from the establishment of the first permanent english colony at jamestown in 1607 to the fall of richmond in 1865 the james river has been instrumental in the formation of modern america it was along the james that british and native american cultures collided and in a twisted paradox the seeds of democracy and slavery were sown side by side the culture crafted by virginia s learned aristocrats merchants farmers and frontiersmen gave voice to the cause of the american revolution and provided a vision for the fledgling independent nation s future over the course of the united states first century the james river bore witness to the irreconcilable contradiction of a slave holding nation dedicated to liberty and equality for all when that intractable conflict ignited civil war the james river served as a critical backdrop for the bloodiest conflict in u s history as he guides readers through this exciting historical narrative deans gives life to a dynamic cast of characters including the familiar powhatan john smith patrick henry thomas jefferson benedict arnold and robert e lee as well as those who have largely escaped historical notoriety the river where america began takes readers on a journey along the james river from the earliest days of civilization nearly 15 000 years ago through the troubled english settlement at jamestown and finishes with lincoln s tour of the defeated capital of richmond in 1865 deans traces the historical course of a river whose contributions to american life are both immeasurable and unique this innovative history invites us all to look into these restless waters in a way that connects us to our past and reminds us of who we are as americans

The River's End James Oliver Curwood

2016-08-04

since its publication by sierra club books more than two decades ago the river why has become a classic standing with norman maclean s a river runs through it as our era s most widely read fiction about fly fishing this captivating and exuberant tale is told by gus orviston an irreverent young fly fisherman and one of the most appealing heroes in contemporary american fiction leaving

behind a madcap fishing obsessed family gus decides to strike out on his own taking refuge in a remote riverbank cabin to pursue his own fly fishing passion with unrelenting zeal but instead of finding fishing bliss gus becomes increasingly troubled by the degradation of the natural world around him and by the spiritual barrenness of his own life his desolation drives him on a reluctant quest for self discovery and meaning ultimately fruitful beyond his wildest dreams stylistically adept and ambitious in scope *The River Why* is a touching and powerful novel by an important voice in american fiction in a new afterword written for this twentieth anniversary edition david james duncan reflects on the genesis of his book and on the surprising link between fishing and wisdom
