piracy cultureseditorial introduction manuel castells 1 university of southern california gustavo cardoso lisbon university institute iscte iul what are piracy cultures usually we look at media consumption starting from a media industry definition we look at tv radio newspapers games internet and media content in general all departing from the idea that the access to such content is made available through the payment of a license fee or subscription or simply because its either paid or available for free being supported by advertisements or under a freemium business model that is we look at content and the way people interact with it within a given system of thought that sees content and its distribution channels as the product of relationships between media companies organizations and individualseffectively a commercial relationship of a contractual kind with accordant rights and obligations but what if for a moment we turned our attention to the empirical evidence of media consumption practice not just in asia africa and south america but also all over europe and north america all over the world we are witnessing a growing number of people building media relationships outside those institutionalized sets of rules we do not intend to discuss whether we are dealing with legal or illegal practices our launching point for this analysis is that when a very significant proportion of the population is building its mediation through alternative channels of obtaining content such behavior should be studied in order to deepen our knowledge of media cultures because we need a title to characterize those cultures in all their diversitybut at the same time in their commonplacenesswe propose to call it piracy cultures

don t close your eyes some doors once opened can never be closed again orphan and widow corinne zellman is stunned when she receives several urgent letters from a lawyer telling her she s the only surviving heir of edward buchanan a relative of her recently deceased husband though corinne ignores the first few summons too grieved to consider them anything but cruel hoaxes she takes notice when yet another arrives this time with a family ring identical to the one her husband wore and lost just before he was killed stuck in a dead end job and curious about the family the love of her life seldom spoke of she reluctantly pulls up stakes and heads to bloodmoon cove where the persistent elderly gentleman lives there with her best friend ruby she finds crooked house the

family estate crooked house certainly lives up to its disturbing name as does edward buchanan who is old and pale and disappears so frequently she can almost believe he s nothing more than a ghost it isn t long before corinne begins to suspect that her new family member had ulterior motives for insisting she come live with him but to believe that is to believe that rafe yager a hardened soldier is entirely correct when he says crooked house is dangerous the longer she stays the less chance she ll ever leave again ghost hunter rafe is one of the last descendants of the mino miskwi native american tribe whose elders disappeared during a ritual at their sacred place at the top of bloodmoon mountain rafe has come home based on a terrifying vision of wide eyed wholesome dreamer cori losing her soul to an evil she doesn t recognize crooked house is falling and its sinister legacy demands recompense for her husband s death something that was no accident as she supposed can rafe save cori from a sacrifice she never meant to make when she unknowingly came to love a monster
