they say loves found in love garden but in our case christian found the love of his life in his bike race love at first sight always looks so cute right well not in this case as christian stared on julia s beautiful blue eyes christian forgot about everything and just keep looking on julia s eyes and accident christian was riding his bike but because of losing concentration he falls on the road and gets heavily injured never heard a love story what starts with accident well afterwards christian tries to find his dream girl julia again but christian s younger sister rachel kept her eyes on christian and before our hero chris could find his dream girl again rachel finds out christian s secret treasure the book not made for kids from behind his college s text books time got instated as rachel takes the book for read at night and chris says no but in their conversation chris s mom enters like a war in paradise which book you are talking about let me read too chris s mom asked with an innocent mind not knowing what may be inside the book rachel runs out of the room throwing the book on chris s face and saying to her mom its chris s favourite book chris s face turns red with regret why did he forget to hide his treasure days passes chris s crave desire for see his dream girl julia again becomes louder little did chris knew that he seen julia near the church confused chris asked to rachel for help while finding no extra hands to get help does rachel help yep she does but with a condition not to tell mom about jack now who is jack teenage lovers probably i agree chris says with a deep desire to find his dream girl rachel shares information about julia where she lives and who s daughter is she who s daughter local church s priest s daughter is julia so is julia the church girl who knows chris needs to find it out by himself where can i get julia chris asked to rachel under the oldest oak tree rachel winks on chris chris did not understands the meaning of the wink but the very next day he sits on his bike for the destination of under the oldest oak tree there is julia brown hairs blue eyes glossy pink lips angel like smile and more but there s a catch what is julia doing under the oldest oak tree playing hide and seek with invisible friends ah no she is 19 julia was reading her favourite books which of course she won t read in at home well you guessed it right it was the same book as chris was reading well not for children edition too chris appears in front of julia when she was swimming in the holy water of paradise by reading the books which was not made for kids as chris tries to approach julia julia did not reply how can she she had her all focus on reading such a good girl as chris approaches again this time julia notices chris and gets a wave of apprehension seeing a unknown man got to know about her biggest secret chris says the next chapter is juicier than the current one you are reading i read it all julia gets more fear and started to think did chris found out about her all the secrets well he sure did chris tries to calm julia down but embarrassed

julia immediately picks up her books and runs to her home while thinking about that this is the most embarrassing day in her life can i see you tomorrow again chris asks while smiling slowly julia also forgot her embarrassment and in low and shy voice chris says if you don't let so chris gets the hints the next day chris and julia meet again and they started to develop a friendship among them and it did not take much time to be love days pass again and days by days chris and julia's love gets more stronger and it was the time of chris and julia's second date well first date went well so no need to mention but the second date well a little blunder a massive blunder happens julia gets sick and so she had to cancel the date and chris wasn't happy with that so chris asks julia to stay up at night till 2am julia agrees without knowing why chris said that little the julia knows there ghosts roam around the churchyard in night and there's no way julia will open the window what if the ghost eats julia well how about a bite julia open the window i am here chris calls julia from behind the window at 1am no no no this is must be ghost i won't open the window julia says in her defence thinking the ghost will run away well the ghost could but it's our hero chris he won't give up too easily after half of an hour negotiations julia agrees to open the window but with a twist if it's really ghost the ghost must not kill julia in defence julia complains i am not even married yet that makes chris laughs but chris says nothing while trying to get into his girlfriend's house at 2am julia opens the windows and sees that it's really chris and julia's all fears gets away and julia helps chris to get inside the room and chris also like a nice athlete gets in the room but chris falls on the floor julia laughs seeing chris's athlete skills but then suddenly julia's laughs turns into embarrassment as chris tries to stand up and looks on julia and finds her with fewer clothes for the first time chris seen such heavenly things by his eyes and his eyes gets 2x bigger and he keeps looking in julia understands the tables has turned julia immediately tries to cover herself but finds out nothing and so for an easy solution julia throws the nearby flower vase on chris's face and chris's eyes gets closed and he had to look away at that time julia immediately tried to put on more clothes fast but our hero peeks on julia while pretending to look away julia understands chris will never change and julia smiles on chris after getting dressed and says which boyfriend visits at girlfriend's house at 2am chris answers romantically boyfriends girlfriends may don't but husband wives do it makes julia blush and then julia and chris sits on bed and spends a nice time with cuddling loving and having fun with each other beep footsteps sound whose footsteps julia's mom chris did not waste any more times and hides under the bed while julia pretends to sleep on the bed minutes passed by and julia's mom enters and sees nothing wrong so she goes away but she comes back after sometimes and this time chris does not waste any more times and jumps out of the window with the help of julia but boyfriend julia's mom asked while wondering julia turns back and becomes confused and says nothing with embarrassment want to know what will happen next don't waste your time looking for other books with shirtless male heroes in the cover read angel's love story by somnath bhattacharjee and gets into an exciting world made with unexpected surprises cute romantic moments real love and lots more

