ended with my supervisor telling me you know what i think i made a mistake in employing you ironically through the passage of time god turned the same situation bottom up while transforming me inside out i later conceded that my supervisor was right similarly joseph fell from being a highly favored son to being a lowly servant before he ascended supernaturally to become the second most powerful man in egypt yet joseph still faced challenges after his promotion written by a nonministerial christian the successful slave speaks of a journey of spiritual and emotional growth it explores the meaning of success when god called joseph successful at one of the lowest points of his life it brings hope to its readers through personal testimonies that resonate with the challenges that everyone faces in their everyday lives using the backdrop of josephs story the faithfulness of god is seen manifesting in my life as a full time working adult every chapter not only speaks of gods goodness toward me but also ends with an encounter in which i share gods goodness with people around me be encouraged in this world you will have trouble but take heart i have overcome the world john 16 33b niv i could not understand the cruelty of this world or why i even needed to endure it until i came to know christ and my understanding was changed before i knew him i grew up in an abusive environment believed in buddhism was an alcoholic was a single parent but worst of all i thought i was nothing more than a piece of rubbish i made countless wrong decisions endured terrible relationships and i thought i could change my life with my own hands but in the end i had to accept that i was hopeless but then jesus came and met me just as he came to the woman at the well john 4 he showed

himself to me and in his power he healed me in a miraculous way in one second the damage that i had brought to my body was fixed as though i were brand new jesus has continuously shown me his glory giving me an understanding of life and carrying me through mountains and seas as i have walked along the path toward christ he has proved through my life that the word of god is true and never fails he has proved that god is love and he is alive now i no longer believe that i am rubbish or that i am unworthy unloved or hopeless instead i know that i have been reborn into a new creation and i know that i am made to be his rose and his pearl this may be my life story but it is his testimony and i pray that it brings hope to your life supernatural encounters are for everyone god still speaks to his children today encounters can include visions dreams or a personal encounter seeing jesus himself each encounter brings revelation and transformation once the power of god is experienced a person is never the same again what is god speaking to you today spending time with jesus brings about our transformation which affects the world around us this book will share supernatural encounters examples are given from the word of god and from personal experiences of my own mention a personal encounter with jesus himself encourage the reader to answer the call of god on their life drawn from more than 40 years of study and ministry this devotional classic offers 365 meditations to calm the soul and point toward the one who can always help a day by day guide for quiet reflection and prayer from the nation s most beloved spiritual leader this book is for those who hunger for a healing they have yet to find if you want to learn what is standing between you and wholeness and how to connect

with the healing touch of jesus then this book is for you for our loving god has both the power and the passion to make you whole for much of christian history greater focus has been paid to jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven but retired pastor tim lehman contends that we ve drastically missed the point by not looking closely at and learning from jesus words and actions before his death as a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth in this broad study of matthew s gospel lehman challenges readers to view jesus death in light of his life he urges us not just to believe in jesus but to believe jesus to take seriously all that he taught and how he lived as lehman leads readers along a carefully laid path christians and non christians alike will have to rethink long held assumptions the place of violence in the christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more but along the way we are sure to learn grow and hopefully come to know more deeply god s unconditional love for all paul wrote at the end of a completed revelation jesus himself had declared it is finished that great movement which began with the call to abram and concluded with jesus returning to the father was over paul could write concerning the completed knowledge of the meaning of human life as he stood in the full revelation that came to him through christ jesus it does not matter to the church whether paul directed this process or he simply recorded it in his epistles paul speaks to us as one who has stood in the light of the glory of god as seen in the face of jesus

he calls to us as we face life in the midst of the terrifying world that is the twenty first century come with me as we consider the thoughts of paul this anthology for lent and easter includes 22 creative components such as monologues and skits services dialogues dramas as well as a service and a litany requiring little to no staging and props each program involves a varying number of participants perfect for congregations of any size included are materials for ash wednesday through holy week copy privileges are granted the one thing we should strive for in life is to please god our heavenly father it pleases god when we seek him in prayer and brag about his love and affection for us god will give us holy ghost boldness and supernatural power to impact the world with his love when we pray prayer can be difficult for people and this prayer book will help them to grow confidence in their personal prayer life christians of all denominations will appreciate this text as it deals with general bible questions non christians who want to know about the bible will be much enlightened too reproduction of the original the publishing house megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

