in race rights and recognition dean j franco explores the work of recent jewish american writers many of whom have taken unpopular stances on social issues distancing themselves from the politics and public practice of multiculturalism while these writers explore the same themes of group based rights and recognition that preoccupy latino african american and native american writers they are generally suspicious of group identities and are more likely to adopt postmodern distancing techniques than to presume to speak for their people ranging from philip roth s scandalous 1969 novel portnoy s complaint to gary shteyngart s absurdistan in 2006 the literature franco examines in this book is at once critical of and deeply invested in the problems of race and the rise of multicultural philosophies and policies in america franco argues that from the formative years of multiculturalism 1965 1975 jewish writers probed the ethics and not

just the politics of civil rights and cultural recognition this perspective arose from a stance of keen awareness of the limits and possibilities of consensus based civil and human rights contemporary jewish writers are now responding to global problems of cultural conflict and pluralism and thinking through the challenges and responsibilities of cosmopolitanism indeed if the united states is now correctly if cautiously identifying itself as a post ethnic nation it may be said that jewish writing has been well ahead of the curve in imagining what a post ethnic future might look like and in critiquing the social conventions of race and ethnicity

lars est critique littéraire dans un journal suédois un homme plutôt ordinaire à une obsession près il se prend pour le fils de bruno schulz l écrivain polonais assassiné par les nazis en 1942 cette aimable monomanie ne porterait pas à conséquence si elle ne l entraînait pas dans une étrange aventure à la recherche du chef d œuvre disparu de schulz le messie ce roman poignant par les échos qu il éveille est aussi une fable subtile sur l idolâtrie et ce n est pas le moindre de ses paradoxes que de nous mettre en garde contre les délices de l illusion littéraire en redoublant ses artifices

seminar paper from the year 2007 in the subject english history of literature eras grade keine university of freiburg amerikanistik language english abstract introduction my work will try to deal with three representatives of jewish american fiction bernard malamud philip roth and cynthia ozick the common thread among such authors is the fact that all three novels deal with refugees or their descendants and are all based in europe struggling with their jewishness and living it out in various forms the yiddish elements in them and maybe also the implicit criticism or appraisal of each author towards the others e g as a striking example for all the messiah of stockholm itself is dedicated to philip roth each of the european countries that constitute the geographical as well as the historical background of the novels offer a different perspective and or attitude towards judaism and experience it in a different manner the first novel i will examine in my work will be the fixer by bernard malamud a novel which recreates the story of mendel beilis an ordinary man living in czarist russia 1911 who suddenly finds himself accused of the murder of a young russian boy and so of a ritual murder according to the age old lie that jews kill christians to use their blood for passover matzoth 1 or 2 □□□ □□ the unleavened bread the jews ate when fleeing from egypt in the thirteenth century b c since in their perilous flight they could not wait long enough to wait for the dough to rise 3 throughout his work malamud delivers a portrait of anti semitism imprisonment degradation torture and human integrity at the same time the fixer works as a resemblance of the holocaust which malamud otherwise deals with only indirectly 4 also ozick in her work the messiah of stockholm imagines that the manuscript of bruno schulz a polish jew gunned down by the ss in 1942 has resurfaced an obsessive swedish critic believing himself schulz s son announce

with dashing originality and in prose that sings like an entire choir of sirens cynthia ozick relates the life and times of her most compelling fictional creation ruth puttermesser lives in new york city her learning is monumental her love life is minimal she prefers pouring through plato to romping with married morris rappoport and her fantasies have a disconcerting tendency to come true with disastrous consequences for what we laughably call reality puttermesser yearns for a daughter and promptly creates one unassisted in the form of the first recorded female golem laboring in the dusty crevices of the civil service she dreams of reforming the city and manages to get

herself elected mayor puttermesser contemplates the afterlife and is hurtled into it headlong only to discover that a paradise found is also paradise lost overflowing with ideas lambent with wit the puttermesser papers is a tour de force by one of our most visionary novelists the finest achievement of ozick s career it has all the buoyant integrity of a chagall painting san francisco chronicle fanciful poignant so intelligent so finely expressed that like its main character it remains endearing edifying a spark of light in the gloom the new york times a crazy delight the new york time book review
