from within the pages of one book emerges the considered thought of a man who played a pivotal role in driving the twentieth century s amazing progress from civil aviation to atomic energy both of which he helped to pioneer in a country which the world was wont to consider a mere geographic expression the book consists of excerpts from j r d tata s speeches and chairman s statements to shareholders made over a period exceeding fifty years in the opening section j r d tata looks back over the eventful decades of his life from the 1920s till the 1980s the middle section of the book consists of his thinking on economic matters on industry on planning and human relations the section a strategy for survival includes his views on the population explosion and the presidential system on which he was a pioneering spokesman in the emerging society he looks forward to the evolving polity of the twenty first century

Wings for a Nation - JRD TATA 2018-08-09

actually the entire tata group is the one who has done so much for our country that our tongue will get tired in telling about it day will turn into night but their causes will not end from generation to generation but among all of them there is one very special person jrd by e jamshed ji ratan bhai tata although there are many reasons behind his being special about which i will tell you in detail further but before that let us know a small glimpse about him jrd had citizenship of the independent country france but despite that they chose our pre 1947 slave country and gave so many first time startups to our country whose importance the country understands even today

OK, TATA 2018-11-10

amit writes a riveting history of the tata group and captures the sense of nostalgia associated with jrd tata and the early industrial efforts importantly amit takes a contrarian view of the carefully cultivated image of the group its inflexion points and the family sampath sam iyengar pe investor advisor former global ceo the difference between an entrepreneur and an investor became more distinct to me after i read this book while most investors judge a company by its data an entrepreneur will mine that data and amit has done in his own unique and through manner which i must say is very engaging and an eye opener this book by amit is has insights and revelations about the most trusted companies we have known in india pravin malkani architect and entrepreneur mumbai a frank voice that opines in a no holds barred manner he plays not only the single role of an author but also that of part historian part observer part journalist and part critic loaded with data figures graphs and photographs this quick handy guide about the tatas is a researched compendium replete with analysis and commentary preeyam budhia president business development patton group ok tata is another example of what amit does best challenging perspectives the book doesn t force its ideas on the reader it rather keeps it open and lets the reader draw their conclusions it has a bold take on mr ratan tata and the legacy surrounding him pick it up and you are guaranteed a roller coaster ride into the world of tatas even though you may not agree with it all amit you have done it again yeshaswi ramaswamy human resources professional

The Tata Saga 2014-08-01

how did jamsetji tata win over british resistance to start tata steel how did jrd lose control of air india why did ratan tata face opposition to become the chairman of tata sons what happened inside the taj hotel on 26 11 the tata saga is a collection of handpicked stories published on india s most iconic business group the anthology features snippets from the lives of various business leaders of the company ratan tata j r d tata jamsetji tata xerxes desai sumant moolgaokar f c kohli among others there are tales of outstanding successes crushing failures and extraordinary challenges that faced the tata group these riveting business stories by some of india s top writers on the subject bear testament to the ruthless persistence and grit of the tata group and make for an incredible collector s edition

The Greatest Company in the World? 2006-05

there is simply no other major business like the tata group a company whose bottom line is doing the right thing for society how did tata transform itself from a family owned business to one of the most professionally managed enterprises in the world how did it become a world leader in an array of unrelated businesses from steel and automobile manufacturing to hotels and it consulting what exactly is the tata way which has earned it so much admiration and respect this brief history of the tatas charts the contribution of every tata chairman from jamsetji tata who set up the company in 1868 to ratan tata and cyrus mistry and explores the values at the heart of the tata group as well as the role played in its development by the philanthropic trusts that own two thirds of the company for anyone curious about this indian company that has become a leading global player this book is the perfect introduction

