HUNTED 2013-02-04 MAKING SENSE OF ULTRA REALISM OFFERS A UNIQUE INSIGHT INTO ONE OF THE MOST SIGNIFICANT THEORETICAL ADVANCES IN 21st century criminology drawing upon popular films and Television series to contextualise and clarify the ultra realist school of thought and providing a theoretically rich yet accessible introduction to the topic

Making Meaning in Popular Romance Fiction 2014-08-07 belzebubs is a trve kvlt mockumentary focusing on the everyday challenges of family life raising kids running a small business and making time for worship except the kids are named lilith and leviathan the business is a black metal band and the worship isn t exactly aimed upstairs in a few short years what started out as improvised social media doodles has now become a wildly successful webcomic with hundreds of thousands of fans the irresistible cartooning of JP ahonen sing no evil combines relatable slice of life humor with over the top occult antics and references from metal music to lovecraftian horror making belzebubs a devil of a good time
