi hanno generosamente deposto non ci potrà mai essere una pace reale sulla terra finché alla donna la metà materna della famiglia umana non sarà data libertà nei consessi del mondo

La mia storia 2011

questo è un libro forte intenso profondo e un testo impegnativo ma non tanto per lo stile di scrittura che ho cercato di rendere sempre il più fluido e scorrevole possibile quanto piuttosto per i suoi contenuti ho voluto infatti rivisitare il percorso di ricerca interiore che ho portato avanti per lungo tempo per arrivare a spiegare esponendomi in prima persona e senza riserve chi sono oggi e perché anche se questo ha talvolta comportato il dover mettere in discussione anche quello che solitamente si tende a dare per scontato e affrontare determinati aspetti dell'esistenza con cui non è propriamente indolore trovarsi a fare i conti

a master historian illuminates the tumultuous relationship of il duce and his young lover claretta whose extraordinarily intimate diaries only recently have become available few deaths are as gruesome and infamous as those of benito

mussolini italy s fascist dictator and claretta or clara petacci his much younger lover shot dead by italian partisans after attempting to flee the country in 1945 the couple s bodies were then hanged upside down in milan s main square in ignominious public display this provocative book is the first to mine clara s extensive diaries family correspondence and other sources to discover how the last in mussolini s long line of lovers became his intimate and how she came to her violent fate at his side r j b bosworth explores the social climbing of claretta s family her naïve and self interested commitment to fascism her diary s graphically detailed accounts of sexual life with mussolini and much more brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of italy s totalitarian fascist state but also on mussolini himself

Raccontami la mia storia 2016

the present volume is the first study in the english language to focus specifically on italian crime fiction weaving together a historical perspective and a thematic approach with a particular focus on the representation of space especially city space gender and the tradition of impegno the social and political engagement which characterised the italian cultural and literary scene in the postwar period the 8 chapters in this volume explore the distinctive features of the italian tradition from the 1930s to the present by focusing on a wide range of detective and crime

novels by selected italian writers some of whom have an established international reputation such as c e gadda l sciascia and u eco whilst others may be relatively unknown such as the new generation of crime writers of the bologna school and italian women crime writers each chapter examines a specific period movement or group of writers as well as engaging with broader debates over the contribution crime fiction makes more generally to contemporary italian and european culture the editor and contributors of this volume argue strongly in favour of reinstating crime fiction within the canon of italian modern literature by presenting this once marginalised literary genre as a body of works which when viewed without the artificial distinction between high and popular literature shows a remarkable insight into italy s postwar history tracking its societal and political troubles and changes as well as often also engaging with metaphorical and philosophical notions of right or wrong evil redemption and the search of the self