For the Love of India 2012-05-11

jamsetji nusserwanji tata was born in 1839 and in his lifetime india remained firmly under british rule yet the projects he envisioned laid the foundation for the nation s development once it became independent more extraordinary still these institutions continue to set the pace for others in their respective areas for among his many achievements are the indian institute of science in bangalore which has groomed some of the country s best scientists the tata steel plant in jamshedpur which marked the country s transition from trading to manufacturing his pioneering hydro electric project and the taj mahal hotel in mumbai one of the finest in the world in these as in other projects he undertook jamsetji revealed the unerring instinct of a man who knew what it would take to restore the pride of a subjugated nation and help it prepare for a place among the leading nations of the world once it came into its own the scale of the projects required abilities of a high order in some cases it was sheer perseverance that paid off as with finding a suitable site for the steel project in others such as the indian institute of science it was his exceptional persuasive skills and patience that finally got him the approval of a reluctant viceroy lord curzon in for the love of india r m lala has drawn upon fresh material from the india office library in london and other archives as also jamsetji s letters to portray the man and his age it is an absorbing account that makes clear how remarkable jamsetji s achievement truly was and why even now one hundred years after his death he seems like a man well ahead of the times

J. R. D. TATA 1986

an entertaining intimate and deeply moving portrait of the legendary industrialist for six decades j r d tata headed india s largest industrial conglomerate with uncommon success this was only one aspect of his life he was also a man of great sensitivity who suffered at the loss of friends and was pained by the poverty he saw around him a philanthropist who wanted india to be a happy country and did all that he could to make it so a man with a passion for literature fast cars skiing and of course flying this book by the author of the best selling the last blue mountain records jrd s thoughts on a variety of subjects in these pages he speaks of the house of tatas and his style of management about how he nearly joined the freedom struggle in

the early 1940s about the thrill of living a little dangerously his love of music and wine and the writers he likes to read he speaks also with striking candour and insight about the failures of socialism the future of india and his association with stalwarts like jawaharlal nehru jayaprakash narayan vallabbhai patel indira gandhi and henry kissinger towards the end of the book in the final year of his life we see him come to terms with death god and the afterlife

Keynote 2009-07-08

r m lala s impressive career spans journalism publishing philanthropy and writing books including the best selling biography beyond the last blue mountain a life of j r d tata lala s direct and almost conversational style gives a vivid portrait of the times he has lived through allowing the reader a glimpse into his intensely personal memories his experiences as well as his encounters with the personalities who shaped twentieth century india from j r d tata to mother teresa from vinoba bhave to morarji desai the book is informed throughout by the author s deep and enduring faith in god a strength of belief which has supported him through two serious illnesses healed a broken marriage taken him from financial adversity to financial security and guided him through four careers over two continents this moving autobiography illuminates r m lala s essential philosophy the acceptance of what cannot be changed a positive effort to live by certain standards and above all the joy of living in the presence of god

The Thread of God in My Life 2013-09-15

arvind prasad was inspired by jamshedpur and the steel company in 1957 when he came from hazaribagh luck finally brought him to the steel city and he got education in r d tata higher secondary school jamshedpur he studied geology in tata college chaibasa courtesy prof p s gupta and nandu babu which was another windfall he received his post graduate degree in geology obtaining gold medal from ranchi university in 1972 he served tata steel in the geological department for 27 years and his long cherished desire was fulfilled in this long journey he was helped by many life is like a roller coaster like an ocean which has crests and troughs he was no exception he worked in joda west bokaro jamadoba and noamundi in the wing of exploration quality control and beneficiation in this book he describes his arduous journey a mixture of failures and success under his supervision many difficult boreholes were conducted in jharia group both from surface and underground the databank of resources was refreshed he contributed in the construction of three washeries at west bokaro and bhelatand respectively which are lifeline of tata steel today he interacted closely with doyens of tata steel like dr jamshed j irani mr russi mody y p dhawan which has been narrated in vivid details he had brief meeting with mr j r d tata and mr ratan tata also he is thankful to his mentors mr c d singh principal r d tata higher secondary school harihar singh teacher and mr r s subramanian superintendent of the geological department who guided him in the ladder of success and in framing the policy of his life the book is written in memory of his close associate pesi tarapore who left for heavenly abode little early he also thanked other friends through this book who shared the experience with him

