*Lonely Planet Discover USA* 2018-05-01 beginning with rudyard kipling and edith nesbit and concluding with best selling series still ongoing at the time of writing this volume examines works of twentieth and twenty first century children s literature that incorporate character types settings and narratives derived from the greco roman past drawing on a cognitive poetics approach to reception studies it argues that authors typically employ a limited and powerful set of spatial metaphors palimpsest map and fractal to organize the classical past for preteen and adolescent readers palimpsest texts see the past as a collection of strata in which each new era forms a layer superimposed upon a foundation laid earlier map texts use the metaphor of the mappable journey to represent a protagonist s process of maturing while gaining knowledge of the self and or the world fractal texts in which small parts of the narrative are thematically identical to the whole present the past in a way that implies that history is infinitely repeatable while a given text may embrace multiple metaphors in presenting the past associations between dominant metaphors genre and outlook emerge from the case studies examined in each chapter revealing remarkable thematic continuities in how the past is represented and how agency is attributed to protagonists each model it is suggested uses the classical past to urge and thus perhaps to develop a particular approach to life

**Topologies of the Classical World in Children's Fiction** 2019-10 the not for tourists guide to los angeles is the essential urban handbook that thousands of los angelesites rely on daily the map based neighborhood by neighborhood guidebook divides the city into 57 mapped neighborhoods and pinpoints all of the essential services and entertainment hotspots with nft s user friendly icons want to drive around the palm tree peppered concrete jungle like a pro nft has you covered how about sunbathing on a beach we ve got that too the nearest hollywood club holistic health practitioner sports outing or shopping destination whatever you need nft puts it at your fingertips the guide also includes a foldout highway map covering all of los angeles over 150 neighborhood and city maps a guide to tv and movie studio locations listings for the best shopping destinations everything from supermarkets cafés bars and gas stations to information on 24 hour services beaches public transportation and city events nft will help you find a boutique for an oscar gown and then show you how to get there