although many people today reject christianity for intellectual reasons greater numbers of people are rejecting christianity because it does not engage their imagination christians must not only demonstrate that the christian worldview is true but that it is also good beautiful and relevant the good news of the return of the king the gospel in middle earth is a book that endeavors to show the truth goodness and beauty of jesus christ the gospel and the biblical metanarrative by engaging the imagination through j r r tolkien's the lord of the rings as well as the hobbit and the silmarillion in this book i propose that j r r tolkien's the lord of the rings is a story about what jesus parables are about the good news about the return of the king as a work of imaginative fiction similar to jesus parables the lord of the rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of

familiarity that obscures the gospel for many

she will return by somnath bhattacharjee she will return she will return as the sea water touches the shore she will return as the immigrant birds come back to their own land after the summer she will return she will return as i touch her lips and she drives for more she will return as the true lover comes back her love she will return she will return as the spring comes after winter she will return as the green leaves comes in the old tree she will return she will return as she is being hurt by staying away she will return with the dream of reunion she will return she will return she will return even though she says separation is what she needs now she will return even though a misunderstanding has made a crack in our love she will return she will return as she smiles after hearing my name she will return when she will dream about me at night she will return while daydreaming about me she will return one day we will unite again the love won t be faded away as my lips are sore for not touching her lips as our lips wants to unite again one day we will unite again this is what the god has written in our destiny she will return she will return she will return she will return she knows the comfort she gets in my arms she would not get in 1 day s lover s arms she knows the way she can behave as she is in front of me she cannot behave in front of a new stranger she will return she will forgive as the sun goes down but it comes up the next morning she will return she will return the lyrics of the poem will touch her heart she will return without hesitation she will return she will return with the curls of her brown hairs she will return with the glow of her lips she will return with her brown hazelnut eyes she will sing the song while thinking about me she will see people are smoking cigarette in the smoking smokes she will see even the little smoke is capable for make a fog which can lead a person to dead she will see without her my life will fall in the fog too where the only option for me will be death but i will still say i love you even though i know she will smile even though how much her heart is being broken she will see she will want she will return she will dream she will talk she will love but all after if she returns one day she had to cover her emotions from everyone these days her thoughts gets into my head without telling one day she was alone and had no one to express her emotions now she has me one day she was independent but now she

