The Song Remains the Same 2019-12-02

an illuminating history of the song for every kind of music lover often today the word song is used to describe all music a free jazz improvisation a hindustani raga a movement from a beethoven symphony apparently they re all songs but they re not from sia to springsteen archie roach to amy winehouse a song is a specific musical form it s not so much that they all have verses and choruses though most of them do but that they are all relatively short and self contained they have beginnings middles and ends they often have a single point of view message or story and crucially they unite words and music thus a schubert song has more in common with a track by joni mitchell or rihanna than with one of schubert s own symphonies the song remains the same traces these connections through seventy five songs from different cultures and times love songs anthems protest songs lullabies folk songs jazz standards lieder and pop hits when you wish upon a star to we will rock you jerusalem to jolene unpicking their inner workings makes familiar songs strange again explaining and restoring the wonder joy or possibly loathing the reader experienced on first hearing as much about singing musicianship and recording as it is about songwriting this eclectic ride through a unique choice of songs everyone will argue for alternatives is cleverly curated and littered with intriguing details about the creators and their times filled with loving cross references to other songs and deft musical analysis i defy anyone not to leap online to listen to the unfamiliar or re listen to old favourites in light of new detail one of the best games in this book is figuring out why one song follows the other there s always an intelligent often very funny link robyn archer

In The Space Of A Song 2013-07-03

songs take up space and time in films richard dyer s in the space of a song takes off from this perception arguing that the way songs take up space indicates a great deal about the songs themselves the nature of the feelings they present and who is allowed to present feelings how when and where in the space of a song explores this perception through a range of examples from classic mgm musicals to blaxploitation cinema with the career of lena horne providing a turning point in the cultural dynamics of the feeling chapters include the perfection of meet me in st louis a star is born and the construction of authenticity i seem to find the happiness i seek heterosexuality and dance in the musical the space of happiness in the musical singing prettily lena horne in hollywood is car wash a musical music and presence in blaxploitation cinema in the space of a song is ideal for both scholars and students of film studies

Language, the Singer and the Song 2019-01-31

the relationship between language and music has much in common rhythm structure sound metaphor exploring the phenomena of song and performance this book presents a sociolinguistic model for analysing them based on ethnomusicologist john blacking s contention that any song performed communally is a folk song regardless of its generic origins it argues that folk song to a far greater extent than other song genres displays communal or inclusive types of performance the defining feature of folk song as a multi modal instantiation of music and language is its participatory nature making it ideal for sociolinguistic analysis in this sense a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community through repeated instantiations this can lead to disparate communities of practice which over time develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community

Street Songs 2018-11-15

this book based on the clarendon lectures for 2016 is about the use made by poets and novelists of

street songs and cries karlin begins with the london street vendor s cry of cherry ripe as it occurs in poems from the sixteenth to the twentieth century the cries of london and paris exemplify the fascination of this urban art to writers of every period focusing on nineteenth and early twentieth century writers the book traces the theme in works by william wordsworth elizabeth barrett browning robert browning walt whitman george gissing james joyce virginia woolf and marcel proust as well as street cries these writers incorporate ballads folk songs religious and political songs and songs of their own invention into crucial scenes and the singers themselves range from a one legged beggar in dublin to a famous painter in fifteenth century florence the book concludes with the beautiful and unlikely song of a knife grinder s wheel throughout the book karlin emphasizes the rich complexity of his subject the street singer may be figured as an urban orpheus enchanting the crowd and possessed of magical powers of healing and redemption but the barbaric din of the modern city is never far away and the poet who identifies with orpheus may also dread his fate and the fugitive transient nature of song offers writers a challenge to their more structured art overheard in fragments teasing ungraspable the street song may be captured by a literary work but is never finally tamed

The Song of Songs in English Renaissance Literature 2000

treatment of and reference to the song of songs by a variety of authors including spenser and milton many english renaissance texts offer readings of the song of songs by both well known authors such as shakespeare and the long neglected william baldwin robert aylett abiezer coppe and lawrence clarkson this new study looks at the different traditions they represent and most notably the balance in the tension of the song of songs as oral and written carnal and spiritual the introduction presents a historical and theoretical discussion of canticles using a rabbinic model for juxtaposing orality and textuality the author goes on to argue that from the time of ancient sumer through medieval england motifs found in the song of songs are simultaneously sexual and spiritual just as they are likewise oral and textual by attempting to recover oral approaches to any text we encounter a series of forces that act to balance an open oral and sexual understanding of the erotic biblical text against a more closed textual and spiritual reading this balance is then traced through works by baldwin spenser aylett coppe clarkson and milton noam flinker is currently chairperson at the department of english university of haifa