What's Right with the Church

2009-09-15

the early believers of jesus christ knew that they were not just members of an organization nor were they just an extension of old testament judaism they knew that they were followers of the living lord jesus christ they were members of a thing called the church through the centuries the church has been the most powerful transforming force in history yet in america many observe it as anemic and powerless author elmer towns contends that there is

good news there are many things that are still right with the church what is right with the church affirms the positive things that are present in the church today and what will carry it forward as a transforming force this book is not a defense of the traditional church nor does it run to embrace all new forms of worship rather this book examines the biblical nature of church allowing the best to come forth it is not a book about old churches new churches or home churches it is a book about what is right about every true church no matter the expression history or culture a growing number of people are not aware of the enduring strengths of the church the author contends that if believers in christ are to effectively move forward with healthy communities and a vibrant faith in this new century they must be established on foundational biblical truths and core values and when this happens the church thrives as a transforming force

what was the most stinging moment that you have experienced one that might have hurt you deeply and caused you to be angry bitter or even hopeless one of mine was when i received my performance review after clocking an average sixty hour work week for eight months in a new position i devoted myself to overcoming the challenges and excelling in my job i stayed in faith and trusted in god for a breakthrough it ended with my supervisor telling me you know what i think i made a mistake in employing you ironically through the passage of time god turned the same situation bottom up while transforming me inside out i later conceded that my supervisor was right similarly joseph fell from being a highly favored son to being a lowly servant before he ascended supernaturally to become the second most powerful man in egypt yet joseph still faced challenges after his promotion written by a nonministerial christian the successful slave speaks of a journey of spiritual and emotional

growth it explores the meaning of success when god called joseph successful at one of the lowest points of his life it brings hope to its readers through personal testimonies that resonate with the challenges that everyone faces in their everyday lives using the backdrop of josephs story the faithfulness of god is seen manifesting in my life as a full time working adult every chapter not only speaks of gods goodness toward me but also ends with an encounter in which i share gods goodness with people around me be encouraged

in this world you will have trouble but take heart i have overcome the world john 16 33b niv i could not understand the cruelty of this world or why i even needed to endure it until i came to know christ and my understanding was changed before i knew him i grew up in an abusive environment believed in buddhism was an alcoholic was a single parent but worst of all i thought i was nothing more than a piece of rubbish i made countless wrong decisions endured terrible relationships and i thought i could change my life with my own hands but in the end i had to accept that i was hopeless but then jesus came and met me just as he came to the woman at the well john 4 he showed himself to me and in his power he healed me in a miraculous way in one second the damage that i had brought to my body was fixed

as though i were brand new jesus has continuously shown me his glory giving me an understanding of life and carrying me through mountains and seas as i have walked along the path toward christ he has proved through my life that the word of god is true and never fails he has proved that god is love and he is alive now i no longer believe that i am rubbish or that i am unworthy unloved or hopeless instead i know that i have been reborn into a new creation and i know that i am made to be his rose and his pearl this may be my life story but it is his testimony and i pray that it brings hope to your life

My Life Is His Testimony

for much of christian history greater focus has been paid to jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven but retired pastor tim lehman contends that we ve drastically missed the point by not looking closely at and learning from jesus words and actions before his death as a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth in this broad study of matthew s gospel lehman challenges readers to view jesus death in light of his life he urges us not just to believe in jesus but to believe jesus to take seriously all that he taught and how he lived as lehman leads readers along a carefully laid path christians and non christians alike will have to rethink long held assumptions the place of violence in the christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more but along the way we are sure to learn grow and hopefully come to know more deeply god s unconditional love for all
