

Free reading Contesting the french revolution (PDF)

originally published in 1956 this masterly essay weaves together the results of research with an independence of judgement which could only come from a long established expert in the field of revolutionary studies the book examines the causes of the french revolution and the economics involved in the weakness of france s pre revolutionary form of government as well as the administrative complexity which was an effective stumbling block in the way of monarchy as well as charting key events in the revolution the conclusion discusses the significance of the french revolution in the context of other revolutions in both the nineteenth and twentieth centuries new york times bestselling historian emma moreau exposes and analyzes the events that turned ordinary french citizens into revolutionaries from the attack on the bastille to the executions of louis xvi and marie antoinette to the bloodthirsty reign of terror that claimed the lives of more than 40 000 people tells of the causes the history and the legacy of the french revolution from a two hundred year perspective the coming of the french revolution remains essential reading for anyone interested in the origins of this great turning point in the formation of the modern world first published in 1939 on the eve of the second world war and suppressed by the vichy government this classic work explains what happened in france in 1789 the first year of the french revolution georges lefebvre wrote history from below a marxist approach here he places the peasantry at the center of his analysis emphasizing the class struggles in france and the significant role they played in the coming of the revolution eloquently translated by the historian r r palmer and featuring an introduction by timothy tackett that provides a concise intellectual biography of lefebvre and a critical appraisal of the book this princeton classics edition continues to offer fresh insights into democracy dictatorship and insurrection concise convincing and exciting this is christopher hibbert s brilliant account of the events that shook eighteenth century europe to its foundation with a mixture of lucid storytelling and fascinating detail he charts the french revolution from its beginnings at an impromptu meeting on an indoor tennis court at versailles in 1789 right through to the coup d etat that brought napoleon to power ten years later in the process he explains the drama and complexities of this epoch making era in the compelling and accessible manner he has made his trademark writing in the times richard holmes described the book as a spectacular replay of epic action while the good book guide called it unquestionably the best popular history of the french revolution hunt examines the major themes of the period including the pre revolution economic and political situation in france combining narrative and interpretation this book provides a concise introduction and study aid for students the french revolution that extraordinary event that founded modern democracy continues to provoke a reevaluation of essential questions this volume presents the research of a wide range of international scholars into those questions 58 color illustrations 10 halftones using many quotes this history of the french revolution shows how it began with idealism ended in a bloody power struggle internationally renowned as the greatest authority on the french revolution georges lefebvre combined impeccable scholarship with a lively writing style his masterly overview of the history of the french revolution has taken its rightful place as the definitive account a vivid narrative of events in france and across europe is combined with acute insights into the underlying forces that created the dynamics of the revolution as well as the personalities responsible for day to day decisions during this momentous period 50 documents from 1787 to 1799 that mirror the political social and moral attitudes of participants and observers of the french revolution the object of this book is not to recount once more the history of the revolution that can be followed in any one of a hundred text books its object is rather to lay if that be possible an explanation of it before the non french readers so that they may understand both what it was and how it proceeded and also why certain problems hitherto unfamiliar to people outside of france have risen out of it x000d contents x000d the political theory of the revolution x000d rousseau x000d the characters of the revolution x000d the phases of the revolution x000d the military aspect of the revolution x000d the revolution and the catholic church the fall of the bastille on july 14 1789 has become the commemorative symbol of the french revolution but this violent and random act was unrepresentative of the real work of the early revolution which was taking place ten miles west of paris in versailles there the nobles clergy and commoners of france had just declared themselves a republic toppling a rotten system of aristocratic privilege and altering the course of history forever the revolution was led not by angry mobs but by the best and brightest of france s growing bourgeoisie young educated ambitious their aim was not to destroy but to build a better state in just three months they drew up a declaration of the rights of man which was to become the archetype of all subsequent declarations worldwide and they instituted a system of locally elected administration for france which still survives today they were determined to create an entirely new system of government based on rights equality and the rule of law in the first three years of the revolution they went a long way toward doing so then came robespierre the terror and unspeakable acts of barbarism in a clear dispassionate and fast moving narrative ian davidson shows

