this thought provoking book offers short readings on a wide variety of topics prompted by dr ed cook's engagement with culture and the christian faith in the age of sound bites and instant gratification we sometimes forget that elements of our life deserve more consideration than can be expressed in tweets posts and facebook status updates the chapters are short the writing is pithy and the pages will prompt readers to develop and contemplate their own questions regarding this brave new world in which we find ourselves at the start of the twenty first century just as in life the joy is often in the journey rather than the destination the richness of this reading experience may often be found in the questions contemplated rather than in answers discovered so read enjoy and think a bit you may not agree with everything presented but remember no offense is intended because after all what's offered is just a thought
