## ***Understanding To Kill a Mockingbird***

1994-11-22

*To Kill a Mockingbird* is a novel of such profound power that it has affected the lives of readers and left an indelible mark on American culture. This rich collection of historical documents, collateral readings, and commentary captures the essence of the novel's impact, making it an ideal resource for students, teachers, and library media specialists. Drawing on multi-disciplinary sources, the casebook places the issues of race, censorship, stereotyping, and heroism into sharp perspective. Through these documents, the reader also gains a taste for the historical events which influenced the novel, as well as the novel's relevance in today's world. Among the documents which speak most eloquently are testimony from the Scottsboro case of the 1930s, memoirs and interviews with African Americans and whites who grew up in Alabama in the 1930s, and news stories on civil rights activities in Alabama in the 1950s. Most of the documents presented are available in no other printed form. Study questions, project ideas, and bibliographies are also included for ease of use in further examination of the issues raised by the novel. Thirteen historical photographs complement the text. Following a literary analysis of issues raised by the novel, the casebook opens with testimony and newspaper articles from the 1930s Alabama Scottsboro case, the significant parallels of this case to the novel, and a

social and historical background of the novel memoirs and interviews with african americans and whites who grew up in alabama in the 1930s further complete the historical landscape articles and news stories from the 1950s depict the increasingly tense volatile environment in which the novel was written and published documents examine the stereotypes of the poor white the african american and the southern belle and how the novel allows the reader to walk around in the shoes of those who have been stereotyped more current articles examine the legal literary and ethical ramifications of the novel these articles include a debate between lawyers over whether atticus finch was a hero and discussion of attempts to censor the novel

## **The Theme of Racism in Harper Lee's "To Kill a Mockingbird"**

2019-07-15

seminar paper from the year 2019 in the subject english literature works grade 4 1 language english abstract in harper lee s to kill a mockingbird the theme of racism is highlighted in various interactions between the characters the story is narrated through the eyes of the protagonist scout who resides in a fictional town in alabama named maycomb with her father atticus and brother jem in the novel various aspects of the vice are depicted mainly in the conflict between the whites and the african american community most of the misunderstandings in the town are caused by stereotypes that are told by members of opposing races thus the narration details how prejudices and injustices along racial lines can impede social harmony the discrimination against individuals based on their race was a common phenomenon in the 1930s in history people of color particularly the blacks were not accepted in white society the white majority exercised supremacy over the black minority and the latter was mainly involved in manual labor

the louisiana purchase dominates the months covered in this volume jefferson departs for monticello to enjoy a needed respite after the busy three and a half months he has just spent in the nation's capital shortly before leaving washington he has a last meeting with his cabinet after which he issues a proclamation to reconvene congress on 17 october three weeks early it is the great and weighty business of the french government's stunning offer to transfer all of the louisiana territory to the united states that necessitates this important gathering the event brings jefferson enthusiastic congratulations from his

friends and fellow republicans with jefferson s great success however comes the reality of getting the agreement with france approved and implemented the boundaries of the territory ceded are not even clear in private letters to his trusted advisers jefferson discusses the proper course of action should both houses of congress be called to consider the french offer is it prudent to make the substance of a treaty public and perhaps most vexing does this executive action require an amendment to the constitution some federalists criticize the plan but an expansion of the nation s territory proponents argue will raise america s stature in the eyes of the world with the widening of the country s borders jefferson s project to send an exploratory party westward seems even timelier william clark accepts meriwether lewis s invitation to join the expedition and on the last day of august lewis begins his journey down the ohio river the building of his boat finally complete

## **To Kill a MockingBird Book Summary**

2017-09-01

in 1960 to kill a mockingbird was published to critical acclaim to commemorate to kill a mockingbird s 50th anniversary michael j meyer has assembled a collection of new essays that celebrate this enduring work of american literature these essays approach the novel from educational legal social and thematic perspectives harper lee s only novel won the pulitzer prize and was transformed into a beloved film starring gregory peck as atticus finch an american classic that frequently appears in middle school and high school curriculums the novel has been subjected to criticism for its subject matter and language still relevant and meaningful to kill a mockingbird has nonetheless been under appreciated by many critics there are few books that address lee s novel s contribution to the american canon and still fewer that offer insights that can be used by teachers and by students these essays suggest that author harper lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today intended for high school and undergraduate usage as well as for teachers planning to use to kill a mockingbird in their classrooms this collection will be a valuable resource for all teachers of american literature