A Book of Song and Service for Sunday School and Home (Classic Reprint) 2016-10-08

excerpt from a book of song and service for sunday school and home the general services ten in all are supposed to be sufficient in number and variety to meet the wants of a sunday school from month to month the majority are simple in structure a few are more elaborate they are intended for schools well trained in music and also for those less equipped in musical ability the use of any particular service in the book is open to free judgment whereby omissions introduction of hymns and other adaptations can be made some familiar congregational tunes will be found in these services they do away with the need of turning to another part of the book for a hymn but do not prevent such a course these church tunes when learned in childhood prepare the pupils for better worship in the church about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The American Song Book 2016

the american song book volume i the tin pan alley era is the first in a projected five volume series of books that will reprint original sheet music including covers of songs that constitute the enduring standards of irving berlin jerome kern the gershwins and other lyricists and composers of what has been called the golden age of american popular music these songs have done what popular songs are not supposed to do stayed popular as such these songs constitute the closest thing america has to a repertory of enduring classical music in addition to reprinting the sheet music for these classic songs authors philip furia and laurie patterson place these songs in historical context with essays about the sheet music publishing industry known as tin pan alley the emergence of american musical comedy on broadway and the talkie revolution that made possible the hollywood musical the authors also provide biographical sketches of songwriters performers and impresarios such as florenz ziegfeld in addition they analyze the lyrical and musical artistry of each song and relate anecdotes sometimes amusing sometimes poignant about how the songs were created the american songbook is a book that can be read for enjoyment on its own or be propped on the piano to be played and sung back cover

Song of Songs 2001-09-24

relationships are a wonderful mysterious often elusive sometimes painful part of the human experience the most intimate of all human relationships according to the bible is that between a husband and a wife it is no surprise therefore that there is a book of the bible the song of songs that focuses on this relationship what is surprising is how little attention is given to the song of songs by scholars by the church and by readers of the bible with this volume tremper longman iii unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about god s love for his people longman s superb study begins with a thorough introduction to the song of songs and its background longman discusses the book s title authorship date literary style language structure cultural milieu and theological content he also canvasses the long history of interpretation of the song of songs a history too often characterized by repression of the text in the commentary itself longman structures the song of songs according to its twenty three poetic units and explains its message verse by verse the exposition is made clearer by longman s adoption of an anthropological approach to the text and by his frequent comparisons of the song of songs with other ancient near eastern literature learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful song of songs to be a timeless celebration of human love and sexuality

Gestures of Music Theater 2014-02

gestures of music theater explores examples of song and dance as performative gestures that entertain and affect audiences the chapters interact to reveal the complex energies of performativity in experiencing these energies music theatre is revealed as a dynamic accretion of active complex and dialogical experiences

Gabriel Faure 2009

the career of gabriel fauré as a composer of songs for voice and piano traverses six decades 1862 1921 almost the whole history of french mélodie is contained within these parameters in this book the distinguished accompanist and song scholar graham johnson places the vocal music within twin contexts fauré s own life story and the parallel lives of his many poets each of fauré s 109 songs receives a separate commentary additional chapters for the student singer and serious music lover discuss interpretation and performance in both aesthetical and practical terms and richard stokes provides parallel english translations of the original french texts

Song of Song 2016

in 2275 can dex a genetically engineered human keep song and his fully sentient vessel fa a from being destroyed

Word-By-Word Translations of Songs and Arias, Part I 1994-03-01

this classic test first published in 1966 has withstood the test of time as a teaching aid for english speaking singers coaches and accompanists in order that their art may be more communicative to the public this word by word translation allows the artist to properly interpret and express the feelings and emotions that the words require at the proper time

The Song of Songs and Other Poems 2009-04-01

this beautifully rendered sequence of traditional poetry tells the story of king solomon of israel and the shulamite girl also included are some songs of bilitis and songs of balochistan

