Interkulturelle Perspektivität als Potenzial bilingualen Geschichtsunterrichts?

2023-06-12

wo liegt das besondere potenzial bilingualen geschichtsunterrichts im vergleich zu deutschsprachigem ein spezifikum ist der durch die bilingualität konstruierte blick auf die vergangenheit der dem deutschsprachigen einen in der zweiten sprache konzeptionalisierten zur seite stellen kann anhand des themas imperialismus zeigt eine schulbuchanalyse mithilfe des concept mapping verfahrens sinnbildungen auf die im deutsch und englischsprachigen rahmen vorherrschen ob bilingual unterrichtete schüler innen beide konzepte eher wahrnehmen zwischen ihnen differenzieren und unter ihnen koordinieren können als deutschsprachig unterrichtete zeigt eine an diese schulbuchanalyse anknüpfende repräsentative fragebogenstudie what is the special potential of bilingual history teaching one specific feature is that the past is explained not only in one but in two languages from a constructivist point of view bilingualism may thus lead to more than one understanding of what in which ways and why something happened in the past as a schoolbook analysis shows imperialism is a great topic to identify different language inherent concepts of the past concept maps reveal mutual and divergent german and english

remembrance cultures a representative questionnaire study that is linked to this textbook analysis asks whether bilingually taught students are more likely to perceive both concepts to differentiate between them and to coordinate among them than students taught in monolingual german history classes

Guide to Reference and Information Sources in the Zoological Sciences

2003-11-30

this five volume documentary collection culled from an international archival search that turned up over 14 000 letters speeches pamphlets essays and newspaper editorials reveals how black abolitionists represented the core of the antislavery movement while the first two volumes consider black abolitionists in the british isles and canada the home of some 60 000 black americans on the eve of the civil war the remaining

volumes examine the activities and opinions of black abolitionists in the united states from 1830 until the end of the civil war in particular these volumes focus on their reactions to african colonization and the idea of gradual emancipation the fugitive slave law and the promise brought by emancipation during the war

2021-07

strictly speaking james carey wrote there is no history of mass communication research this volume is a long overdue response to carey s comment about the field s ignorance of its own past the collection includes essays of historiographical self scrutiny as well as new histories that trace the field s institutional evolution and cross pollination with other academic disciplines the volume treats the remembered past of mass communication research as crucial terrain where boundaries are marked off and futures plotted the collection intended for scholars and advanced graduate students is an essential compass for the field

New Serial Titles

1973

the updated and expanded third edition of this book focuses on the multi disciplinary coupling between flight vehicle hardware alternatives and enabling propulsion systems it discusses how to match near term and far term aerospace vehicles to missions and provides a comprehensive overview of the subject directly contributing to the next generation space infrastructure from space tourism to space exploration this holistic treatment defines a mission portfolio addressing near term to long term space transportation needs covering sub orbital orbital and escape flight profiles in this context a vehicle configuration classification is introduced covering alternatives starting from the dawn of

space access a best practice parametric sizing approach is introduced to correctly design the flight vehicle for the mission this technique balances required mission with the available vehicle solution space and is an essential capability sought after by technology forecasters and strategic planners alike

Canadian Books in Print. Author and Title Index

1975

this book challenges the notion that nature is a city s opposite and addresses the often overlooked concept of urban nature and how it relates to children s experiences of environmental education the idea of nature deficit as well as concerns that children in cities lack for experiences of nature speaks to the anxieties that underpin urban living and a lack of natural experiences the contributors to this volume provide insights into a more complex understanding of urban nature and of children s experiences of urban nature what is learned if nature is not somewhere else but right here wherever we are what does it mean for children s environmental learning if nature is a relationship and not an entity how can such a relational understanding of urban nature and childhood support more sustainable and more inclusive urban living in raising challenging questions about childhoods and urban nature this book will stimulate much needed discussion to provoke new imaginings for researchers in environmental education childhood studies and urban studies this book was originally published as a special issue of environmental education research

The Black Abolitionist Papers

2000-11-09

filled with great strategies you can immediately put to use in your business and personal lives extremely entertaining thought

provoking tyra banks ceo tyra beauty and creator of america s next top model some negotiations are easy others are more difficult and then there are situations that seem completely hopeless conflict is escalating people are getting aggressive and no one is willing to back down and to top it off you have little power or other resources to work with harvard professor and negotiation adviser deepak malhotra shows how to defuse even the most potentially explosive situations and to find success when things seem impossible malhotra identifies three broad approaches for breaking deadlocks and resolving conflicts and draws out scores of actionable lessons using behind the scenes stories of fascinating real life negotiations including drafting of the us constitution resolving the cuban missile crisis ending bitter disputes in the nfl and nhl and beating the odds in complex business situations but he also shows how these same principles and tactics can be applied in everyday life whether you are making corporate deals negotiating job offers resolving business disputes tackling obstacles in personal relationships or even negotiating with children as malhotra reminds us regardless of the context or which issues are on the table negotiation is always fundamentally about human interaction no matter how high the stakes or how protracted the dispute the object of negotiation is to engage with other human beings in a way that leads to better understandings and agreements the principles and strategies in this book will help you do this more effectively in every situation this book is magic for any deal maker daniel h pink new york times bestselling author

The History of Media and Communication Research

2008

a new york times book review editors choice winner of the new deal book award an immersive account of the new deal project that created state by state guidebooks to america in the midst of the great depression and employed some of the biggest names in american letters the plan was as idealistic as it was audacious and utterly unprecedented take thousands of hard up writers and put them to work charting a country on the brink of social and economic collapse with the aim of producing a series of

guidebooks to the then forty eight states along with hundreds of other publications dedicated to cities regions and towns while also gathering reams of folklore narratives of formerly enslaved people and even recipes all of varying quality each revealing distinct sensibilities all this was the singular purview of the federal writers project a division of the works progress administration founded in 1935 to employ jobless writers from once bestselling novelists and acclaimed poets to the more dubiously qualified the fwp took up the lofty goal of rediscovering america in words and soon found itself embroiled in the day s most heated arguments regarding radical politics racial inclusion and the purpose of writing forcing it to reckon with the promises and failures of both the new deal and the american experiment itself scott borchert s republic of detours tells the story of this raucous and remarkable undertaking by delving into the experiences of key figures and tracing the fwp from its optimistic early days to its dismemberment by the house committee on un american activities we observe notable writers at their day jobs including nelson algren broke and smarting from the failure of his first novel zora neale hurston the most widely published black woman in the country and richard wright who arrived in the fwp s chaotic new york city office on an upward career trajectory courtesy of the wpa meanwhile ralph ellison studs terkel john cheever and other future literary stars found encouragement and security on the fwp payroll by way of these and other stories borchert illuminates an essentially noble enterprise that sought to create a broad and inclusive self portrait of america at a time when the nation s very identity and future were thrown into question as the united states enters a new era of economic distress political strife and culture industry turmoil this book s lessons are urgent and strong
