The poll of the freeholders of Warwickshire, at the election at Warwick, on the 31st October [&c.] To which is added, the arguments of counsel, and the evidence adduced before the committee of the House of commons for and against the petition of the Coventry freeholders

1821

this book discusses the origins impact and aftermath of the civil war in warwickshire examining administration religion and politics in their social context the focus is mainly on the landed élite but the importance of relationships between members of the élite and their social inferiors is also stressed early chapters discuss the economic and social character of warwickshire a middle section examines the onset of the civil war in 1642 and finally there is a discussion of the economic impact of the war and the administrative political and religious changes of the 1640s and 1650s culminating in an assessment of the significance of the restoration dr hughes takes a critical approach to recent historiography and challenges the concept of a county community the book is intended as a contribution to a general understanding of the civil war rather than as a study of one particular county

The Worthies of Warwickshire who Lived Between 1500 and 1800

1870

foul deeds and suspicious death in stratford and south warwickshire is an exploration of the darker history of the area behind the famous tourist industry of shakespears everyday life on farms and factories carried on just like anywhere else ancient superstitions and curious

legends provided inspiration for the great bard and other authors but real life was punctuated by sudden death jealousy and ruthlessness this book examines some of the most dramatic incidents in detail drawn from contemporary sources newspapers legal documents and coroner's records each case provides a glimpse into life and death in its historical setting the changes in the town both in its architecture and social values from the background to the lives and deaths of its citizens

A Study in the Warwickshire Dialect

1900

warwickshire has seen its fair share of murder down the centuries this latest collection explores notorious crimes from the nineteenth and early twentieth centuries using contemporary documents trial transcripts and newspaper accounts to examine cases that gripped both the county and the nation among the stories included here are the case of edwin james moore who set fire to his mother after an argument over supper at leamington spa in 1907 the coventry bombings in 1939 for which two men were executed in 1940 and the case of thomas ball who was poisoned by his wife in 1848 she was later tried and executed in coventry and was the last woman to be executed in public

Shakespeare's Land: Being a Description of Central and Southern Warwickshire

1893

the beautiful county of warwickshire is one of the most popular of english counties here is a collection of strange tales and local legends from the county

A History of Warwickshire

1889

to those who know warwickshire well it will be unnecessary to either sing its praises as not only one of the most historic but also one of the most fascinating of middle england shires or to urge its claims for the consideration of those who love the fair open country winding roads and pleasant hills and vales this county of whose beauty poets from almost time immemorial have sung possesses an added interest beyond the romantic elements afforded by its history its magnificent survivals of bygone ages in castles manor houses churches

and other domestic buildings in that it is the land of shakespeare around this beautiful district of england still hangs some of the unfading glamour which comes from the association with it of great deeds and great names from amongst the latter of which that of the nation s poet stands out with undimmed lustre as the centuries pass away the wealth of material which confronts both the writer and the artist who seeks to depict with pen and brush some of the most salient features of the county is so embarrassing that selection becomes a task of extreme difficulty what to leave out presents itself as a most pressing problem not easily solved for alas space is not elastic and even when the question is in a measure disposed of it is still pregnant with regrets for the many beautiful things historic places scenes and incidents which have had to be omitted for lack of space to those who know the county only as one of england s central shires perhaps the book may give sufficient pleasure to induce them to visit the places described
