Atlantida; a Case Study in Household Sample Surveys 1967

in this vivid reconstruction of life in a seventeenth century gentry household the authors delve into the details of everyday life how did a large wealthy household in the english countryside acquire the goods and services it needed and wanted was household consumption an exclusively female sphere or did men play an important role too

Properties and Serviceability of Selected Household and Clothing Fabrics 1956

during the past several decades family and household religion has become a topic of old testament scholarship in its own right fed by what were initially three distinct approaches the religious historical approach the gender oriented approach and the archaeological approach the first pursues answers to questions of the commonality and difference between varieties of family religion and describes the household and family religions of mesopotamia syria ugarit israel philistia egypt greece and rome gender oriented approaches also contribute uniquely important insights to family and household religion pioneers of this sort of investigation show that although women in ancient israelite societies were very restricted in their participation in the official cult there were familial rituals performed in domestic environments in which women played prominent roles especially as related to fertility childbirth and food preparation archaeologists have worked to illuminate many aspects of this family religion as enacted by and related to the nuclear family unit and have found evidence that domestic cults were more important in israel than has previously been understood one might even conceive of every family as having actively partaken in ritual activities within its domestic environment family and household religion in ancient israel and the levant analyzes the appropriateness of the combined term family and

household religion and identifies the types of family that existed in ancient israel on the basis of both literary and archaeological evidence comparative evidence from iron age philistia transjordan syria and phoenicia is presented this monumental book presents a typology of cult places that extends from domestic cults to local sanctuaries and state temples it details family religious beliefs as expressed in the almost 3 000 individual hebrew personal names that have so far been recorded in epigraphic and biblical material the hebrew onomasticon is further compared with 1 400 ammonite moabite aramean and phoenician names these data encompass the vast majority of known hebrew personal names and a substantial sample of the names from surrounding cultures in this impressive compilation of evidence the authors describe the variety of rites performed by families at home at a neighborhood shrine or at work burial rituals and the ritual care for the dead are examined a comprehensive bibliography extensive appendixes and several helpful indexes round out the masterful textual material to form a one volume compendium that no scholar of ancient israelite religion and archaeology can afford not to own

Household Food Consumption Survey 1968

current building trends toward compact houses many without basement or attic and increased acceptance of functional planning have focused attention on the need for planned storage areas one aspect of a coordinated program of research on farm housing which is now underway was designed to meet this need first by determining what farm families actually store and then by interpreting storage needs in terms of space requirements some of the findings related to the storage of household linens are reported here

Household and Family Characteristics, March 1984 1985

as with the commander of an army or the leader of any enterprise so it is with the mistress of a house a founding text of victorian middle class identity household management is today one of the great unread classics over a thousand pages long and written when its author was only 22 it offered highly authoritative advice on subjects as diverse as fashion child care animal husbandry poisons and the management of servants to the modern reader expecting stuffy moralizing and watery vegetables beeton s book is a revelation it ranges widely across the foods of europe and beyond actively embracing new food stuffs and techniques mixing domestic advice with discussions of science religion class industrialism and gender roles alternately fashionable and frugal anxious and blusteringly self confident household management highlights the concerns of the ever expanding victorian middle class at a key moment in its history the abridged edition does justice to its high status as a cookery book while also suggesting ways of approaching this massive hybrid text as a significant document of social and cultural history about the series for

Consumption and Gender in the Early Seventeenth- Century Household 2012-03

this report examines ways in which the government s target can be
achieved it seeks to answer three essential questions can 25 of household
waste be collected in an acceptable form for recycling is there the
capacity within industry to recycle and market this amount of material
how much will it cost to meet the government s target and who will pay
the book also gives an analysis of the potential for improving collection
methods and expanding the market for recycled materials it also gives
practical experience from six recycling trials currently in progress in
towns throughout the uk detailing their methods achievements and costs it
concludes with an analysis of the options for financing the recycling of
25 of household waste
