must put her life on the line to discover the identity of the thief but as the airship makes its way across the atlantic towards brazil it becomes clear that nobody on board is quite what they seem and there is no guarantee that any of them will reach rio de janeiro alive a blizzard a farmhouse and a family at war giles and marion wilkerson are celebrating their twenty fifth wedding anniversary they have recently moved to france and it seems like the perfect excuse to invite a few friends and family over vicki wilkerson their daughter has been once before but this time she is bringing a friend her new fiancé akash her father does not approve when vicki s brother also arrives uninvited the situation takes a turn for the worse giles and robbie have not spoken for years tensions begin to rise and not just among the family some of their old friends also have scores to settle with the phone lines down heavy snow on the way and no mobile signal to be had it looks like they will be staying at the farm for far longer than anyone anticipated and it won t be long before bad feeling spills over into violence and murder a remote scottish island plays host to a deadly reunion it paradise death in paradise a long forgotten book conceals a dangerous secret james faraday is about to turn eighty and his daughter has organised a gathering of friends and family at woodford grange to celebrate the big day there will be a marquee in the garden plenty of food and drink and a huge stack of birthday presents one particular gift however is proving difficult to track down for simon turing who works in the local bookshop it is just another order an out of print book of wartime statistics it only takes a day or two for him to locate a copy as soon as the book arrives however things start to go awry the shop is burgled simon is knocked off his bike on his way to the grange and a worker at the estate suffers a fatal accident is it just a run of bad luck or are more sinister forces at work simon is about to find out a remote island in the south pacific plays host to a dozen strangers one of them is a murderer an advertisement in a newspaper brings a disparate group of people to a tropical paradise they will live together for a year work and build a community and film everything that happens for a documentary that will only see the light of day at the end of the trip almost at once things begin to go wrong they are meant to be strangers but some of them have met before they are meant to receive regular visits by the company funding the documentary but nobody ever comes and their only link with the outside world a small portable radio transmitter is incapable of transmitting anything hurrah for the blackshirts the headline screams on 15th january 1934 hilary manningham butler is less than impressed she has inveigled her way into the january club an elite debating society which acts as a recruiting ground for the newly formed british union of fascists the security service is concerned that the club may be receiving funds from a foreign power using her newly acquired contacts hilary is despatched to rome to investigate arriving at the villa of a fellow club member events take a sinister turn when one of the house guests meets with an unfortunate accident hilary is not convinced that the death is accidental and the italian police are quick to come to the same conclusion but can a police force in the pay of a fascist administration ever be relied upon to deliver justice belize british honduras 10th september 1931 as good a place as any to die your predecessor was sitting in that chair when he shot himself you can still see the blood stains on the wall behind you central america 1931 hilary manningham butler is settling into her new job as passport control officer at the british legation in guatemala city her predecessor giles markham is dead having embezzled a large sum of money from the office s visa receipts and then taken his own life freddie reeves a friend at the legation believes there is more to his death than suicide the weekend before he died markham spent some time at a remote coffee plantation in the north central highlands freddie knows the owner of the plantation and invites hilary to accompany him there for the weekend in the hope that she might be able to discover the truth hilary has no intention of getting involved but when a house guest dies in suspicious circumstances it soon becomes clear that she will not be given the choice it s a bomb some fat idiot yelled as i was heading for the exit they ve found a bomb new york 1932 a letter bomb campaign throws the city into a panic and hilary manningham butler is anxious to get away the rms galitia is setting sail for southampton but there will be no respite onboard ship another campaign is in the offing less explosive but equally deadly a series of anonymous letters are being distributed across the decks someone knows far too much about the passengers in first class and venom is spewing in every direction it will not be long before that venom spills over into violence and murder you ll never get me up in one of those things