Commentary on the Songs of Songs 2024

this is the first english translation of a major work by rupert of deutz arguably the most prolific christian author since augustine during his lifetime which spanned the eleventh and twelfth centuries rupert engaged in controversies on the eucharist and on predestination and composed works on the trinity salvation in christ and other major theological topics an ardent defender of a monastic theology that focused on the interpretation of scripture and the liturgy rupert is well known also for his distinctive hermeneutical approach to the bible his commentary on the songs of songs builds on the long hebrew christian tradition of allegorical interpretation of this old testament book but adds a radically original dimension to it it interprets the text as a dialogue between jesus and mary and unfolds in this context a novel approach to mary who is presented as the teacher of the apostles and assumed to have participated in the apostolic council described in acts 15 rupert has prefaced his commentary with a letter to thietmar bishop of verden in northern germany as well as a prologue in which he reflects on his experience of being called to perform this exegetical task the complete translation by jieon kim and vittorio hösle of this major work up to now translated only into german is preceded by an introduction that discusses rupert s life and works as well as the history of the interpretation of the song of songs and offers hermeneutical reflections on rupert s methodology

In Search of Song: The Life and Times of Lucy Broadwood 2016-05-23

born into the famous family of piano makers lucy broadwood 1858 1929 became one of the chief collectors and scholars of the first english folk music revival in the late nineteenth and early twentieth centuries privately educated and trained as a classical musician and singer she was inspired by her uncle to collect local song from her native sussex the desire to rescue folk song from an aging population led to the foundation of the folk song society of which she was a founder member mentor to younger collectors such as percy grainger but often at loggerheads with fellow collector cecil sharp and the young ralph vaughan williams she eventually ventured into ireland and scotland while remaining an eclectic contributor and editor of the society s journal which became a flagship for scholarly publication of folksong she also published arrangements of folk songs and her own compositions which attracted the attention of singers such as harry plunket greene using an array of primary sources including the diaries broadwood kept throughout her adult life dorothy de val

provides a lively biography which sheds new light on her early years and chronicles her later busy social artistic and musical life while acknowledging the underlying vulnerability of single women at this time her account reveals an intelligent generous though reserved woman who with the help of her friends emerged from the constraints of a victorian upbringing to meet the challenges of the modern world

"What's Your Favorite Song?" 2015-02-20

if you enjoyed reading about the lady of 6 000 songs in the best seller midnight in the garden of good and evil you will love going behind the scenes to learn more about how the remarkable entertainer and her husband successfully juggled their marriage her hall of fame music career his sign business and at the same time raise ten children though emma kelly was mostly known as the piano player who could seemingly play any song ever written the close friend and collaborator of songwriter johnny mercer is revealed in what s your favorite song to have achieved even greater accomplishments as a wife and mother learn how she and her husband overcame challenges and hardships through the great depression a world war and through the baby boom years to raise ten children who would become an integral part of her musical performances and later successful college educated adults author ross kelly chronicles a firsthand account of a nonstop whirlwind family music fest that will border on feeling out of control only in the end to reveal a loving close knit family guided by their commitment to one another their love of music and a foundation of principles employed by his parents to guide and shape his life and the lives of his nine brothers and sisters far beyond being about a large musical family growing up in south georgia in the 1960s what s your favorite song could almost serve as a guide for how families of any size anywhere can successfully manage their own challenges of juggling relationships careers and children emma kelly was known as the lady of six thousand songs but she could also have been called the lady of six million fans among whom i enthusiastically include myself read this affectionate tribute by her son ross and you will understand why john berendt midnight in the garden of good and evil what makes the kellys such an intriguing family on the surface it was thought that it was simply the musical genius and celebrity of emma kelly the famed lady of 6 000 songs but there seemed to be more much more was it the added dimension of how she and her husband together raised ten children each of whom was an active participant in the kelly family music shows performed around south georgia during the 1950 s 60 s and 70 s or was it the unusual but seemingly highly effective formula george and emma kelly employed to balance their two careers their marriage and raise each of their children to become college educated and successful adults and instill an almost unheard of closeness between each of them that continues to this day or is it that the family legacy that george and emma kelly left today now numbers close to 100 members all of whom carry on that same tradition of a devotion to music and family that began almost eighty years ago perhaps it is all of those factors and even more