cannot even spend a day without the love ok she says even though i know ok does not mean okay it s means a new crack has made on her heart probably by me probably because of my ruthlessness probably because i did not listen to her as i should probably because i could have cared a little bit more i ask for forgiveness even though i know one thousand forgiveness letters won t fill up the gap which has made i want to tell you how much i love you but it is impossible to convey in words even though as much as i try to express if i write how much i love you all the papers in the world will be ended if i speak how much i love you blood will come out from my tongue if i sing how much i love you infinity among of music will be made she is beautiful as she is she knows what she is doing she knows how her actions are breaking me down she knows what is going on she knows my condition i know how kind she is i know why she is doing i know her own actions are breaking her down as well i know why is that going on i know her condition but still probably saying sorry and leaving the matter would be easier but would it create any good impact probably addressing the issue was more important probably rather than trying to looking under her dress looking into her eyes could save the love probably i need to say again how much i love her probably tears won t save it probably the poem would not make her feel loved anymore probably she won t find herself in the lyrics of the poem anymore probably she will just look around while accepting the truth she cannot she cannot do it she cannot run on it she cannot walk by the days we spent the way we shaped each other s heart we both know now we cannot live without the presence of each other in each other s life probably we both know if separation is a option then the option is really called death neither i nor she would continue the misunderstanding as we know the childish misunderstanding can create the biggest crack as she cried last night not because of my behavior but because of i said suicidal as a self punishment as her tears fell from her eyes as her heart pain last night as she again understand what can be happen if we don t unite she would not go away if she could go away she could not say that she would take a knife and slit her wrist if i go and put my hands in the eclectic she cannot go away as she knows her destiny is to come to me too i cannot go away too because without her love the life would be colorless because she is the one who filled color in the black and white life she will return she will return not because she wants but because of she needs she will return she will return not because of she thinks it s should not be over but because she knows she cannot live with the half of her soul alone she knows the another half of her soul is inside me she knows she has to come to me she knows she cannot live without me she knows how much i am afraid of losing her she knows how i will give up from my life if she does not walk with me she knows how much i love her she knows how much i want her she knows everything about me i know everything about her but still one question remaining unanswered i ask do you still love me she will return she will return as the sun rises after the long night she will return she will return as she sees we have to unite she will return she will return seeing our destiny is the same she will return she will return while knowing how much she loves me and how much i love her she will return she will return while knowing i and she we both cannot live without each other i am a drug addict by somnath bhattacharjee i see in walls the ngos paste posters not to be a drug addict but i can t help but drive for it more the drug i get is impossible to be found by others not because it s rare but because it s super rare that no one can have it but me the doctors labels thinks as dopamine morphine and other phines but my love for me a to z all drugs starts and ends with you because the way you look the kind you are the way you act the calm you are the love you show makes me an addict of you i am addicted of you even though i try to control whenever i tell to my heart it s enough don t fall more my heart shuts me up and makes me fall for you more my love when i see there are cracks and i think it s time to end it my heart slaps me and tells me not to give up but repair the cracks and that s why i never go i understand my heart that the addicted you made my heart of you he can never be able to live without you so you fear to let you go they say if you love her you should let her go but my love if i let you go then how can i live if you take away my morphine source how can i live if you take away my oxygen how can i live if you take away yourself from me how can i live

my love without you the rainforest of my heart will turn into a deadly desert the flowers which blooms on it s highest today will be faded away and the leaves and the leaves will fall down without waiting for the autumn the drug addict you have made me now neither i can live without you nor i can breathe without you or if i do then it s not a breathe but a plea i was independent but now it s boring without you you have stole my heart and made me addicted of you and now i won t let you go i know it s sounds stupid but i will never let you go from me i will tied you up with the shackles of love but i will never let you go away from me because my love i know i can t live without you but my love how can i tell you all the sweet lines of my poems ends with the name of yours now i am not only a drug addict but i am the happiest person in the world too i can be broke i can be homeless but i am still the rich the rich which makes me happy because the drug i have is you which can give more love and more happiness than anything i not only want you but my love i want to be with you i want to live the beautiful days with you while probably laying under the trees on your lap and you caress my hairs and by your sweet touches i be the writers of more thousands poems they say i am crazy i don t fight with them not even quarrel because i know that i am being crazy i am being crazy by your love but i know if it s all what takes to keep your love then i am willing to do it at last now these days i am happy otherwise the other days the pillows used to be wet with tears i don t want to take cheap supplements anymore because i know that i can t get the love from any supplements which i can get from the sweet heart of yours these days i fall asleep while thinking about you these days i wake up while thinking about you these days i live while thinking about you these days i smile while thinking about you probably one day i will beg on my knees on our wedding day in front of you for your hand to marry you while thinking about you will you say yes or make me cry for your love as you always do when i talk about other girls mistakenly probably i will have to say out loud that how much i love you or paint the whole city and print that i love you but yeah i will never miss a single chance to prove that how much i love you and my love will you say yes my drug addiction will never be faded away i know because my love i know that you will never be faded away from me because my love i know that you can t live without me too but my love when i tell you i am a drug addict how would you react and how would you react when at last i tell you the drug i take is you i am addicted of you probably you will smile or you will laugh or giggle but my love you are my morphine you are my drug and i can t live without my drug and so yeah i am a drug addict no need to take me in clinic for remove my drug addiction just take me in wedding hall with my love and let me enjoy the drug for forever whispers of the heart is a collection of poems of the poem collection series love behind curtains written by somnath bhattacharjee the poem collection is filled with romantic beautiful poems which will touch the hearts of the readers read more exciting and romantic poems written by somnath bhattacharjee

