Quilts and Health 2014-06-01

inspired by the still astonishing quilts made from the 1920s through the 1940s in emporia kansas world renowned for their design and workmanship publishers weekly between 1925 and 1945 women from emporia kansas created some of the twentieth century s most memorable appliqué quilts their designs were the modern quilts of their day they earned both international renown and permanent places in museum collections now bestselling quilt historian barbara brackman and writer karla menaugh bring you seven spectacular new quilts based on those ground breaking originals plus the fascinating history of the women and times that produced the emporia style seven projects include a nine block appliqué sampler featuring flowers swags and festoons timeless designs work with any appliqué technique mix and match elements into your own new classics

Emporia Rose Appliqué Quilts 2004

the most important comprehensive and sumptuously illustrated addition to the literature of quilting since quilts in america

The American Quilt 1993

this book explores the threads between community building and fiber arts essays explore a variety of communities different types of crafts and the unique spaces and places where those communities exist readers will get a sense of how community is established supported and deconstructed to better understand the benefits they hold for community members thinking about how the communities work and why members join and stay within them offers the reader a rich view into the world of fiber arts and the communities within

The Quilt Journal 2024-04-08

culture is a living thing in social settings it is often used to represent entire ways of life including rules values and expected behavior varying from nation to nation neighborhood to neighborhood and beyond even in the smallest localities culture is a motivating factor in the creation of social identity and serves as a basis for creating cohesion and solidarity this book explores the intersection of culture and community as a basis for locally and regionally based development by focusing on three core bodies

of literature theory research and practice the first section theory uncovers some of the more relevant historical arguments as well as more contemporary examinations continuing the research section sheds light on some of the key concepts variables and relationships present in the limited study of culture in community development finally the practice section brings together research and theory into applied examples from on the ground efforts during a time where the interest to retain the uniqueness of local life traditions and culture is significantly increasing in community based development the authors offer a global exploration of the impacts of culturally based development with comparative analysis in countries such as korea ireland and the united states a must read for community development planners policymakers students and researchers