Musical Maryland 2017-07-24

in musical maryland the first comprehensive survey of the music emanating from the old line state david k hildebrand and elizabeth m schaaf explore the myriad ways in which music has enriched the lives of marylanders from the drinking songs of colonial annapolis the liturgical music of the zion lutheran church and the work songs of the tobacco fields to the exuberant marches of late nineteenth century baltimore orioles festivals chick webb s mastery on drums and the triumphs of the baltimore opera society this richly illustrated volume explores more than 300 years of maryland s music history beginning with early compositions performed in private settings and in public concerts this book touches on the development of music clubs like the tuesday club the florestan society and h l mencken s saturday night club as well as lasting institutions such as the peabody institute and the baltimore symphony orchestra bso yet the soundscape also includes militia quicksteps sea chanteys and other work songs the book describes the writing of the star spangled banner perhaps maryland s single greatest contribution to the nation s musical history it chronicles the wide range of music created and performed by maryland s african american musicians along pennsylvania avenue in racially segregated baltimore from jazz to symphonic works it also tells the true story of a deliberately integrated concert that the bso staged at the end of world war ii the book is full of musical examples engravings paintings drawings and historic photographs that not only portray the composers and performers but also the places around the state in which music flourished illuminating sidebars by william biehl focus on late nineteenth and early twentieth century song of the kind evoked by the uss baltimore or inspired by the state s history natural beauty and romantic steamboats the book also offers a sampling of the tunes that maryland s more remarkable composers and performers including billie holiday eubie blake and cab calloway contributed to american music before the homogenization that arrived in earnest after world war ii bringing to life not only portraits of musicians composers and conductors whose stories and recollections are woven into the fabric of this book but also musical scores and concert halls musical maryland is an engaging authoritative and bold look at an endlessly compelling subject john barry talley author of secular music in colonial annapolis 1745 56

The Art of Grafted Song 2013-10-28

just as our society delights in citations quotations and allusions in myriad contexts not least in popular song late medieval poets and composers knew well that such references could greatly enrich their own works in the art of the grafted song citation and allusion in the age of machaut author yolanda plumley explores the penchant for borrowing in chansons and lyrics from fourteenth century france uncovering a practice integral to the experiments in form genre and style that ushered in a new school of lyric working across disciplinary boundaries plumley traces creative appropriations in the burgeoning fixed forms of this new tradition to build a more intimate understanding of the shared experience of poetry and music in the generations leading up to and including guillaume de machaut exploring familiar and less studied collections of songs as well as lyrics without music this book sheds valuable light on the poetic and musical knowledge of authors and their audiences and on how poets and composers devised their works and engaged their readers or listeners it presents fresh insights into when and in which milieus the classic ars nova polyphonic chanson took root and flourished and into the artistic networks of which machaut formed a part as plumley reveals old songs lingered alongside the new in the collective imagination well beyond what the written sources imply reminding us of the continued importance of memory and orality in this age of increasing literacy the first detailed study of citational practice in the french fourteenth century song writing tradition the art of grafted song will appeal to students and scholars of medieval french music and literature cultural historians and others interested in the historical and social context of music and poetry in the late middle ages

Art Song 1992

the tradition of telling stories in song goes back centuries in the form of broadsides and ballads topics included love religion drinking legends and early journalism which is how information about disasters political events wonders and prodigies was spread or learned these songs were sung and listened to by villagers and kings john m feierabend has compiled this delightful collection of songs that tell stories this collection is intended for older students who might enjoy hearing the songs sung by their teacher or who might enjoy singing the songs themselves a perfect follow up to the book of children s songtales these songtales are organized by subject matter great places life love and happy endings life love and sad endings other humorous songs sea songs and work songs and life this beautifully illustrated collection is perfect for anyone who wants to pass on the tradition of telling stories in song

The Book of Song Tales for Upper Grades 2024-06-04

this stunningly illustrated picture book debut about the power of music to transform hearts and minds will be an instant classic a cat a boy an elderly woman and a line of students may appear to have little in common but when they pass under the same window each are swept up and transformed in different ways by the magical music that streams toward them and buoys their weary spirits but one day the music stops and the town must work together to save the music that they grew to love the song for everyone is a stunning allegory for the emotional complexities we carry within us the universally soothing effects of music and the importance of community timeless and comforting this picture book is one to read again and again

The Song for Everyone 2020-10-06

includes optional instrumental accompaniments and international phonetic alphabet pronunciation guide