Journey of a Geologist in TATA Steel 2019

xlri in association with a few tata group companies established the xlri jrd tata foundation in business ethics in 1991 to mark their long standing commitment and contribution to business ethics in india the foundation seeks to address this by publicly affirming the urgent need for ethics in business and the need to bring about a conducive culture in which it can thrive

J.R.D. Tata 2019-03-25

winner of the gaja capital business book prize 2019 the nineteenth century was an exciting time of initiative and enterprise around the world if john d rockefeller was creating unimagined wealth in the united states that he would put to the service of the nation a parsi family with humble roots was doing the same in india in 1822 a boy was born in a priestly household in gujarat s navsari village young nusserwanji knew early on that his destiny lay beyond his village and decided to head for bombay to start a business the first in his family to do so he had neither higher education nor knowledge of business matters just a burning passion to carve a path of his own what nusserwanji started as a cotton trading venture his son jamsetji born in the same year as rockefeller grew into a multifaceted business turning around sick textile mills setting up an iron and steel company envisioning a cutting edge institute of higher learning building a world class hotel and earning himself the title of the bhisma pitamah of indian industry stewarded ably over the decades by jamsetji s sons dorabji and ratanji the charismatic and larger than life jrd and thereafter the more business like ratan the tata group today is a 110 billion dollar empire the tatas is their story but it is more than just a history of the industrial house it is an inspiring account of india in the making it chronicles how each generation of the family invested not only in the expansion of its own business interests but also in nation building few know for instance that the first hydel power project in the world was conceived of and built by the tatas nor that some radical labour concepts such as eight hour work shifts were born in india at the tata mill in nagpur the tata cancer research centre the indian institute of science the tata institute of fundamental research as also the national carrier air india the family has a long rich and unrivalled legacy the tatas is a tribute to a line of visionaries who have a special place in the hearts and minds of ordinary indians written by seasoned journalist girish kuber this is also the only book that tells the complete tata story spanning almost two hundred years

The Tatas 2004

about the book founded in the late 19th century by the great industrialist and philanthropist jamsetji tata the tata group has been a pioneer in such nationally vital industries as steel hydroelectricity aviation and information technology the history of the group is in significant measure the history of india s industrial development horizons the tata india century 1904 2004 commemorates the death centenary of jamsetji tata and the birth centenaries of two men who helped guide the group s destiny jrd tata and naval tata illustrated with rare archival images as well as spectacular contemporary photographs the book interweaves the tata story directly with the history of modern india allowing the reader to make connections between two parallel

narratives about the author aman nath has a masters degree in history engaged in the restoration of historical properties now run as the heritage chain of neemrana non hotel hotels nath has also been actively involved with india s contemporary art since the 1970s he is the author of several books including jaipur the last destination dome over india rashtrapati bhavan and jodhpur s umaid bhawan jay vithalani studied philosophy and english at amherst college and harvard university he lives in mumbai

Horizons 2020-05-06

this book introduces readers to the ethics of philanthropy particularly in the indian context drawing on jrd tata s philosophy and approach to business it shows how business and philanthropy were intrinsically related for him jrd tata was arguably one of the most influential businessmen in post independence india he was instrumental in not only expanding the tata businesses but was also known for his impact on the conduct of business as well as his support for various national projects including research and education he introduced key labour laws in his factories which later became the model for the indian government he was also part of government institutions such as air india by discussing ideas such as trusteeship the notion of profit the relation between public and private and social welfare the book offers an intellectual map of jrd s thoughts and an original perspective on their significance for an ethics of philanthropy in general it provides new insights into the nature of ethical problems in the indian context as well as ways to negotiate with them based on jrd s work and reflections it further creates a more meaningful understanding of corporate social responsibility in the present global economy lucid and comprehensive this book will be useful to scholars researchers and faculty in departments of management and business studies social work sociology economics and philosophy as well as across social sciences it will be of great interest to philanthropy organisations non governmental organisations business schools industry bodies corporates and those in leadership and management
