a los angeles times bestseller a finalist for the 2017 thurber prize for american humor ken pisani s sharp and hilarious debut novel amp d tells the story of a man who returns to his boyhood home after his arm is amputated forcing the most awkward of family reunions as he struggles to feel whole again and falls in love with a voice on the radio hilarious and heart breaking jenny lawson 1 new york times bestselling author of furiously happy complete with painfully wry observations and delightfully caustic wit this novel is a gritty exploration of what it s like to feel incomplete in the world all five fingers up for this bitterly satisfying tale kirkus reviews starred aaron is not a man on a hero s journey in the question of fight or flight he ll choose flight every time so when a car accident leaves him suddenly asymmetrical his left arm amputated looking on the bright side just isn t something he s equipped to do forced to return to his boyhood home to recuperate aaron is confronted with an aging father a former olympic biathlete turned hoarder a mother who s chosen to live in a yurt with a fireman twelve years her junior and a well meaning sister whose insufferable husband proves love isn t just blind but also painfully stupid as aaron tries to make the world around him disappear in a haze of vicodin and medical marijuana the only true joy in his life comes from daily ninety second radio spots of fun science facts the speed of falling raindrops batteries made out of starfish and sexual responses triggered by ringtones all told in the lush disembodied voice of commentator sunny lee with whom he falls helplessly ridiculously in love aaron s obsession with sunny only hastens his downward spiral like pouring accelerant on a fire pressured to do something anything to move his life forward he takes the only job he can get as a fish counter at the nearby dam where he concludes that an act of violent sacrifice to liberate the river might be his best final option phenomenological accounts of sociality in husserl heidegger merleau ponty sartre scheler schütz stein and many others offer powerful lines of arguments to recast current predominantly analytic discussions on collective intentionality and social cognition against this background the aim of this volume is to reevaluate critically and in contemporary terms the rich phenomenological resources regarding social reality the interpersonal collective and communal aspects of the life world lebenswelt specifically the book pursues three interrelated objectives it aims 1 to systematically explore the key phenomenological aspects of social reality 2 to offer novel state of the art assessments of both central and lesser known proponents of the phenomenology of sociality gurwitsch löwith von hildebrand or walther and 3 to contextualize this elaborate body of work in light of contemporary social cognition research the growing literature in analytic social ontology and current trends in moral psychology moral phenomenology and social and political philosophy the collection brings together original articles by a host of prominent scholars and upcoming young talents to provide a comprehensive and up to date treatment of the topic it will be essential reading for those studying phenomenological accounts of intersubjectivity empathy and community including analytic social moral and political philosophers and will also be of interest for social scientists and social psychologists indianapolis monthly is the circle city s essential chronicle and guide an indispensable authority on what s new and what s news through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of indy s cultural landscape currently both the status quo of public education and the no excuses reform policies are identical the reform offers a popular and compelling narrative based on the meritocracy and rugged individualism myths that are supposed to define american idealism this volume will refute this ideology by proposing social context reform a term coined by paul thomas which argues for educational change within a larger plan to reform social inequity such as access to health care food higher employment better wages and job security since the accountability era in the early 1980s policy public discourse media coverage and scholarly works have focused primarily on reforming schools themselves here the evidence that school only reform does not work is combined with a bold argument to expand the discourse and policy surrounding education reform to include how social school and classroom reform must work in unison to achieve goals of democracy equity and opportunity both in and through public education this volume will include a wide variety of essays from leading critical scholars addressing the complex elements of social context reform all of which address the need to re conceptualize accountability and to seek equity and opportunity in social and education reform leadership for green schools provides aspiring and practicing leaders with the tools they need to facilitate the design leadership and

information biochemistry fruit processing and nutritional value features four color images throughout for each fruit along with its regional name and geographical location serves as a useful reference for researchers industrial practitioners and students in its 114th year billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends globalization the information age and the rise of the knowledge based economy are significantly transforming the way we acquire disseminate and transform knowledge and as a result knowledge production is becoming closer and more directly linked to economic competitiveness this evolution is also putting new and urgent demands on academic institutions to adjust to the changing needs of society and economy in particular there is growing pressure on the institutions of higher education and research in developed economies to find and affirm their new role in the national innovation system their counterparts in developing economies need to define their role in supporting emerging structures of the innovation system this book examines the role of universities and national research institutes in social and economic development processes featuring contributions that showcase initiatives and innovations from around the world including china eastern europe latin america scandinavia southeast asia sub saharan africa and western europe it offers timely insight that will be of interest to policymakers university administrators economic and social leaders and researchers alike selected works of theodore dreiser from the series best of the best is the book that everyone should read to understand themselves and each other the authors and works for this book series were selected as a result of numerous studies analysis of the texts over the past 100 years and the demand for readers it must be read in order to understand the world around us its history to recognize the heroes to understand the winged expressions and jokes that come from these literary works reading these books will mean the discovery of a world of self development and self expression for each person these books have been around for decades and sometimes centuries for the time they recreate the values they teach the point of view or simply the beauty of words this volume of the best of the best series includes famous works sister carrie jennie gerhardt the financier the titan the stoic the genius an american tragedy twelve men with over 105 000 medical terms and over one million words this is the most extensive dictionary of its kind available this book begins by arguing that early greek reflection on the afterlife and immortality insisted on the importance of the physical body whereas a wealth of jewish texts from the hebrew bible second temple judaism and early pauline christianity understood post mortem existence to be that of the soul alone changes begin to appear in the later new testament where the importance of the afterlife of the physical body became essential and such thoughts continued into the period of the early church where the significance of the physical body in post mortem existence became a point of theological orthodoxy this book will assert that the influx of greco romans into the early church changed the direction of christian thought towards one which included the body at the same time the ideological and polemical thrust of an eternal tortuous afterlife for the wicked became essential the first edition of interpretive description established itself as the key resource for novice and intermediate level researchers in applied settings for conducting a qualitative research project with practical outcomes in the second edition leading qualitative researcher sally thorne retains the clear straightforward guidance for researchers and students in health social service mental health and related fields this new edition includes additional material on knowledge synthesis and integration evidence based practice and data analysis in addition this book takes the reader through the qualitative research process from research design through fieldwork analysis interpretation and application of the results provides numerous examples from a variety of applied fields to show research in action uses an accessible style and affordable price to be the ideal book for teaching qualitative research in clinical and applied disciplines vols for 1963 include as pt 2 of the jan issue medical subject headings competition science vision monthly magazine is published by pratiyogita darpan group in india and is one of the best science monthly magazines available for medical entrance examination students in india well qualified professionals of physics chemistry zoology and botany make contributions to this magazine and craft it with focus on providing complete and to the point study material for aspiring candidates the magazine covers general
