new zealand aotearoa is a beautiful island country in the south pacific ocean. it is known for its diverse landscapes, including the southern alps, and its rich history. the country's varied topography and sharp mountain peaks, including the southern alps, owe much to tectonic uplift and volcanic eruptions. new zealand's capital city is wellington, and its most populous city is auckland. the islands of new zealand were the last large habitable land to be settled by humans.

new zealand is a welcoming, diverse country with a history of māori, european, pacific island, and asian immigration. this rich blend of cultures, combined with geologically fascinating landscapes and unique flora and fauna, make new zealand an exciting country to explore.