Singer's Library of Song 2005-05

what does it take to hope everything when nashville songwriters mark d sanders and tia sillers composed i hope you dance they unleashed a breathtaking piece of music for the ages that would go on to win coveted awards and grateful hearts a phenomenon in the music industry in 2000 and named one of the songs of the century the lee ann womack recording has been at the top of graduation and wedding playlists for over a decade it has become an anthem for hope and survivorship it has been embraced both as celebration and comfort it was even performed at poet maya angelou s memorial in his tender film acclaimed director john scheinfeld u s vs john lennon explores the power of one song to impact lives in a profound meaningful and sometimes startling ways curated from the stories seen in the film co producer judith a proffer documents the birth and life of the song i hope you dance including four captivating real life stories of faith and hope a homeless woman who finds refuge in dance a quadriplegic whose faith restores her spirit and physical being a father who navigates a parent s worst nightmare and a reluctant bride who ultimately finds her way to joy featuring thoughtful commentary by joel osteen brian wilson vince gill lee ann womack and graham nash with a foreword by tim storey i hope you dance the power of spirit and song is a wondrous look at the possibilities that await when given the chance to sit it out or dance we choose to dance

I Hope You Dance 2015-12-01

who were the folk this question has haunted generations of radicals and reactionaries alike the folk traces the musical culture of these elusive figures in britain and the us during a crucial period from 1870 to 1930 and beyond to the contemporary alt right it follows an insistent set of disputes

surrounding the practice of collecting ideas of racial belonging the poetics of nostalgia and the pre history of european fascism it is the biography of a people who exist only as a symptom of the modern imagination and the archaeology of a landscape directing the flow of global politics today

The Folk 2021-09-07

an essential history of the greatest love poem ever written the song of songs has been embraced for centuries as the ultimate song of love but the kind of love readers have found in this ancient poem is strikingly varied ilana pardes invites us to explore the dramatic shift from readings of the song as a poem on divine love to celebrations of its exuberant account of human love with a refreshingly nuanced approach she reveals how allegorical and literal interpretations are inextricably intertwined in the song s tumultuous life the body in all its aspects pleasure and pain even erotic fervor is key to many allegorical commentaries and although the literal sensual song thrives in modernity allegory has not disappeared new modes of allegory have emerged in modern settings from the literary and the scholarly to the communal offering rare insights into the story of this remarkable poem pardes traces a diverse line of passionate readers she looks at jewish and christian interpreters of late antiquity who were engaged in disputes over the song s allegorical meaning at medieval hebrew poets who introduced it into the opulent world of courtly banquets and at kabbalists who used it as a springboard to the celestial spheres she shows how feminist critics have marveled at the song s egalitarian representation of courtship and how it became a song of america for walt whitman herman melville and toni morrison throughout these explorations of the song s reception pardes highlights the unparalleled beauty of its audacious language of love

The Great Movie Musical Songbook 1995

the musicological study of popular music has developed particularly over the past twenty years into an established aspect of the discipline the academic community is now well placed to discuss exactly what is going on in any example of popular music and the theoretical foundation for such analytical work has also been laid although there is as yet no general agreement over all the details of popular music theory however this focus on the what of musical detail has left largely untouched the larger question so what what are the consequences of such theorization and analysis scholars from outside musicology have often argued that too close a focus on musicological detail has left untouched what they consider to be more urgent questions related to reception and meaning scholars from inside musicology have responded by importing into musicological discussion various aspects of cultural theory it is in that tradition that this book lies although its focus is slightly different what is missing from the field at present is a coherent development of the what into the so what of music theory and analysis into questions of interpretation and hermeneutics it is that fundamental gap that this book seeks to fill allan f moore presents a study of recorded popular song from the recordings of the 1920s through to the present day analysis and interpretation are treated as separable but interdependent approaches to song analytical theory is revisited covering conventional domains such as harmony melody and rhythm but does not privilege these at the expense of domains such as texture the soundbox vocal tone and lyrics these latter areas are highly significant in the experience of many listeners but are frequently ignored or poorly treated in analytical work moore continues by developing a range of hermeneutic strategies largely drawn from outside the field strategies originating in the most part within psychology and philosophy but still deeply r

