Focus On: 100 Most Popular 1990s Action Films 2018-06-12 from islamist terror to feminist equal pay campaigns and the apparent brexit hate crime epidemic identity politics seems to be everywhere nowadays this is not entirely an accident the progressive liberal left which dominates our public life has taken on the politics of race gender religion and sexuality as a key part of its own group identity and has used its dominance to embed them into our state and society in the tribe ben cobleby guides us around the system of diversity which has resulted exploring the consequences of offering favour and protection to some people but not others based on things like skin colour and gender he looks at how this system has almost totally captured the labour party and is spreading relentlessly around our other major institutions he also looks at how it is capturing our language appropriating key terms like equality tolerance and inclusion while denying a voice to those who do not play along the system of diversity makes a challenge to us all submit or risk exclusion from society itself

Quick Current Affairs on Events & Issues 2018 2022-01-14 the election of donald trump as us president in 2016 seemed to catch the world napping like the vote for brexit in the uk there seemed to be a new de synchronicity a huge reality gap between the unfolding of history and the mainstream news media s interpretations of and reporting of contemporary events through a series of short sharp interventions from academics and journalists this book interrogates the emergent media war around donald trump a series of interconnected themes are used to set an agenda for exploration of trump as the lynch pin in the fall of the liberal mainstream and the rise of the right media mainstream in the usa by exploring topics such as trump s television celebrity his presidential candidacy and data driven election campaign his use of social media his press conferences and combative relationship with the mainstream media and the question of fake news and his administration s defence of alternative facts the contributors rally together to map the parallels of the seemingly momentous and continuing shifts in the wider relationship between media and politics

The Tribe 2021-11-08 using the frameworks of literary theory relevant to modern fantasy dr joseph young undertakes a compelling examination of george r r martin s a song of ice and fire and his employment of the structural demands and thematic aptitudes of his chosen genre examining martin s approaches to his obligations and licenses as a fantasist young persuasively argues that the power of a song of ice and fire derives not from martin s abandonment of genre convention as is sometimes asserted but from his ability to employ those conventions in ways that further rather than constrain his authorial program written in clear and accessible prose george r r martin and the fantasy form is a timely work which encourages a reassessment of martin and his approach to his most famous novels this is an important work for both students and critics of martin s work and argues for a reading of a song of ice and fire as a wide ranging example of what modern fantasy can accomplish when employed with an eye to its capabilities and purpose
