Guidelines for Leading Your Congregation 2013-2016 (Set of 26) 2012-11-01 life as a stay at home dad was nothing like i expected in the first two years i was bored i wasn't sure what i was supposed to be doing but i had all of the time in the world to figure it out in those early days i only had to care for our infant son and a small apartment all of these years later my life today is totally different my family has grown to three children all under six years old my days are booked solid from the moment i wake up at 5 00am until i go to bed at 9 00pm there's play work appointments and adventures in those twelve hours that at least two of my children are awake i'm constantly in motion despite the demands on my schedule i still need to schedule time to take care of myself for most of my time as a stay at home dad i was lost with little direction and no experience i made many mistakes as i learned being a stay at home dad requires so much more than i could've ever imagined humble service is my best advice for dads i've pulled together many of the lessons i've learned to shape a philosophical understanding of my role in our family this book has the vision for stay at home dads along with all of the practical knowledge that you need to be successful this is a guidebook to help you be the stay at home dad that your family deserves

Real Family Values 1995-03 what would happen if your family planned for success just as a business creates a strategic plan for the future research has demonstrated that the lasting great companies consistently outperforming the market decade after decade have one thing in common they all have a clear vision statement mission statement and core values ingrained into their organization and guide their business this book seeks to provide an illustration of applying the successful business practices of vision mission and core values to leading your family as jeff applegate shares his personal experience in this book you will be inspired to apply these principles to leading your family learn how to develop a vision mission statement and core values for your family celebrate rites of passage with your children create a one page plan to guide and create boundaries for decisions create a legacy that you can pass on from generation to generation develop a vision that provides a clear picture of where you are leading your family so that everyone is headed in the right direction learn how to construct a mission statement for your family to answer the question of how to realize your vision think through the core values that are the truths you want to instill in your family by learning to apply these values you will develop clear guidelines and boundaries for both the big and little decisions in your lives create a one page plan for your family to use each day and for generations to come the result will be a legacy of living well jeff applegate is married to julie and they have three children jeff has 30 years experience in building and leading small business and mid sized companies in both the public and private sector he is the ceo of texas injection molding in houston texas he has served the community in industry associations and non profit organizations jeff and his family attend second baptist church in houston

Humble Service 2019-11-26 this rerelease of the popular original edition continues to speak to parents in a society where family values no longer seem to exist if anything today's community standards threaten the family airwaves and movie theaters are drenched with obscenities perversion is glorified divorce is cheap and easy safe sex is promoted instead of abstinence parental authority is undermined sex roles are confused for children such cultural chaos is crippling but in real family values parents will learn how to sort through today's moral confusion remove it from their homes and change the world by zeroing in on the part they love most their families
