the cosmic serpent dna and the origins of knowledge

this new edition of a classic feminist book explains how one of the great historical revolutions the ongoing movement toward equality between the sexes has come about its origins are to be found not in changing ideas but in the economic developments that have made women s labour too valuable to be spent exclusively in domestic pursuits the revolution is unfinished new arrangements are needed to fight still prevalent discrimination in the workplace to achieve a more just sharing of housework and childcare between women and men and with the weakening of the institution of marriage to re erect a firm economic basis for the raising of children when a tanker labeled ladies inc spills in a rural neighborhood the authorities ignore it until it s too late the contents of the spill turn the women of the neighborhood into man hating man killing brutes a simple 5 step solution for increasing raising and elevating your body s natural metabolic rate and achieving a healthy sustainable weight there is a massive wide spread weight and obesity problem in our modern society and it is getting worse an increasing number of adults and children are being classed as obese and getting obese related diseases such as diabetes heart disease and cancer it is clear we have an epidemic on our hands the so called experts are offering advice that just doesn t seem to be working we must go back to basics and we must re learn the fundamentals we must recondition our bodies to burn more energy and become more efficient at burning body fat and this can only be done by understanding and practicing the universal laws that govern our bodies
