storm is also heading for the island will she make it in time for christmas a wonderful christmas love story i absolutely loved this book hilarious and fun i found myself laughing out loud several times i could not put this book down goodreads reviewer nina bailey loves christmas except this year she doesn't because it turns out that her husband to be has been cheating on her and her beautiful wedding ceremony in the snow is cancelled she's not really in the mood to be jolly sing carols or go anywhere near gingerbread men in fact what nina wants is to avoid the whole thing so she's come to stay at her aunt dolly's cosy café to nurse her broken heart nina is determined to get through christmas with no tinsel no fuss and definitely no flirting so when she arrives and meets infuriatingly handsome ryan sadler with his gorgeous forest green eyes she is not best pleased and when nina overhears him making fun of her she is furious there might have been an incident with a koala onesie and a spilled bottle of milk but that really wasn't her fault so despite the spark between them and the fact that he can whip up a fabulous dinner faster than she can say michelin star romance and christmas are off the menu this year unfortunately aunt dolly hasn't quite got the message going to great lengths to provide a proper british christmas for her beloved niece a true home away from home with sparkling lights adorning every wall and a tree to equal the rockefeller center's and yes mistletoe above every doorway can nina resist the magic of christmas and stick to her no romance rule