Song Means: Analysing and Interpreting Recorded Popular Song 2016-04-01

this well researched multi faceted book depicts the relationship between song and society during wwii in the ussr the songs from that era created a true cultural legacy which reflected both the hearts of the individuals fighting and the narrative of the party and state in bringing the nation to victory

Sing to Victory! 2018-10-25

a broadway classic a call to action and an incredibly malleable popular song ol man river is not your typical musical theater standard written by jerome kern and oscar hammerstein ii in the 1920s for show boat ol man river perfectly blends two seemingly incongruous traits the gravity of a negro spiritual and the crowd pleasing power of a broadway anthem inspired by the voice of african american singer paul robeson who adopted the tune for his own goals as an activist ol man river is both iconic and transformative in who should sing ol man river the lives of an american song author todd decker examines how the song has shaped and been shaped by the african american experience yet ol man river also transcends both its genre and original conception as a song written for an african american male beyond musical theater this broadway ballad has been reworked in musical genres from pop to jazz opera to doo wop rhythm and blues to gospel to reggae pop singers such as bing crosby frank sinatra and judy garland made ol man river one of their signature songs jazz artists such as bix biederbecke duke ellington dave brubeck count basie and keith jarrett have all played ol man river as have stars of the rock and roll era such as sam cooke ray charles aretha franklin the temptations cher and rod stewart black or white male or female anyone who sings ol man river must confront and consider its charged racial content and activist history performers and fans of musical theater as well as students of the civil rights movement will find who should sing ol man river an unprecedented examination of a song that s played a groundbreaking role in american history

Who Should Sing 'Ol' Man River'? 2014-10-20

The Common School Book of Vocal Music 2016-05-17

an unorthodox musician from the start singer songwriter joni mitchell s style of composing performing and of playing and tuning the guitar is unique in the framework of sexual difference and the gendered discourses of rock this immediately begs the questions are mitchell s songs specifically feminine and if so to what extent and why anne karppinen addresses this question focusing on the kind of music and lyrics mitchell writes the representation of men and women in her lyrics how her style changes and evolves over time and how cultural context affects her writing linked to this are the concepts of subjectivity and authorship when a singer songwriter sings a song in the first person about whom are they actually singing mitchell offers a fascinating study for the songs she writes and sings are

intricately woven from the strands of her own life using methods from critical discourse analysis this book examines recorded performances of songs from mitchell s first nine studio albums and the contemporary reviews of these albums in anglo american rock magazines in one of the only books to discuss mitchell s recorded performances with a focus that extends beyond the seminal album blue karppinen explores the craft of mitchell s songwriting and her own attitudes towards it as well as the dynamics and politics of rock criticism in the 1960s and 1970s more generally

The Songs of Joni Mitchell 2016-05-26

we are what we listen to that s the premise of this study of 100 songs that have shaped and defined the american experience from the colonial period to the present well known music author james perone looks at 100 songs that helped tell america s story he examines why each song became a hit what cultural and social values it embodies what issues it touches upon what audiences it attracted and what made it such a definitive part of american history and popular culture the chart topping singles presented here crossed gender age race and class lines to appeal to the mass american audience the book discusses patriotic songs minstrel music and sacred songs and hymns as well as music in the broad categories of pop rock hip hop jazz country and folk an introduction provides an overview of the history and significant issues raised by the songs as a whole individual songs are then presented chronologically based on when they were written the revealing commentary for each hit is not only interesting and fun but reveals what it was like to live in the united states at a particular time by unveiling the social economic and political issues as well as the musical tastes that made life what it was

Smash Hits 2016-10-17

dries de crom intends to stimulate the cross fertilization of septuagint studies and translation studies particularly the theoretical framework of descriptive translation studies dts it engages with concepts and theories from dts in order to demonstrate their applicability to the study of the septuagint the aim is not to replace the established methods of septuagint studies but rather to show that they are fully compatible with descriptive approaches to translation the greater part of the volume is dedicated to a meticulous verse by verse comparison between the lxx and mt texts of song of songs as there is at present no full critical edition of the greek texts of song of songs due attention is given to the most important witnesses to the pre hexaplaric text the textual study engages with matters of translation technique textual criticism linguistic interference and the interpretation of lxx song of songs on the basis of this textual analysis the volume explores the question of kaige theodotion and lxx song of song s relation to it as well as the peculiar textual linguistic profile of lxx songs of songs against the background of translational norms interference interlanguage and literary code
