thisvolumecontainsaselectionofpapersfromthe5thinternationalconference on the practice and theory of automated timetabling patat 2004 held in pittsburgh usa august 18 20 2004 indeed as we write this preface in the summer of 2005 we note that we are about one month away from the tenth anniversary of the very rst patat conference in edinburgh since

those very early days the conference series has gone from strength to strength and this volume represents the latest in a series of ve rigorously refereed volumes which showcase a broad spectrum of ground breaking timetabling research across a very wide range of timetabling problems and applications timetabling is an area that unites a number of disparate elds and which cuts across a number of diverse academic disciplines while the most obvious instances of timetabling occur in educational institutions timetabling also pears in sports applications transportation planning project scheduling and many other elds viewing timetabling as a unifying theme enables researchers fromthesevariousareastolearnfromeachotherandtoextendtheirown searchandpracticeinnewandinnovativeways

thisvolumecontinuesthetrend of the conference series to extend the de nition of timetabling beyond its edu tional roots in this volume seven of the 19 papers involve domains other than education of course educationaltimetabling remains at the coreof timetabling research and the papers in this volume represent the full range of this area including exam timetabling room scheduling and class rostering

Practice and Theory of Automated Timetabling V

2005

this book discusses multilingual postcolonial common law focusing on malaysia s efforts to shift the language of law from english to malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court proceedings and law lectures the book reflects on what is entailed in changing the language of the law it reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes

Language Choice in Postcolonial Law

2020-02-24

the book comprises papers presented at the 7th international conference on university learning and teaching incult 2014 which was hosted by the asian centre for research on university learning and teaching acrulet located at the faculty of education universiti teknologi mara shah alam malaysia it was co hosted by the university of hertfordshire uk the university of south australia the university of ohio usa taylor s university malaysia and the training academy for higher education akept ministry of education malaysia a total of 165 papers were presented by speakers from around the world based on the theme educate to innovate in the 21st century the papers in this timely book cover the latest developments issues and concerns in the field of teaching and learning and provide a valuable reference resource on university teaching and learning for lecturers educators researchers and policy makers
