marking have been provided

## **Reconsidering English Studies in Indian Higher Education**

2023-03-18

the book unravels the politics of representation and the process of exoticising women's bodies through the prism of external gaze and knowledge production it brings out the intricacies of representational discourses around cultural practices of female circumcision fc female genital cutting fgc and islamic veiling focusing on crucial international legal texts and national legislation the book gives an overview of the cultural nuances in fc fgc and juxtaposes it with the indian variation khafz the author studies the international veiling narratives that conjure up a fractured discourse containing aspects of colonialism islamophobia and islamic fashion and maps them with the regional variations of islamic purdah in india the volume explores the cultural practice of khafz and purdah through narratives in india portraying how representational factors from international discourses reflect on the indian context and vice versa amid the world of binaries and polarised opinions the book offers a nuanced analysis of the space in between characterised by narratives from women by situating women's narratives in relation to family community state and international politics the book explores the global indian interplay of discourses on fc fgc and islamic veiling this volume will be of interest to scholars students and readers of gender studies feminism cultural and religious studies sociology south asian studies and international relations

## **English Core Class 12 CBSE Board 8 YEAR-WISE Solved Papers (2013 - 2020) powered with Concept Notes**

2021-12-28

the complex economic problems of the 21st century require a pluralist real world oriented and innovative discipline of economics that is capable of addressing and teaching these issues to students this volume is a state of the art compilation of diverse innovative and international perspectives on the rationales for and pathways towards pluralist economics teaching it fosters

constructive controversy aiming to incite authors and commentators to engage in fruitful debates this volume addresses a number of key questions why is it important for a social science to engage in pluralistic teaching what issues does pluralist teaching face in different national contexts which traditions and practices in economic teaching make pluralist teaching difficult what makes economics as a canonical textbook science particular and how could the rigid textbook system be innovated in a meaningful way what can we learn from school education and other social science disciplines through examining these issues the editors have created a pluralist but cohesive book on teaching economics in the contemporary classroom drawing from ideas and examples from around the world advancing pluralism in teaching economics offers a valuable insight into the methodology and application of pluralist economics teaching it will be a great resource for those teaching economics at various levels as well as researchers

## **Exam Scorer Commerce Class 12**

2018-11-19

the discourse on migration outcomes in the west has largely been dominated by issues of integration but it is more relevant to view immigration in non western societies in relation to practices of exclusion and inclusion exclusion refers to a situation in which individuals and groups are usually denied access to the goods services activities and resources associated with citizenship however this approach has been criticised in relation to gender issues which are very relevant to the situation of migrants the authors in this volume address this criticism furthermore when framed within a north south discourse it may be potentially ethnocentric to assume that the experience of exclusion is cross culturally uniform indeed work on migration issues has invariably been conducted within such a discourse the contributors go beyond this binary discourse of exclusion versus inclusion which has dominated migration research they examine the situation of migrants in the middle east and asia as one that encompasses both exclusion and inclusion addressing related concepts of empowerment ethnocentrism the feminisation of migration and gendered geographies of power liberal constraint and multiculturalism individual agency migrant friendly discourses spaces of emancipation and spaces of insecurity the book highlights current research in the arab gulf states and examines multiculturalism in asia more broadly it will be of particular interest to students and researchers in international labour

migration studies in the middle east and asia