how and why the revolutionaries in just five years spiralled from the best of the enlightenment to tyranny and the terror the book reminds us that the revolution was both an inspiration of the finest principles of a new democracy and an awful warning of what can happen when idealism goes wrong author albert mathiez considers maximilien robespierre a hero of the french revolution rather than dictatorial and fanatical digicat publishing presents to you this special edition of history of the french revolution from 1789 to 1814 by m mignet digicat publishing considers every written word to be a legacy of humankind every digicat book has been carefully reproduced for republishing in a new modern format the books are available in print as well as ebooks digicat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature a marxist analysis of the causes and course of the french revolution argues that it can be understood on all levels only in terms of class struggle a bold new history of the french revolution from the standpoint of the peasants workers women and sans culottes the assault on the bastille the reign of terror danton mocking his executioner robespierre dispensing a fearful justice and the archetypal gadfly marat the events and figures of the french revolution have exercised a hold on the historical imagination for more than 200 years it has been a template for heroic insurrection and to more conservative minds a cautionary tale in the hands of eric hazan author of the invention of paris the revolution becomes a rational and pure struggle for emancipation in this new history the first significant account of the french revolution in over twenty years hazan maintains that it fundamentally changed the western world for the better looking at history from the bottom up providing an account of working people and peasants hazan asks how did they see their opportunities what were they fighting for what was the terror and could it be justified and how was the revolution stopped in its tracks the people s history of the french revolution is a vivid retelling of events bringing them to life with a multitude of voices only in this way by understanding the desires and demands of the lower classes can the revolutionary bloodshed and the implacable will of a man such as robespierre be truly understood the french revolution by thomas carlyle published by good press good press publishes a wide range of titles that encompasses every genre from well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read each good press edition has been meticulously edited and formatted to boost readability for all e readers and devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format this new edition of the most authoritative comprehensive history of the french revolution of 1789 draws on a generation of extensive research and scholarly debate to reappraise the most famous of all revolutions updates for this second edition include a generous chronology of events plus an extended bibliographical essay providing an examination of the historiography of the revolution opening with the accession of louis xvi in 1774 the book traces the history of france through revolution terror and counter revolution to the triumph of napoleon in 1802 and analyses the impact of events both in france itself and the rest of europe william doyle shows how a movement which began with optimism and general enthusiasm soon became a tragedy not only for the ruling orders but for the millions of ordinary people all over europe whose lives were disrupted by religious upheaval and civil and international war it was they who paid the price for the destruction of the old political order and the struggle to establish a new one based on the ideals of liberty and revolution in the face of widespread indifference and hostility darnton offers a reasoned defense of what the french revolutionaries were trying to achieve and urges us to look beyond political events to understand the idealism and universality of their goals of the great incidents of history none has attracted more attention or proved more difficult of interpretation than the french revolution the ultimate significance of other striking events and their place in the development of mankind can be readily estimated it is clear enough that the barbarian invasions marked the death of the classical world already mortally wounded by the rise of christianity it is clear enough that the renaissance emancipated the human intellect from the trammels of a bastard mediaevalism that the reformation consolidated the victory of the new learning by including theology among the subjects of human debate but the french revolution seems to defy complete analysis this title brings together a sweeping range of expert and innovative contributions to offer engaging and thought provoking insights into the history and historiography of the french revolution particularly its legacies in transnational and global contexts the french revolution can be seen as an enormous explosion of civic energy with huge ramifications for the rest of the world in this balanced and accessible account p m jones considers the build up of pressure between 1787 and 1789 as the power of the ancien régime began to crumble analyses the dramatic events that began with the taking of the bastille in 1789 and led to the establishment of a radical new order examines the demise of the republic in 1804 and assesses the wider significance of the revolutionary decade at the core of the revolution lay the realisation among ordinary men and wom in this book john roberts studies the puzzling nature of what came to be called the french revolution with its janus like aspect looking to past and future at the same time the five main sections deal with the beginnings of the revolution the revolution in france seen as a great disruption the revolution in france as the vehicle of continuity the revolution abroad and the revolution as history and as myth this lively and authoritative book which will appeal to the general readers and student of history alike makes a significant and original contribution to our understanding of the french revolution this new edition takes

