Passions and Projections 2015-01-08 blurred vision is about life experiences everyone will at some point in his or her live it speaks truth in experiences have been through since birth to our first kiss to our first break up and many other firsts we all wish that we had someone their or some type of advice that we could have read this book blurred vision will be the advice which we all need to help us live a decent life a life lead by truth and honesty throughout life we all prove ourselves not to be humble quiet but loud and our first thought is to fight back we all dont want to stay quiet and just let the situation be and fully accept it for what it is the book blurred vision is based on my life experiences the experiences that molded advice which in turn molded this book

Drugs and Culture 2011 religion is the vast sky of existence reason is a tiny human phenomenon the reason has to be lost has to be dropped only by going beyond the mind does one start understanding what is that s the radical change no philosophy can bring that radical change only religion religion is non philosophic anti philosophic and zen is the purest form of religion zen is the very essence of religion hence it is irrational it is absurd if you try to understand it logically you will be bewildered it can only be understood illogically it has to be approached in deep sympathy and love you cannot approach zen through empirical scientific objective concepts they all have to be dropped it is a heart phenomenon you have to feel it

rather than think it you have to be it to know it being is knowing and there is no other knowing

Journal of the American Oriental Society 1899 dionysus resurrected analyzes the global resurgence since the late 1960s of euripides the bacchae by analyzing and contextualizing these modern day performances the author reveals striking parallels between transformational events taking place during the era of the play s revival and events within the play itself puts forward a lively discussion of the parallels between transformational events during the era of the play s revival and events within the play itself the first comparative study to analyse and contextualize performances of the bacchae that took place between 1968 and 2009 from the united states africa latin america europe and asia argues that presentations of the play not only represent liminal states but also transfer the spectators into such states contends that the play s reflection on various stages of globalization render the tragedy a contemporary play establishes the importance of the bacchae within euripides work as the only extant tragedy in which the god dionysus himself appears not just as a character but as the protagonist

The Gothic Imagination 2011-10-10 what if jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the east this extraordinary line by line commentary on selected gospels from matthew and john tests the hypothesis that jesus was a mystic not a miracle worker of supernatural origin osho convincingly makes the case that the stories of jesus life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come i say unto you introduces us to a dynamic compassionate intelligent loving jesus who speaks in a plain and simple way that everyone can understand this is not the long faced sad and tortured man often depicted down the centuries osho looks with a crystal clear perception at jesus work inviting us to see the parables and miracles as metaphors of the inner world he gives insight into jesus own search and his journeys to the ancient mystery schools of egypt kashmir and tibet that transformed him into one of the most evolved masters of the paths of love and meditation with insights that are still relevant for today s world