do institutions matter in economic theory or is the economic analysis of  
institutions a distraction from the most important action indeed does vernon  
smith s notion of the institution free core of formal economic theory encompass  
that most important action to explore this question this book opens with an  
informal tour of the economics of system design out of which an economics of  
adaptation ultimately emerged the book then offers explorations via the  
application of the economics of adaptation in both law and economics relating  
to how parties manage relationships within the firm within the context of long  
term contracts and most vividly within the context of antitrust conspiracy

the funny thing about being sober is the punchline to you can t die a day of  
clarity it contrasts in a humorous sometimes explicit way the difference  
between life now and life before rehab drunk or sober the author is weird those  
around him are surprised to learn that he s even weirder sober than he was  
drunk soon after leaving rehab the author learns what he long suspected that  
for decades his alcoholism masked a different illness one that he would now  
have to confront in sobriety he does it mockingly with an irreverent attitude  
and a steady stream of pranks stunts and childish behavior some of which make  
the news and go viral on reddit and buzzfeed the author concedes that there was  
nothing funny about the final shocking years of his alcoholism in fact as time  
goes by he is stunned by how much he missed when he was drinking even though he  
got sober in 2013 he is baffled when he learns that many of his favorite 90s  
musicians died twenty years earlier the author nearly died from alcoholism at  
the time he knew he was dying and accepted it having recovered he refuses to  
accept his new diagnosis opting instead to defeat it his own way instead of  
hiding his peculiarities he puts them front and center he is not afraid of  
stigmas which makes his stories and observations of life thought provoking and  
wildly entertaining

unlike studies that detail how american writers have responded to the physical american landscape this book takes its point of departure from the peculiarities of romance as american writers have understood it romance has always been tied to place but not to literal or regional place even when the topography of romance is represented as a place to which one might actually go it is always as coleridge remarked of spenser s faeryland a mental landscape that landscape is by its very nature visionary so that its details necessarily constitute a trope of perspective it is the space the writer creates in which he or she stands so as to see things better under those particular lights and shadows that make romance possible other writers have and have not been there before while the spaces of romance create the writer s perspective trope the very writing of romance they contain complex allusions to poetic forebears thus this book also explores the function of literary allusion in american romance especially in the nineteenth century

## **Stephen King in the New Millennium 1887**

this volume is centred around the idea that the aim of literature is to build bridges to bring people together and to highlight underlying similarities despite the apparent differences in world literatures as such the book focuses on the moral purpose of literature and its tendency to overcome divisive forces it supports the idea of cosmopolitanism a re working of the ancient indian ideal of vasudhaiva kuttumbakam or the world is my home a concept close to the african notion of ubuntu which refers to an open society as against a small enclosed one and relates to the essence of being human and working for the benefit of a larger community the book uses examples from texts across geographical and cultural borders beginning with classics like the indian epics the panchatantra the kathasaritsagar and the arabian nights before moving on to contemporary texts in the age of information technology although these may originate against diverse backdrops they have a commonality that cannot be denied the stories we tell the tales we love to hear and repeat all share certain features which reach out across boundaries of time and space thus bridging the gap between people and places living in today s globalized world there is a need to study literature in a broader perspective and to be aware that though stories may be rooted in a particular time and place they are still a part of the world heritage and comprise what is called world literature the book will be of particular interest to scholars studying the art of storytelling as well as the lay reader passionate about literature