into account the recent discoveries in regional and local revolutionary history and includes a thoroughly updated bibliography how did the french revolution s ideals of liberty equality and fraternity descend into violence and terror timothy tackett offers a new interpretation of this turning point in world history penetrating the mentality of revolutionary elites on the eve of the terror he reveals how suspicion and mistrust escalated and helped propel their actions the french revolution is a time of history made familiar from dickens baroness orczy and tolstoy as well as the legends of let them eat cake and tricolours beginning in 1789 this period of extreme political and social unrest saw the end of the french monarchy the death of an extraordinary number of people beneath the guillotine s blade during the terror and the rise of napoleon as well as far reaching consequences still with us today such as the enduring ideology of human rights and decimalization in this very short introduction william doyle introduces the french old regime and considers how and why it collapsed retelling the unfolding events of the revolution he analyses why the revolutionaries quarrelled with the king the church and the rest of europe why this produced terror and finally how it accomplished rule by a general doyle also discusses how and why the revolution destroyed the age old cultural institutional and social structures in france and beyond in this new edition doyle includes new sections highlighting the main developments in the field since the first edition before exploring the legacy of the revolution in the form of rationality in public affairs and responsible government about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable this book reasserts the importance of the french revolution to an understanding of the nature of modern european politics and social life livesey argues that the european model of democracy was created in the revolution a model with very specific commitments that differentiate it from anglo american liberal democracy the french revolution remains the most examined event or period in world history it was most historians would argue the first modern revolution an event so momentous that it changed the very meaning of the word revolution from restoration as in the glorious revolution of 1688 in england to its modern sense of connoting a political and or social upheaval that marks a decisive break with the past one that moves a society in a forward or progressive direction no revolution has occurred since 1789 without making reference to this first revolution and most have been measured against it one cannot utter the date 1789 without thinking of revolution and so significant were the changes unleashed in that year that it has come to mark the dividing line between early modern and late modern european history kings this second edition of historical dictionary of the french revolution covers its history through a chronology an introductory essay and an extensive bibliography the dictionary section has over 400 cross referenced entries on the causes and origins the roles of significant persons crucial events and turning points important institutions and organizations and the economic social and intellectual factors involved in the event that gave birth to the declaration of the rights of man and citizen this book is an excellent access point for students researchers and anyone wanting to know more about this period this new edition of mason and rizzo s anthology is a welcome addition to the study of the revolutionary and napoleonic french atlantic it includes a wealth of documents related to life in metropolitan and colonial france from the middle of the eighteenth century through the napoleonic consulate as well as concise section overviews that detail experiences on the continent and in saint domingue france s wealthiest caribbean colony during this tumultuous era these features along with images maps and a detailed timeline provide an invaluable resource for scholars and students alike rebecca hartkopf schloss texas a m university the french revolution of 1789 was the central event of modern history although the revolution started with the resistance of a minority to absolutist government it soon spread to involve the whole nation including the men and women who made up by far the largest part of it the peasantry as well as townspeople and craftsmen the poor and those living on the margins of society the french revolution and the people is a portrait of the common people of france in the towns and in the countryside in paris and lyon in the vendée brittany provence popular grievances and reactions affected the events and outcome of the revolution at all stages and in turn everyone in france was affected by the revolution the french revolution and the people tells a vivid story of conflict violence and death as the injustices of the ancien régime were thrown off bloomsbury publishing
